Sooner Than You Think K. Michelle, 2019-06-26
Mackenzie When I first met Ryland Bennett, I was a blubbering mess. When I, quite literally, ran into him the second time, he took me to the ER. When we had seen each other the third time, that was our moment. The one that changed both of our lives. The last 6 years have been the most difficult, and lonely, of my life. Moving to Charleston to help open a bakery, that my best friend Talia had started, was the only thing keeping me going after tragedy had struck. Then I met Ryland, and I don't think falling in love had ever been easier. But as quickly as we fell in love, the end was dangling in front of us. A clock counting down. Both of us staring down the barrel of a gun, unsure if it was loaded, with a finger on the trigger. I had to learn quickly that if you want something bad enough, you have to fight for it. Ryland Moments. Life is all collective moments in time that define you. And I've gone through several in my life that have changed me. Some for the worse, some for the better. Mackenzie was a better. Actually, she was the best moment ever brought into my life. Just like every one of my moments with her have been. These are the ones I find

myself hanging onto with every fiber of my soul now. Because the good things in life are taken away sooner than you think.

Reading With Patrick Michelle Kuo, 2017-07-25 A memoir of race, inequality and the power of literature told through the life-changing friendship between an idealistic young teacher and her gifted student who was jailed for murder in the Mississippi Delta. As a young English teacher keen to make a difference in the world, Michelle Kuo took a job at a tough school in the Mississippi Delta, sharing books and poetry with a young African-American teenager named Patrick and his classmates. For the first time, these kids began to engage with ideas and dreams beyond their small town, and to gain an insight into themselves that they had never had before. Two years later, Michelle left to go to law school; but Patrick began to lose his way, killing a man and facing a lengthy jail sentence. And that's when Michelle decided that her

work was not done, and began to visit Patrick once a week, and soon every day, to read with him again. Finely written in the very best tradition of American long-form narrative, *Reading with Patrick* is a story of hope, redemption and the power of books to transform – and even to save – a life.

The Book of Human Skin Michelle Lovric, 2010-04-05 The book of human skin is a large volume with many pages of villainy writ upon it. There are people who are a disease, you know. 13 May, 1784, Venice: Minguillo Fasan, heir to the decaying, gothic Palazzo Espagnol, is born. Yet Minguillo is no ordinary child: he is strange, devious and all those who come near him are fearful. Twelve years later Minguillo is faced with an unexpected threat to his inheritance: a newborn sister, Marcella. His untempered jealousy will condemn his sister to a series of fates as a cripple, a madwoman and a nun. But in his insatiable quest to destroy her, he may have underestimated his sister's ferocious determination, and her unlikely allies who will go to extraordinary lengths to save her...

Open Borders Inc. Michelle Malkin, 2019-09-10 Follow the money, find the truth. That's Michelle Malkin's journalistic mantra, and in her stunning new book, *Open Borders Inc.*, she puts it to work with a shocking, comprehensive exposé of who's behind our immigration crisis. In the name of compassion—but driven by financial profit—globalist elites, Silicon Valley, and the radical Left are conspiring to undo the rule of law, subvert our homeland security, shut down free speech, and make gobs of money off the backs of illegal aliens, refugees, and low-wage guest workers. Politicians want cheap votes or cheap labor. Church leaders want pew-fillers and collection plate donors. Social justice militants, working with corporate America, want to silence free speech they deem "hateful," while raking in tens of millions of dollars promoting mass, uncontrolled immigration both legal and illegal. Malkin names names—from Pope Francis to George Clooney, from George Soros to the Koch brothers, from Jack Dorsey to Tim Cook and Mark Zuckerberg. Enlightening as it is infuriating, *Open Borders Inc.* reveals the powerful forces working to erase America.

The Seismic Shift in Leadership: How to Thrive in a New Era of Connection Michelle K. Johnston, 2022-02-22 THE OLD LEADERSHIP CHARACTERISTICS OF POWER, CONTROL, AND FEAR ARE BECOMING MORE AND MORE OBSOLETE.

Authenticity, compassion, and alignment are the new paths to leadership success. A leader's new power lies in their ability to

connect. Whether you're the coach of a sports team, a nonprofit executive, the president of your family's business, or leading a small organization or a Fortune 500 company, the secret sauce lies in your ability to connect. While leaders might consciously understand that connection is important, they don't necessarily know how or what to do. In *The Seismic Shift in Leadership*, author Dr. Michelle K. Johnston compiles her years of experience as an executive coach and business professor with the voices of eighteen leaders at large and small organizations across North America, South America, and Europe to empower you to project your authentic leadership style, to show compassion to your team, and to align yourself with your company.

I'm the Girl Who Was Raped Michelle Hattingh, 2017-09-29 That morning, Michelle presented her Psychology honours thesis on rape. It began: A woman born in South Africa has a greater chance of being raped than learning how to read... That evening, celebrating her degree, she and a friend go to the beach, where they are both robbed, assaulted and raped. Within minutes of getting help, Michelle realizes she'll never be herself again. She is now the girl who was raped. This book is Michelle's fight to be herself again. Of the taint she feels, despite the support and resources at her disposal as the child of a successful middle-class family. Of the fall-out to friendships, job, identity. It's Michelle's brave way of standing up for the many women in South Africa, and around the world, who are raped every day.

Sanctum K Michelle, 2020-02-23 Do I scare you, Little One? Do I make your knees shake and hands tremble? Does your heart race and your lips quiver around me? I'm your worst nightmare, lurking in the black oblivion that surrounds you. Always watching. Always waiting. They call me Priest, and I'll make you repent for

your sins. But I won't be able to protect you from mine. Do I scare you, Cohen? Does my mere presence heighten your pulse and warm the blood in your veins? Do I stir the deepest parts of you? The parts you buried deep inside long ago? Admit it, Cohen, I'm a thrill, scattered within the deepest layers of your mind. Always tempting. Always enticing. You found me in the woods. You were a danger, and I was naïve. But now I want the wolf that hunts me. Call it a truce. Call it a surrender. He needs justice. I need answers. It's us against them. Cohen may have claimed me, but Sanctum wants to own me. They plan on collecting. But so am I .**Includes themes of graphic violence**
