The Holy Bible King James Version, 2019-01-09 The King James Version (KJV) is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611. The Bible is a canonical collection of texts considered sacred in Judaism and Christianity. There is no single Bible and many Bibles with varying contents exist. The term Bible is shared between Judaism and Christianity, although the contents of each of their collections of canonical texts is not the same. Different religious groups include different books within their Biblical canons, in different orders, and sometimes divide or combine books, or incorporate additional material into canonical books.

God's Secretaries Adam Nicolson, 2005-08-02 A network of complex currents flowed across Jacobean England. This was the England of Shakespeare, Jonson, and Bacon; the era of the Gunpowder Plot and the worst outbreak of the plague. Jacobean England was both more godly and less godly than the country had ever been, and the entire culture was drawn taut between these polarities. This was the world that created the King James Bible. It is the greatest work of English prose ever written, and it is no coincidence that the translation was made at the moment Englishness, specifically the English language itself, had come into its first passionate maturity. The English of Jacobean England has a more encompassing idea of its own scope than any form of the language before or since. It drips with potency and sensitivity. The age, with all its conflicts, explains the book. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The Holy Bible : Old and New Testaments (King James Version) GOD, Various, The Holy Bible : Old and New Testaments (King James Version) This book includes History of King James Bible and their work. The King James Version (KJV), commonly known as the Authorized Version (AV) or King James Bible (KJB), is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611. First printed by the King's Printer Robert Barker, this was the third translation into English to be approved by the English Church authorities. The first was the Great Bible commissioned in the reign of King Henry VIII, and the second was the Bishops' Bible of 1568. In January 1604, King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the Puritans, a faction within the Church of England. James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy. The translation was done by 47 scholars, all of whom were members of the Church of England. In common with most other translations of the period, the New Testament was translated from Greek, the Old Testament was translated from Hebrew text, while the Apocrypha were translated from the Greek and Latin. In the Book of Common Prayer (1662), the text of the Authorized Version replaced the text of the Great Bible – for Epistle and Gospel readings – and as such was authorized by Act of Parliament. By the first half of the 18th century, the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches. Over the course of the 18th century, the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars. Today, the most used edition of the King James Bible, and often identified as plainly the King James Version, especially in the United States, closely follows the standard text of 1769, edited by Benjamin Blayney at Oxford.

Original King James Bible. The History Before it Is! Edmond Willie Givens,2008-05 The Original King James Bible The History before it is, is a compilation of 12 years of writing snippets from the King James Bible that match secular history as taught in schools and colleges. Ecclesiastes 1:9 states, There is no new thing under the sun. I had to search for the main key in scripture, which is the lineage of Jesus through David. David's great-great grandson was named Melea, which in Greek is Black and mentioned once. Also Jesus was taken into Egypt to be hidden from Herod who wanted to kill him. The Tribe of Judah would be taken out of Egypt by ships and sold as bondsmen and bondswomen and taken to Isles afar off they know not of, which happened to be America. This was the twelfth time slavery was done to a people, which is also a completion number. The author had two lower back surgeries. One was in August 1976 and one on November 22, 1977 and at 2:40 PM I had an out of body experience and was looking down at the doctors operating on me. When I recovered from the last surgery I realized GOD had healed me since both surgeries took 10 hours each to complete. I started going back to church in 1978 but did not take my walk serious until 1994. I started reading and studying my King James Bible seriously. It was in 1995 that I got the unction to write little snippet's from the King James Bible and distribute them to other Christians that I knew would accept and read the material I had given them. In April 2007 I received the words, Write the Book. And as they say, It is history!

Corrected King James Version Shaun C Kennedy,2020-05 Corrected King James VersionComplete New TestamentThere is a legend that Thomas Jefferson used to take a knife and cut out verses of the Bible that he didn't like. The results of his labor are known through the Smithsonian Museum. He doubted the veracity of the biblical

authors, even though he believed Christ to be a great moral teacher. Jefferson was not the only one to cut things out of his Bible that caused him problems. Martin Luther was famous for wanting to relocate the epistle of James to an appendix. He did manage to find grounded logic by which the could remove the books of the Maccabees from his Old Testament when they were invoked against his problems with indulgences. Most of protestantism has followed him in maintaining Bibles with an Old Testament handed over strictly by Jewish scribes. While I admire Jefferson's and Luther's sincerity, I disagree with their premise. Jefferson and Luther decided what God must have said, then shaped their canon to match. I would rather determine what the canon is and use that to determine what God must have said. I believe that The Holy Spirit has aided and guided the process of biblical development. I'm uncomfortable with some images of inspiration in the popular sphere. The best description I've heard for how inspiration works comes from Plato's dialog Ion. In that, Plato (through the caricature of Socrates) explains that inspiration is like a magnet, and that once it touches a ring of iron, the ring becomes magnetic as well. I believe that God, through the course of living events, touches some of us. When some, particularly the Apostles and Prophets, are in their closest communication with God, their thoughts become divine. When those thoughts come out on ink and paper, that ink and paper becomes (in a sense) embedded with divine thoughts. To borrow an analogy from another great thinker, it is like a map of a great idea. The map is not the ocean. It can't get me wet. I can't sail my boat on it. But if I want to know the safest and best places to get wet or the most efficient way to sail my boat, the map is a better guide than a swimming pool. I really understand where Jefferson and Luther were coming from. I really like bacon with my breakfast, and there was a point in my life that I really had to take some time and put the study in on that issue. After all, the Bible does say, And the swine, though he divide the hoof, and be clovenfooted, yet he cheweth not the cud; he is unclean to you. (Leviticus 11:7) and unlike Jefferson, I was unwilling to just cut that verse out because it was inconvenient. I wanted to know what God actually said, not what I wanted God to have said. I hope this dispels the fear that some could have regarding my project. My aim is more in line with Erasmus than Jefferson. However poorly he got started, Erasmus set out to understand what the Bible said in the original language. So if I still end up having texts that are difficult for me and not having the clarity of text I might hope for, what is the point of creating a Corrected King James Bible? The point is to get just a little bit closer to the magnet of Christ and the Prophets and the Apostles. The point is to bring my ear just a few inches closer to God's lips so I can hear him that much more clearly. I think that the King James translators got it wrong in 1 John 5:7-8. I think that they put words in the Bible that were never supposed to be there, no matter how convenient they are for me. So I'm taking those words out so that I can more clearly hear the words that God has placed in the Bible. My goal is to provide a single translation of God's Word according to the sources that prayer and study has convinced me is the best primary source. Ultimately, I would like to translate all of these myself as well, but in the meantime The Corrected King James gives me a standardized English text to read and study from.
