Rudyard Kipling Rudyard Kipling,2000 An illustrated collection of twenty-eight notable poems by Rudyard Kipling, with commentary and definitions of unfamiliar words. Includes an introduction about the poet's life and work.

Rudyard Kipling: Something of Myself and Other Autobiographical Writings Rudyard Kipling,1991-06-28 Rudyard Kipling's autobiography, *Something of Myself*, was the author's last work, but it has not received the serious attention it deserves. Thomas Pinney's edition of the work, supplemented by other autobiographical pieces, aims to change that. Professor Pinney, a leading textual editor currently engaged on Kipling's letters, has consulted the available source material relating to *Something of Myself*. He has constructed an outline of the book's composition; described the history of its publication; established a text and a set of variants; and given a critical account of the book's design and its main themes. His annotations to the work (and to the supplementary pieces) identify references and allusions, and provide a biographical context against which Kipling's selections, omissions, and distortions may clearly be seen. The extent to which Kipling's description of his life failed to match what actually happened is extraordinary. Two of the additional items presented here (Kipling's Indian diary of 1885 and the illustrations he made for his autobiographical story, 'Baa Baa, Black Sheep') are previously unpublished. Pinney shows how they, and other forms of autobiographical writing, reflect upon or complicate the narrative of *Something of Myself*. This carefully prepared edition sheds new light on Kipling as a man and writer.

Kipling and the Sea Rudyard Kipling,2014-02-12 KIPLING may be best known as a commentator

on the British Empire, but he was also a vivid observer and chronicler of the sea - and of ships and all who sailed in them. For him the sea was the glue which bound the British Empire together. To reach distant lands, you needed to sail. So Kipling wrote copiously about his own voyages - to India, across the Pacific and Atlantic, down to South Africa and Australia - and about the voyages of others. Sailors were particular heroes of his, as adventurers who braved every kind of element and danger in order to reach distant lands. In writing about them, he was enthralled by the romance of the sea, touching on everything from pirates to technical changes in ships. His output reflected his deep historical understanding, so he could write equally about three sailors reminiscing about their shipwreck with St Paul off Malta in 66ad and a ship on fire in the Indian Ocean. He was also a great advocate of the navy. He wrote about its exploits, customs, history and contemporary role in a variety of different forms. At all stages of his life Kipling peppered his many letters with observations about the sea, encompassing his own voyages and his other nautical interests. Edited and with a commentary by Kipling expert and author of the much praised *Kipling Abroad*, *Kipling and the Sea* illuminates a side of Kipling's work that has for too long languished in the shadows.

The Portable Kipling Rudyard Kipling, 1982-03-25 A Penguin Classic The Portable Kipling contains selections from The Jungle Books and Soldiers Three; more than twenty stories, including "The Man Who Would Be King," "The Cat that Walked by Himself," "The Eye of Allah," and the unsettling "Mary Postgate"; more than fifty poems; and three essays. The volume also includes a complete chronology and a critical introduction by Irving Howe that permits us to see the formal achievements of Kipling's work as well as to enjoy its abundant pleasures—not least of which is the sheer satisfaction of great storytelling.

The Works of Rudyard Kipling: Plain tales from the hills, with a biographical sketch, by Charles Eliot Norton, Rev. ed Rudyard Kipling, 1915

Kipling: Poems Rudyard Kipling, 2013-10-23 Beloved for his fanciful and engrossing children's literature, controversial for his enthusiasm for British imperialism, Rudyard Kipling remains one of the most widely read writers of Victorian and modern English literature. In addition to writing more than two dozen works of fiction, including *Kim* and *The Jungle Book*, Kipling was a prolific poet, composing verse in every classical form from the epigram to the ode. Kipling's most distinctive gift was for ballads and narrative poems in which he drew vivid characters in universal situations, articulating profound truths in plain language. Yet he was also a subtle, affecting anatomist of the human heart, and his deep feeling for the natural world was exquisitely expressed in his verse. He was shattered by World War I, in which he lost his only son, and his work darkened in later years but never lost its extraordinary vitality. All of these aspects of Kipling's poetry are represented in this selection, which ranges from such well-known compositions as "Mandalay" and "If" to the less-familiar, emotionally powerful, and personal epigrams he wrote in response to the war.

Kipling's India: Uncollected Sketches 1884-88 Rudyard Kipling, 1986-06-18

The Letters of Rudyard Kipling R. Kipling, 1990 Kipling's letters, never before collected and edited and largely unpublished, are now presented in an annotated edition based on the more than 6,000 letters preserved in public and private collections all over the world. Planned in an edition of four volumes, the Letters reveal Kipling with a fullness and immediacy of detail unmatched by any other source. The first two volumes present the first half of Kipling's life, down to the end of the nineteenth century. They show the remarkable transformation of the young schoolboy into the seasoned Indian journalist, and the even more remarkable transformation of the Indian journalist into the famous writer, the most dazzling literary success of the 1890s. Kipling's hard years of apprenticeship, his restless travels and eager encounters with cities and men, his triumphant struggles in the literary wars, are all vividly set forth. The Letters also take Kipling through his marriage and the births of his children, through the mingled happiness and distress of his American years, to the tragedy of his daughter's death at the very highest moment of his literary fame.

Rudyard Kipling, 2015-08-27 This carefully crafted ebook: Complete Novels of Rudyard Kipling: The Light That Failed + Captain Courageous: A Story of the Grand Banks + Kim + The Naulahka: A Story of West and East (Illustrated) is formatted for your eReader with a functional and detailed table of contents. *Stalky & Co.* is a novel about adolescent boys at a British boarding school. Reflecting its origins, the novel is episodic in nature, with self-contained chapters. It is set at an unnamed school referred to as the College or the Coll., which is based on the United Services College in Devon, which Kipling attended. The character Beetle, one of the main trio, is partly based on Kipling himself, while the charismatic character Stalky is based on Lionel Dunsterville, M'Turk is based on George Charles Beresford and Mr King is based on William Carr Crofts. *Kim* is an adventure novel about the orphaned son of an Irish soldier and a poor Irish mother who have both died in poverty. Living a vagabond existence in India under British rule in the late 19th century, Kim earns his living by begging and running small errands on the streets of Lahore. *Captains Courageous* follows the adventures of fifteen-year-old Harvey Cheyne Jr., the spoiled son of a railroad tycoon, after he is saved from drowning by a Portuguese fisherman in the north Atlantic. *The Light That Failed* is a psychological novel. Most of the novel is set in London, but many important events throughout the story occur in Sudan or India. *The Light that Failed* follows the life of Dick Heldar, a painter who goes blind. *Naulahka: A Story of East and West*, is an adventure novel, the story of a priceless Indian jewel. Joseph Rudyard Kipling (1865-1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children.

Selected Poems Rudyard Kipling, 2006-06-29 Rudyard Kipling (1865-1936) is often regarded as the unofficial Laureate of the British Empire. Yet his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary tendencies of his age. Arranged in chronological order, this diverse selection of his poetry shows the development of Kipling's talent, his deepening maturity and the growing sombreness of his poetic vision. Ranging from early, exhilarating celebrations of British expansion overseas, including 'Mandalay' and 'Gunga Din', to the dignified and inspirational 'If -' and the later, deeply moving 'Epitaphs of the War' - inspired by the death of Kipling's only son - it clearly illustrates the scope and originality of his work. It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the twentieth century.

Kipling Rudyard Kipling, James Cochrane, 1977 The poems and ballads of Kipling, who spent many years in India, give an authentic account of the British Empire. Many of the phrases coined by Kipling have passed into our common speech.

Captains Courageous Rudyard Kipling, 1941-01-01 Life amongst the fishermen working off the Newfoundland coast.
