The Keep Jennifer Egan,2007-07-10 NATIONAL BESTSELLER • Part horror tale, part mystery, part romance ... utterly fantastic.”—O, The Oprah Magazine • The bestselling, award-winning author of *A Visit from the Goon Squad* brilliantly conjures a world from which escape is impossible and where the keep—the tower, the last stand—is both everything worth protecting and the very thing that must be surrendered in order to survive. Two cousins, irreversibly damaged by a childhood prank, reunite twenty years later to renovate a medieval castle in Eastern Europe. In an environment of extreme paranoia, cut off from the outside world, the men reenact the signal event of their youth, with even more catastrophic results. And as the full horror of their predicament unfolds, a prisoner, in jail for an unnamed crime, recounts an unforgettable story that seamlessly brings the crimes of the past and present into piercing relation.

Secrets That We Keep Linda Kage,2021-01-28 Gracen Lowe has a new life theory: What you don't know can't hurt you. Which is exactly why he decides not to tell his twin sister, Bella, that he's accidentally falling for the woman she hates most, the very woman who allegedly cheated with Bella's last boyfriend and broke them apart. Bella might be his best friend and ultimate confidante, but she'd legit cut off his favorite body part if she knew which woman he'd been craving. So even if his theory's totally whack, staying quiet will definitely keep him safer. Except he feels so guilty about it all. Meanwhile, Bella's heating up the sheets with one of Gracen's best friends, and she can't seem to reveal that little detail to her brother either, due to—you know—reasons. When the truth is exposed, all bets are off. Shattered secrets will either set everyone free or wreck their relationships forever.

Keep On Keeping On Brian J. Daugherty,2016-08-03 Virginia was a battleground state in the struggle to implement *Brown v. Board of Education*, with one of the South's largest and strongest NAACP units fighting against a program of noncompliance crafted by the state's political leaders. *Keep On Keeping On* offers a detailed examination of how African Americans and the NAACP in Virginia successfully pursued a legal agenda that provided new educational opportunities for the state's black population in the face of fierce opposition from segregationists and the Democratic Party of Harry F. Byrd Sr. *Keep On Keeping On* is the first book to offer a comprehensive view of African Americans' efforts to obtain racial equality in Virginia in the later twentieth century. Brian J. Daugherty considers the relationship between the various levels of the NAACP, the ideas and actions of other African American organizations, and the stances of Virginia's political leaders, white liberals and moderates, and segregationists. In doing so, the author provides a better understanding of the connections between the actions of white political leaders and those of black civil rights activists working to bring about school desegregation. Blending social, legal, southern, and African American history, this book sheds new light on the civil rights movement and white resistance to civil rights in Virginia and the South.

Lauder shares the business and life lessons he learned as well as the adventures he had while helping transform the mom-and-pop business his mother founded in 1946 in the family kitchen into the beloved brand and ultimately into the iconic global prestige beauty company it is today. The Decade That Rocked Mark Weiss,Richard Bienstock,2020-06-02 “I have read pretty much every rock 'n' roll biography there is worth reading, and you never know what to expect when you pick up a new book. Well, let me tell you Mark Weiss has raised the bar for rock 'n' roll books with *The Decade That Rocked*. Mark has always been at the top of his field, and the level of detail and quality put into this book is the ultimate testament to his rock n' roll photographic legacy.” – Sebastian Bach “Mark is the real deal. He may not play the guitar, but that camera is his guitar. He’s a rockstar.” – Gene Simmons Mark’s energy, his creativity, his drive, his positive attitude and his enthusiasm that make him one of the legends of rock photography. It’s why his work—both old and new—is still so in demand today. Mark Weiss inspires greatness in all he turns his camera lens on. But don’t take my word for it. Just look at the pictures in this book. – Dee Snider “His pictures say as much as the music” – Rob Halford “He was one of the guys. He wasn’t one of the 18 photographers you’d work with that day.” – Alice Cooper “He had that instinct, to recognize our energy and use his technical talent to capture it.” – Joe Perry “The Decade That Rocked breaches a level of intimacy that so many music photographers are lacking today. Each and every photo exemplifies the trust and the synergy between photographer and subject. You can feel the essence of the music in the live shots, just as vibrantly as you can feel the spirit and the essence of the musicians behind the scenes.” – Screamer Magazine Mark “Weissguy” Weiss set an unmatched standard for rock photography.
