First Day, Last Show Rishikesh Joshi,2017-04-03 “Picture abhi baaki hai mere dost”; “Don ko pakadna mushkil hi nahi namumkin hai”; “Jo main bolta hun, Woh main karta hun. Jo main nahi bolta woh main definitely karta hun” Lines from well-remembered films (or ‘dialogues’ as we call them), are part of the currency of our everyday speech. Climactic scenes are unforgettably etched in our minds. Yes, we don't just watch movies, we internalize them. How many times, have you selected a movie shuffling through multiple reviews and ratings only to find that what you see on screen is very different from what you were led to believe? You wonder if they were written more objectively and someone like you could tell what to expect? Here is an attempt to do just that. First Day, Last Show takes you through an engrossing journey of movies seen through the eyes of a common cinemagoer. The book is a bouquet of impressions about films gathered over a period of four years. You will relate to these views easily, even if you have not seen or heard about the movie earlier. All you need is to be a fairly regular cinema goer. If you love movies, you will love reading First Day, Last Show.

BollySwar: 1991 - 2000 Param Arunachalam, BollySwar is a decade-wise compendium of information about the music of Hindi films. Volume 7 chronicles the Hindi film music of the decade between 1991 and 2000. This volume catalogues more than 1000 films and 7000 songs, involving more than 1000 music directors, lyricists and singers. An overview of the decade highlights the key artists of the decade - music directors, lyricists and singers - and discusses the emerging trends in Hindi film music. A yearly review provides listings of the year's top artists and songs and describes the key milestones of the year in Hindi film music. The bulk of the book provides the song listing of every Hindi film album released in the decade. Basic information about each film's cast and crew is provided and detailed music credits are provided. Where available, music credits go beyond information regarding music directors, lyricists and singers, and include the names of session musicians, assistants, programmers, arrangers, mixers, recordists, etc. Where applicable, music related awards are listed. Interesting trivia is listed for most films. This includes information about artist debuts, plagiarised or sampled songs, controversies and stories behind the making of the film and its music. This book is primarily meant as a quick reference for people looking for information related to a Hindi film or a song, but readers can also browse through the book to get an overview of the events that shaped Bollywood music in the decade. Given that Hindi films are a reflection of the Indian society, the reader can also glean insights about the country's socio-political and cultural environment from the book.

I know she loves me Prashant Singh,2019-06-25 “The story which has a perfect beginning might end happily, but some stories also have fatal and painful endings.” ‘I Know She Loves Me’ is such an amalgamation. It's a story of unending and undying love, affection, inspiration, desirable dreams and also hatred. Arpit, a half-wit boy, met with an intelligent and a half-Muslim girl, Aayat, who is very obsessed with books and in chasing her dreams. Arpit falls in love with Aayat at their first meet. As time moved on, Aayat liked him too. Apparently, she loved him too, but she did not express her love to him, neither did Arpit confess his love to her. However, apart from their unconfessed love, life had made another plan for them. Something goes unexpectedly wrong, and Arpit has to fight with many unexpected things in life's situations. Finally, on Valentine's Day when Arpit gathered some courage and proposed to her, Aayat's reply was unexpected to him. She refused to accept his love unreasonably. Arpit was shocked and disappointed with her answer. Gradually, Aayat stopped talking to him after that Valentine's Day; she even created a distance from Arpit's life. Well, what would Arpit do now? Will he forget her and move on with his life, or will he find the reason, why Aayat left him? Will he get his Aayat back in his life? It is not any simple love story. It is actually the story of eternal faith of true love.

Stardom in Contemporary Hindi Cinema Aysha Iqbal Viswamohan, Clare M. Wilkinson, 2020-01-03 In this book, film scholars, anthropologists, and critics discuss star-making in the contemporary Hindi-language film industry in India, also known as “Bollywood.” Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India’s increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book creates opportunities for examining stardom in other industries and provides fruitful cross-cultural perspectives on star identities today. Grounded in rigorous scholarship as well as a palpable love of Hindi cinema, this collection of 19 essays on a dizzying array of contemporary Hindi film stars makes for an informative, thought-provoking, illuminating, and most of all, a joyful read. Pushing boundaries of not only global Star Studies but also film theory as a whole, this de-colonised and de-colonising volume is a must read for film scholars, students and cinephiles! Dr. Sunny Singh, Senior Lecturer - Creative Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University “A wide-ranging overview of Hindi cinema’s filmi firmament today, focussing on its most intriguing and brightest-burning stars. The variety of approaches to stardom and celebrity by both established and upcoming scholars reveals a web of interconnecting stories and concerns that provide fascinating new insights into the workings of today’s Hindi film industry, while shining fresh light on contemporary India and the world we live in.” Professor Rosie Thomas, Centre for Research and Education in Arts and Media (CREAM), College of Design, Creative and Digital Industries, University of Westminster

Bad Money Vivek Kaul, 2020-06-10 Over the last decade, Indian banks in general and the government-owned public sector ones in particular have gradually got themselves into a big mess. Their bad loans, or loans which haven't been repaid for ninety days or more, crossed Rs 10 lakh crore as of 31 March 2018. To put it in perspective, this figure is approximately seven times the value of farm loan waivers given by all state governments in India put together. And this became the bad money of the Indian financial system. Why were the corporates unable to return these loans? Was it because they had no intention of doing so? Who were the biggest defaulters of them all? Are Vijay Mallya and Nirav Modi just the tip of the iceberg? How much money has the government spent trying to rescue these banks? How are the private sector banks gradually taking over Indian banking? Is your money in public sector banks safe? How are you paying for this in different ways? And what are the solutions to deal with this? In Bad Money, Vivek Kaul answers these and many more questions, peeling layer after layer of the NPA (non-performing assets) problem. He goes back to the history of Indian banking, providing a long, deep and hard look at the overall Indian economy. The result is a gripping financial thriller that is a must for understanding a crisis that threatens our banking system and economy.

City of Veils Zoë Ferraris, 2010-08-09 Finding Nouf's Katya Hijazi and Nayir Sharqi return for another thrilling, fast-paced mystery that provides a rare and intimate look into women's lives in the Middle East. Women in Saudi Arabia are expected to lead quiet lives circumscribed by Islamic law and tradition. But Katya, one of the few women in the medical examiner's office, is determined to make her work mean something. When the body of a brutally beaten woman is found on the beach in Jeddah, the city's detectives are ready to dismiss the case as another unsolvable murder-chillingly common in a city where the veils of conservative Islam keep women as anonymous in life as this victim is in death. If this is another housemaid killed by her employer, finding the culprit will be all but impossible. Only Katya is convinced that the victim can be identified and her killer found. She calls upon her friend Nayir for help, and soon discovers that the dead girl was a young filmmaker named Leila, whose controversial documentaries earned her many enemies. With only the woman's clandestine footage as a guide, Katya and Nayir must confront the dark side of Jeddah that Leila struggled to expose: an underworld of prostitution, violence, exploitation, and jealously guarded secrets. Along the way, they form an unlikely alliance with an American woman whose husband has disappeared. Their growing search takes them from the city's car-clogged streets to the deadly vastness of the desert beyond.!--EndFragment--
