Little Britches Ralph Moody,1991-01-01 Ralph Moody was eight years old in 1906 when his family moved from New Hampshire to a Colorado ranch. Through his eyes we experience the pleasures and perils of ranching there early in the twentieth century. Auctions and roundups, family picnics, irrigation wars, tornadoes and wind storms give authentic color to Little Britches. So do adventures, wonderfully told, that equip Ralph to take his father's place when it becomes necessary. Little Britches was the literary debut of Ralph Moody, who wrote about the adventures of his family in eight glorious books, all available as Bison Books.

The Culture of Animals in Antiquity Sian Lewis,Lloyd Llewellyn-Jones,2018-01-09 The Culture of Animals in Antiquity provides students and researchers with well-chosen and clearly presented ancient sources in translation, some well-known, others undoubtedly unfamiliar, but all central to a key area of study in ancient history: the part played by animals in the cultures of the ancient Mediterranean. It brings new ideas to bear on the wealth of evidence - literary, historical and archaeological - which we possess for the experiences and roles of animals in the ancient world. Offering a broad picture of ancient cultures in the Mediterranean as part of a wider ecosystem, the volume is on an ambitious scale. It covers a broad span of time, from the sacred animals of dynastic Egypt to the imagery of the lamb in early Christianity, and of region, from the fallow deer introduced and bred in Roman Britain to the Asiatic lioness and her cubs brought as a gift by the Elamites to the Great King of Persia. This sourcebook is essential for anyone wishing to understand the role of animals in the ancient world and support learning for one of the fastest growing disciplines in Classics.

JACOB'S STORY Mat Gardener,2014-04-27 Featuring a donkey ride owner called Billy and a lame donkey called Jacob, this story aims to show that any disabilities or handicaps can be overcome, (even if they are physical ones). Jacob proves to be something of a burden to to start off with. In the longer term however, he comes to be a far bigger asset than Billy could ever have imagined, owing to a unique set of circumstances. As the story unfolds Jacob becomes something of a hero and the resultant publicity is enough to change both their lives forever in a very positive way. There is one final drama for them to both overcome before they can wholly benefit from their circumstances however Besides being a story of hope, this story also seeks to show readers/listeners how being pleasant and good natured, often pays great dividends in the long-term, whereas being unpleasant and intolerant, generally has the reverse effect and can be a real disadvantage in life. It has been designed to inspire and give comfort to young people faced with seemingly overwhelming difficulties in life, (including physical disabilities).

#CincoDeMayo I. D. Oro,2017-03-19 María a 17yr old is in love with José the dashing captain of her two brother's cavalry unit. Her father Abraham has made a deal with Francisco to marry María in exchange for the post of governor of Durango. THE STORY OF A DONKEY MME DE SEGUR,1903

Djeha, the North African Trickster Christa C. Jones,2023-08-16 Djeha—also known as Juha, Jeh'a, and Ch'ha, among many variations—is an iconic figure, the trickster hero of an oral folktale tradition that has existed for centuries. The famous Maghrebian prankster is a poor, cunning, and resourceful character that delights in immoral behavior. Orientalists Auguste Mouliéras (1855-1931) and René Basset (1855-1924) were among the first Frenchmen to collect and translate popular Berber folktales. Today, trickster folktales from Algeria's mountainous Kabylia region are not well known in the Anglophone world, even though they continue to be highly popular in France and in North Africa. Djeha, the North African Trickster is an annotated, critical translation of Auguste Mouliéras's folktale collection *Les Fourberies de Si Djeh'a*, first published in French in 1892. The volume contains sixty tales and an in-depth introduction in which Christa C. Jones discusses jocular literature in Islam, the widespread oral folktale tradition linked to Djeha and his Turkish twin brother Nasreddin Hoca, and the impact of colonialism on the gathering and dissemination of the tales. The trickster is at the center of six themed chapters: "Family and Kinship"; "Animal Tales; "Faces, Places, or Daily Life in the Village; "Foodways"; "The Intricacies of Hospitality: Beware of Friends and Foes!; and "Religion, Death, and the Afterlife." Each chapter contains ten folktales preceded by a short introduction that contextualizes the pieces using historical, folkloristic, literary, and ethnographical sources. Ultimately, the book contributes to the preservation of an ancestral oral heritage, delivering this enduring character to new audiences.

Shhh... the Donkey's Trying to Speak James Ogden,2023-02-09 There was a man in the Bible who was so obsessed with what he thought God wanted him to do that God had to use a donkey to speak to him and warn him so that an angel would not have killed him. The strange thing was, though, when the donkey was speaking to him, instead of him being amazed at the fact the donkey was speaking, he started arguing with, even threatening to kill the donkey. In this book, James brings out the many different ways God has used in his life and ministry to speak to us and get us in the right direction. It's not hard to hear God's voice. We just need to learn to listen. Be careful, that donkey you keep hearing just may be the Lord's way of getting your attention.

African Theatres & Performances Osita Okagbue,2013-05-13 African Theatres & Performances looks at four specific performance forms in Africa and uses this to question the tendency to employ western frames of reference to analyze and appreciate theatrical performance. The book examines: masquerade theatre in Eastern Nigeria the trance and possession ritual theatre of the Hausa of Northern Nigeria the musical and oral tradition of the Mandinka of Senegal comedy and satire of the Bamana in Mali. Osita Okagbue describes each performance in detail and discusses how each is made, who it is made by and for, and considers the relationship between maker and viewer and the social functions of performance and theatre in African societies. The discussions are based on first-hand observation and interviews with performers and spectators. African Theatres & Performances gives a fascinating account of these practices, carefully tracing the ways in which performances and theatres are unique and expressive of their cultural context.

Through Mary's Eyes Claire A. Patterson M. Ed.,2011-08-17 Through Mary's Eyes is an engaging story about the final days of the Blessed Virgin's life on earth. During those days she tells others about her son, Jesus. She answers questions such as: How did John the Baptist survive the slaughter of the innocent babes? Why did an obedient twelve-year old son leave his parents for three days? How did Luke, who was not a Jew or an apostle, know

so much about Jesus? Why was Jesus reluctant to perform his first miracle at the wedding feast in Cana? What did Mary experience when Jesus was being scourged? What did Mary do after Jesus ascended into heaven?"
