In a Law of Attraction 101 type format, this book will give you a clear look at the scope of stressful issues of everyday life, letting go of those issues, and insight into pre-paving your life, and how to make the Law of Attraction work to your benefit instead of letting it work in your life by default. For others it is an introduction to a new way of life. You will experience the amazing results of learning to Stay In Your Own Lane. www.thelawthatworks.net

📖 **FIREFLY LANE** Kristin Hannah,2008-02-05 From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the coolest girl in the world moves in across the street and wants to be her friend. Tully Hart seems to have it all---beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer’s end they’ve become TullyandKate. Inseparable. So begins Kristin Hannah’s magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, Firefly Lane is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn’t know is how being a wife and mother will change her . . . how she’ll lose sight of who she once was, and what she once wanted. And how much she’ll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship---jealousy, anger, hurt, resentment. They think they’ve survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. Firefly Lane is for anyone who ever drank Boone’s Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it’s the story of a generation of women who were both blessed and cursed by choices. It’s about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you---and knows what has the power to hurt you . . . and heal you. Firefly Lane is a story you’ll never forget . . . one you’ll want to pass on to your best friend.

📖 **What Lane?** Torrey Maldonado,2021-05-11 If you are wondering how to begin confronting anti-black racism in your classroom, start with What Lane?--School Library Journal: The Classroom Bookshelf Stay in Your Lane. Stephen doesn’t want to hear that--he wants to have no lane. Anything his friends can do, Stephen should be able to do too, right? So when they dare each other to sneak into an abandoned building, he doesn’t think it’s his lane, but he goes. Here’s the thing, though: Can he do everything his friends can? Lately, he’s not so sure. As a mixed kid, he feels like he’s living in two worlds with different rules--and he’s been noticing that strangers treat him differently than his white friends . . . So what’ll he do? Hold on tight as Stephen swerves in and out of lanes to find out which are his--and who should be with him. Torrey Maldonado, author of the highly acclaimed Tight, does a masterful job showing a young boy coming of age in a racially split world, trying to blaze a way to be his best self.

📖 **Handbook of Intelligent Vehicles** Azim Eskandarian,2012-02-26 The Handbook of Intelligent Vehicles provides a complete coverage of the fundamentals, new technologies, and sub-areas essential to the development of intelligent vehicles; it also includes advances made to date, challenges, and future trends. Significant strides in the field have been made to date; however, so far there has been no single book or volume which captures these advances in a comprehensive format, addressing all essential components and subspecialties of intelligent vehicles, as this book does. Since the intended users are engineering practitioners, as well as researchers and graduate students, the book chapters do not only cover fundamentals, methods, and algorithms but also include how software/hardware are implemented, and demonstrate the advances along with their present challenges. Research at both component and systems levels are required to advance the functionality of intelligent vehicles. This volume covers both of these aspects in addition to the fundamentals listed above.

📖 **Evaluation of Sign and Marking Alternatives for Displaced Left-Turn Lane Intersections** ,2009 This document describes research conducted by the Federal Highway Administration (FHWA) to support guidance on the signing and marking of displaced left turn lane intersections (DLT) also known as continuous flow intersections (CFI). The DLT is an at grade intersection that is intended to support high traffic flow where there is a large volume of left turns and heavy through volumes. Its design permits the use of two or three phase traffic signals at the junction of two roads, while still providing at grade protected left turn movements.

📖 **The Lane Light** Candee MacQueen,2020-12-23 The blanketed Wyoming sky was getting more threatening as each minute went by. Old-timers called it a mean snow sky. It was a thick, smooth, low cover of clouds in scary shades of gray. Colors that made your heart beat a little faster. The forecasters said this was a bad one. It was Christmas Eve day. The story that was to be played out would begin early in the day, with the players being put in place, one by one. Some were friends and others were complete strangers, each assigned their own special reason to be there and each important in his eyes. Eventually the one in charge would say action, enabling the night to play out as he had intended, for his reasons. That is, if everyone played their parts correctly. The old barn was ready. The heat coming from the wood stove would keep all warm. The old weathered oak planks used for the walls would manage to stay standing and keep the cold out, but it would take the faith of each player, new faith and old faith, to reach the outcome he intended. By noon, the entrance to the Kahler Ranch had taken on a dreaded, lonely appearance, as did the main road that ran out front. Snow was building up on the crossbar, making it hard to read the name of the ranch. The trees that Chico had tied up along the fence were taking a beating, their limbs sagging from the weight of the snow. Steph’s red bows struggled to stay in place. The only traffic out on the road would be very early on, a few cars and trucks attempting to make that last desperate trip to town, each one praying that the storm would hold off, allowing them the needed time to get safely home. People knew time was running out. By late afternoon, there would be no travelers on the roads. Only five special people would find themselves out in the storm and they would share the same destiny-to find the Lane Light.
