Your Office Amy S. Kinser,Eric Schmieder,2014-11-04 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. This is a two-workshop book that gives a brief overview of Windows 8.1. Make Microsoft Office, Your Office The Your Office series prepares you to use both technical and soft skills in the real world. Our modern approach weaves the technical content into realistic business scenarios and focuses on using Office as a decision-making tool. Students learn best by doing, so you will be active from page 1. There is plenty of guidance at first, but the case exercises will ask more from you as the book progresses. Innovative features help you progress from a basic understanding to mastery of each application, empowering you to perform with confidence in Windows 8, Word, Excel, Access, and PowerPoint, even on mobile devices. No matter what career path you're on, the Your Office series will give you the foundation to succeed.

The Business Plan Workbook Colin Barrow,Paul Barrow,Robert Brown,2018-02-03 One of the most important steps in launching or expanding a venture is the creation of a business plan. The absence of a written business plan can lead to failure for new businesses, and inhibit growth and development. Based on methodology developed at Cranfield School of Management, The Business Plan Workbook takes a practical approach to the topic of business planning. Perfect for those growing businesses, as well as a range of academic and professional courses, this title takes the reader step-by-step through each phase of the development of a business plan, from creating a competitive business strategy to its writing and presentation. With 29 corresponding assignments that each includes case studies such as Hotmail, Cobra Beer, IKEA and Amazon, actively engaging questions and worksheets, it will enable you to validate your business idea, brand your business, research your market, and raise finance. This new edition includes an additional assignment covering online content, key words, SEO, Social Media, traffic tracking, affiliate marketing and online advertising. With a range of fresh case studies including BrewDog, Chilango and Honest Burgers, this fully updated ninth edition of The Business Plan Workbook is an invaluable and comprehensive guide to all aspects of business planning.

Starting a Business From Home Colin Barrow,2017-08-03 For aspiring entrepreneurs and business owners, the possibilities are limitless. The flexibility, freedom and cost-effectiveness that starting-up in the home offers means that more and more entrepreneurs are choosing this as the best location to agilely launch their business. Starting a Business from Home gives you the valuable advice you need on how to run a successful business from your own desk and, crucially, how to rise to the challenge of business expansion. Packed with practical advice, Starting a Business From Home covers how to research your market, business ownership and titles issues, raising money and managing your finances, building and operating a website, writing a business plan, preparing your accounts, taking your product to market and expanding overseas - all from your home. Exercises, end of chapter actions and technical resources in the appendices mean that this is the ultimate practical guide for home-based entrepreneurs. Case studies from around the world showcase best practice and provide inspirational stories from successful businesses that began in the home.
