**The Midnight Miners** Angela Sue Johnson, 2007-11 I will send you the comforter.-John 15:26 The midnight shift, at Hickory Hill Deep Mine #1, began as it had every time before that brisk November night; however, it ended like no other. The mine's midnight shift employed thirteen men, all with fitting nicknames: Hogg, Patch, Junior, Stump, Banjo, Smokin' Joe, Mule, Logger, Big Cheese, Shooter, Doc, Chewy, and Wheels. Nightly they endured the rough, raw, and extreme conditions well below the Earth's surface, relying on brotherhood, skill, and the grace of God to survive. On that fateful night, the miners were led in by Hogg and out by Big Cheese-but not before being met in the middle by the Grim Reaper. A section of the mine's roof collapsed, which left them to walk miles to safety without power and battle the shortage of pure air, the gushing water, and the unstable mine surroundings. Each man was willing to risk his own life to save another, as this is the unspoken assurance of one trusted coal brother to the next. This heartfelt novel celebrates the irrepressible humor, honor, loyalty, and heroics-even in the face of misery and tragedy-of the spirited coal mining brotherhood.

**Brush Cat** Jack McEnany, 2009-03-17 A Year in the Woods Brush Cat recounts a year in the life of men who perform one of the most dangerous jobs in America—logging New England's vast forests for timber used in hundreds more ways than most of us realize, from houses to furniture to paper to electricity. In the spirit of John McPhee and Tracy Kidder, we meet an unforgettable cast of characters; feel their pain and exultation, and come to realize the centrality of wood in all of our lives. While they are first and foremost loggers cutting down trees, they are also ardent and effective conservationists who depend on healthy, intact forests for their long-term survival. True, some loggers are wood pirates, but most are pragmatic environmentalists, always asking the question: How do we keep this crop alive and thriving forever? The narrative moves deftly from useful tips on how not to lose body parts to a chain saw, through the terror of huge trees that fall the wrong way, to inconsistent and wrong-headed government forest management. It explores the worldwide demand for wood and wood chips, as well as the effect of climate change on the forest, and traces the money that keeps it all moving. Brush Cat clears the branches to reveal a hidden and fascinating world.

Kitty and Mr. Kipling, 2005 Writer Rudyard Kipling's ill-fated attempt to settle down in his American wife's small Vermont town gets a worshipful once-over through the eyes of (fictional) young Mary Sadie dubbed Kitty by her father after the cat killed by curiosity. It's an appropriate moniker, as Kitty is forever asking questions of her parents and other grownups a device the author leans on heavily to describe and to explain events that take place, largely, offstage. Kipling's efforts to help out a ne'er-do-well brother-in-law end in criminal charges and ultimately drive the writer back to England. Before he goes, though, he makes a big impression on Kitty, as a sensitive observer with his own bottomless well of curiosity: Nothing, she writes, was just ordinary to Mr. Kipling. Occasional ink drawings place dignified characters in peaceful rural settings. Though weighed down by an excess of historical detail (not to mention a substantial afterword and bibliography), the tale does bring this great writer closer to his modern audience of Best Beloveds, without idealizing either the man or his now-offensive politics. **Here, Kitty! Kitty! Kitty!** Jennifer Scott North, 2019-09-26 This is a series of short stories written from the imagined thoughts and minds of the three little kittens who so briefly became a part of our household. Their adventures and antics provided them with many hours of fun. Their interactions with each other as well as members of the household provides a comical look into the minds of kittens as observed by the author. This work of fiction is based on the facts gathered from the author's own imagination as well as incidents that really happened in the lives of these kittens. It is hoped you enjoy reading the stories as much as the author enjoyed writing them.

**Cat-a-log** Purrcy B. Shelley, 1983 A collection of short stories, poems, and humorous sketches about cats, by authors ranging from Rudyard Kipling to Robert Heinlein.
