Sanathana Sarathi English Volume 05 (2000 to 2010) Sri Sathya Sai Media Centre, 2022-11-11  
Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of

universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paeon of triumph when universal Ananda is achieved.

## **Lanterns on the Lanes** George Abraham, 2020-12-28

"Religions must have evolved as a way of life, doctrines may fade as we move towards spirituality on the road to truth, which is bright as the day light" In this simple compilation I have thought about a few lives, I hope have showed us some light to carry us through in the dark pervasive days of human lives. I believe in merciful God who sends his messengers to take up missions dedicated and delicate as they deal human minds. There are a many more in the shadows working earnestly, never seen or heard much about, only God and they know how valuable their beautiful selfless works prevail. Thoughts came to me in the daunting times of COVID 19; the need looming large in acts of mercy and co-existence. My mind wafted into thin air and took me to people who were the winds of change. It recalled the road we travelled along. Many inspirers, who were a guiding light as lanterns on the lanes were seen as beacons of hope, but will they fade away.... Deviating halfway down the journey, we need to ask: • "Did we travel on the right path?" • "Will we inspire good minds to join us in the journey and embrace the unreachable?" • "Will we ever try to live by the laws of nature?" India has been blessed by Gita, the epic, in which Lord Krishna says, "If you walk in the path of Dharma, if you absorb and follow the path of righteousness, then you not only emerge as a true leader but also serve and bring about a stronger nation, stronger universe and a stronger world." "Where there is neither Greek nor Jew, circumcised nor uncircumcised, barbarian, Scythian, bond nor free: but Christ is all, and in

all.” Bible – Colossians, Chapter 3; Verse 11 In the Quran: “The term Advaita translated into Arabic would read ‘Wahdahu-la-Shareek’—the one who has no second...” The time has come for us to rethink and reset our way of lives, embrace life in its fullest potential, hear a Coherent answer, attain a peaceful world, and meet a merciful God. In this journey we need your loving hearts, your caring hands and merciful deeds. We have seen some great simple men and women do that in these dark days of sufferings. We shall Overcome... and make it a shining little blue marble, our home.

**Temples of South India** V. V. Subba Reddy, 2009  
Sound Alignments Michael K. Bourdaghs, Paola

Iovene, Kaley Mason, 2021-05-10 In *Sound Alignments*, a transnational group of scholars explores the myriad forms of popular music that circulated across Asia during the Cold War. Challenging the conventional alignments and periodizations of Western cultural histories of the Cold War, they trace the routes of popular music, examining how it took on new meanings and significance as it traveled across Asia, from India to Indonesia, Hong Kong to South Korea, China to Japan. From studies of how popular musical styles from the Americas and Europe were adapted to meet local exigencies to how socialist-bloc and nonaligned Cold War organizations facilitated the circulation of popular music throughout the region, the contributors outline how music forged and challenged alliances, revolutions, and countercultures. They also show how the Cold War's legacy shapes contemporary culture, particularly in the ways 1990s and 2000s J-pop and K-pop are rooted in American attempts to foster economic exchange in East Asia in the 1960s. Throughout, *Sound Alignments* demonstrates that the experiences of the Cold War in Asia were as diverse and dynamic as the music heard and performed in it. Contributors. Marié Abe, Michael K. Bourdaghs, Paola Iovene, Nisha Kommattam, Jennifer Lindsay, Kaley Mason, Anna Schultz, Hyunjoon Shin, C. J. W.-L. Wee, Hon-Lun (Helan) Yang, Christine R. Yano, Qian Zhang

**India Migration Report 2017** S. Irudaya Rajan, 2018-01-02 The *India Migration Report 2017* examines forced migration caused by political conflicts, climate change, disasters (natural and

man-made) and development projects. India accounts for large numbers of internally displaced people in the world. Apart from conflicts and disasters, over the years development projects (including urban redevelopment and beautification), often justified as serving the interests of the people and for public good, have caused massive displacements in different parts of the country, disrupting the lives and livelihoods of millions of people. The interdisciplinary essays presented here combine a rich mix of research methods and include in-depth case studies on aspects of development-induced displacement affecting diverse groups such as peasants, religious and ethnic minorities, the poor in urban and rural areas, and women, leading to their exclusion and marginalization. The struggles and protests movements of the displaced groups across regions and their outcomes are also assessed. This volume will be of great interest to scholars and researchers of development studies, economics, sociology and social anthropology and migration studies.
