Brilliant, Crazy, Cocky Sarah Lacy, 2011-01-06 An unforgettable portrait of the emerging world's entrepreneurial dynamos Brilliant, Crazy, Cocky is the story about that top 1% of people who do more to change their worlds through greed and ambition than politicians, NGOs and nonprofits ever can. This new breed of self-starter is taking local turmoil and turning it into opportunities, making millions, creating thousands of jobs and changing the face of modern entrepreneurship at the same time. To tell this story, Lacy spent forty weeks traveling through Asia, South America and Africa hunting down the most impressive up-and-comers the developed world has never heard of....yet. The individuals profiled in Brilliant, Crazy, Cocky are distinct products of their own cultures, yet they share that same unmistakable cocktail of delusion, ambition, and brilliance that drove Bill Gates, Fred Smith, Donald Trump, and every other iconic American entrepreneur of the last few decades.

Win the Game of Googleopoly Sean V. Bradley, 2015-01-20 Rank higher in search results with this guide to SEO and content building supremacy Google is not only the number one search engine in the world, it is also the number one website in the

world. Only 5 percent of site visitors search past the first page of Google, so if you're not in those top ten results, you are essentially invisible. Winning the Game of Googleopoly is the ultimate roadmap to Page One Domination. The POD strategy is what gets you on that super-critical first page of Google results by increasing your page views. You'll learn how to shape your online presence for Search Engine Optimization, effectively speaking Google's language to become one of the top results returned for relevant queries. This invaluable resource provides a plan that is universal to any business in any industry, and provides expert guidance on tailoring the strategy to best suit your organization. Coverage includes an explanation of the mechanics of a search, and how to tie your website, paid ads, online reputation, social media, content, images, and video into a winning SEO strategy that pushes you to the front of the line. The Page One Domination strategy incorporates all the ways in which you can beef up your Internet presence and online reputation. This book is a clear, straightforward guide that will knock down the silos of the Internet and teach you exactly how to integrate all aspects of content creation into a synergistic, SEO strategy. Understand how search engines return results Design an effective, all-encompassing SEO strategy Create the content that gets page views and improves rank Optimize social media and video as part of an overall SEO plan The rules of SEO are always changing, and following outdated rules can actually work against you, burying you at the bottom of the pile. This book will spark a paradigm shift in how you think about SEO and gives you the tools you need to craft a strategy tailored to your specific market. To be successful, you need to be on page one of Google, and Winning the Game of Googleopoly can show you how to get there.

Making Short Films, Third Edition Max Thurlow, Clifford Thurlow, 2013-07-18 Fully revised and updated practical and inspirational guide for students and independent film-makers, describing and explaining the whole process - from creating an original or adapted script, through producing, directing and editing, to finance and distribution.

Making Short Films, Third Edition Clifford Thurlow, Max Thurlow, 2013-05-25 Making movies is the most exciting way to earn a living and it is not surprising that media and film studies remain the most popular courses at colleges across the western world. A short film provides an opportunity for elliptical, poetic, condensed story telling. Shorts can take risks rarely seen in features. It is the arena where a strong voice or individual vision is possible; an invitation for experimentation and originality. Making Short Films, 3rd edition is entirely revised and restructured, providing a much more complete and detailed guide to filmmaking, with more information on new technology, illustrations and ideas for best practice.

This essay collection by recognized scholars, practitioners and non-academic writers opens discussion in exciting new directions.

Journal of New Communications Research - Vol. II/Issue 1 - Spring/Summer 2007 ,

Oasis Laureen Vonnegut, 2006 Exiled from an impoverished Russian childhood by her desperate mother in order to give her a new life, Lili is sold to become a wife-in-training - ultimately purchased by a Moroccan man for whom she feels nothing but hatred. When their treacherous relationship explodes on a remote road in the conflict-torn Sahara, Lili pitches herself into what she hopes will be the end of this miserable life - only to reemerge into an oasis of inscrutable characters that is desired by hostile forces for the secrets buried under its sand. Blistered and barefoot in her torn gown, Lili brazenly stands six-feet tall in front of her rescuers, who can only assume that she is either an angel or the mythical djenni, come to destroy their haven. But Midhat, the putative owner of the oasis sees her for what she is: a commodity worth owning long enough to use for his own advancement. As Lili slowly pieces together the events and personalities flying around her, she also mulls over her past misfortunes and yearns for what she calls her third death, the one that will erase for good the creature she has become at the hands of Madame Mer, a cunning flesh monger. As the daily intrigues and secret betrayals of her tiny outpost of humanity become clearer, Lili discovers that the only way out is to find a way back into the world through

these similarly fractured souls.
