Lanzarote Travel Guide–Attractions, Eating, Drinking, Shopping & Places to Stay Steve Jonas,2014-04-01 Lanzarote is a popular holiday destination in the Atlantic Ocean and it is the fourth largest Canary Island (after Fuerteventura, Tenerife and Gran Canaria). It is located about 1000 km from mainland Spain and 127 km from the African coast. As a part of Spain, it retains an upscale, European feel. With 800 million years of history, Lanzarote is the oldest island within the Canary Islands archipelago. The

easternmost Canary Island, Lanzarote is known for its widespread volcanic terrain (a tourist attraction in itself) formed by extensive volcanic activity in the early 18th century. In 1993, the United Nations Education Culture and Science Organization (UNESCO) protected Lanzarote by naming the island a biosphere reserve.

Lanzarote Michel Houellebecq, 2016-08-18 Realising that his New Year is probably going to be a disaster, as usual, our narrator, on impulse, walks into a travel agency to book a week in the sun. Sensitive to his limited means and dislike of Muslim countries, the travel agent suggests an island full of 21st century hedonism, set in a bizarre lunar landscape - Lanzarote. On Lanzarote, one can meet some fascinating human specimens, notably Pam and Barbara - 'non-exclusive' German lesbians - who can give rise to some interesting combinations. Will they succeed in seducing Rudi, the police inspector from Luxembourg, currently living in exile in Brussels? Or will he join the 'Azraelian' sect, as they prepare for humanity to be regenerated by extra-terrestrials? As for our narrator, will he consider his week's holiday on the island a

success?

Critically review the 15 Cs in the context of the marketing of an international tourist destination: Lanzarote Dilara

Torun,2011-12-06 Essay from the year 2011 in the subject Tourism

- Miscellaneous, grade: Merit, Bournemouth University, language: English, abstract: Strategic tourism marketing analyses future issues and challenges on the tourism market. The objective of this analysis is to define innovative marketing strategies for tourism products in order to be successful on the market. A tourist destination is an integrated tourism product which needs well defined marketing strategies. Only a continuous analysis, definition and implementation of strategies help tourist destinations to gain a competitive advantage. Popular destinations for tourist holidays are islands. Trivago (2009), a tourism website, has launched a ranking of the “10 most popular islands of Europe“. Seven of the ten islands are Spanish: Mallorca, Gran Canaria, Tenerife, Ibiza, Fuerteventura, Menorca and Lanzarote. For this essay the defined international tourist destination will be Lanzarote. This island is famous for its unique volcanic landscape and its biosphere reserve. Personally, Lanzarote is my favourite travel destinations due to family reasons. In the context of marketing, the following five of fifteen Cs of the destination Lanzarote will be critically reviewed: Crisis, Customers, Communication, Competition and Commodification. The review of these aspects will show how

tourism marketing is applied and which strategies are implemented for Lanzarote to overcome different challenges on the tourism market and stay an attractive and successful tourist destination.
