Uncovering the Logic of English: A Common-Sense Solution to America's Literacy Crisis Denise Eide, 2011-01-27 English is so illogical! It is generally believed that English is a language of exceptions. For many, learning to spell and read is frustrating. For some, it is impossible... especially for the 29% of Americans who are functionally illiterate. But what if the problem is not the language itself, but the rules we were taught? What if we could see the complexity of English as a powerful tool rather than a hindrance? --Denise Eide *Uncovering the Logic of English* challenges the notion that English is illogical by systematically explaining English spelling and answering questions like Why is there a silent final E in have, large, and house? and Why is discussion spelled with -sion rather than -tion? With easy-to-read examples and anecdotes, this book describes: - the phonograms and spelling rules which explain 98% of English words - how English words are formed and how this knowledge can revolutionize vocabulary development - how understanding the reasons behind English spelling prevents students from needing to guess The author's inspiring commentary makes a compelling case that understanding the logic of English could transform literacy education and help solve America's literacy crisis. Thorough and filled with the latest linguistic and reading research, *Uncovering the Logic of English* demonstrates why this systematic approach should be as foundational to our education as $1+1=2$.

So You Really Want to Learn English Book 1 Susan Elkin, 2005-08-26 Offers a set of answers to the exercises in *So You Really Want to Learn English* 1. English Made Easy Volume One Jonathan Crichton, Pieter Koster, 2013-02-05 This is a fun and user-friendly way to learn English *English Made Easy* is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress effortlessly from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. *English Made Easy, Volume 1* consists of a total of 20 units arranged in groups of five. The first four units present language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with a pronunciation guide. At the end of each unit, an entertaining story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

I Want to Learn English Jose Torres, 2016-02-02 *I Want To Learn English* is a phonics based, beginner level textbook for Adult and High School English Language Learners. It was developed to enhance the English learning experience using phonics lessons side by side with grammar components, contextual activities, and comprehensive, real-world conversations. With over five years of trials and hundreds of students prior to its publication, *I Want To Learn English* has proven to be one of the most effective English learning tools for English language programs, Refugee resettlement centers, individual students and English language learners who want to understand English starting at the basic level. The use of this textbook by Basic English Skills Programs has resulted in surging CASAS scores, student retention, and overall satisfaction with courses taught using its methodical and comprehensive strategies. Throughout the textbook, there are audio components, which are conveniently available online at www.iwtle.podbean.com. Students (and instructors) can download the PodBean app and have full access to all 79 tracks corresponding with the lessons and assessments associated with this textbook. For more information, visit www.iwtle.com.

How to Get Really Good at English Polyglot Language Learning, 2019-03-21 Millions of people learn English but only a very small percentage of learners can actually speak it fluently. Why is that? People in general are quick to point out that some are naturally built more than others to learn English and other languages. This is not necessarily true, however, since we have all come to learn and speak our native language fluently. If you find yourself overwhelmed trying to study and review thousands of English grammar rules and vocabulary words or are struggling to speak English with native speakers, try this book! This is not a basic English for beginners textbook designed to teach American English or British English but a book that will teach you how to learn English the smart way and get you to fluency faster using highly effective language learning methods and techniques. There exists hundreds of English language coursebooks, English grammar books, and basic English for beginners textbooks, but without smart language learning techniques and strategies, you are likely to forget what you have studied and reviewed and especially during a conversation. There exists an easier and more fun way to build your overall English language ability. In *How to Get Really Good at English*, discover how you can easily conquer the English language using highly effective methods and strategies used by polyglots (language learning experts). This includes both American English and British English. These methods and techniques can even be used to learn English grammar, vocabulary, and phrases from TV shows, movies, videos, music, and video games. Learn English smarter and faster starting today!

SMART WAY OF LEARNING ENGLISH Surender Kumar, 2020-12-08 Learn more, learn fast, and learn confidently. If you do that then you will be a fluent speaker. Don't think about the past. Instead, think about the present and the future because they are in your hand. Learning English is hard to those people who are afraid of learning it and easy for those who think learning English is fun. People who want to be successful, who want to be better, and have great ambitions in life, they will have to put some efforts to get what they want. This book is for those people who want to learn English but are afraid because they think that it is very hard. But in real it is not as hard as they think. They start learning English with old methods and when these methods don't work, they stop. Nothing is impossible if you have determination to learn, if you have strong interest in it, and if you have great potential. Yes, everything is possible. I have mentioned easy methods which are useful to those who want to learn English. If you read this book, I assure you that these methods will help you learn English faster. The methods and the ways I have mentioned in this book will transform your perception towards English. If you think – Learning English is funny, simple, and exciting. You can speak like native speaker. Learning grammar is not necessary to speak English. It is as easy as your own language. It is very interesting to learn English. – then this book will be your best choice. It is written in easy language. Everyone can understand it without any difficulty. In this book, Surender Sharma will tell you the best and easiest methods of learning English. If you learn this book, you will find it more interesting, entertaining, and motivational. I am sure it will be very beneficial for you if you learn it.

500 Ways to Learn English Vinit Kapoor, 2022-01-06 **WARNING** Do not read this book if you want to learn English speaking through tenses or translation. “If you don't speak English at all.....you can make a super-start with this book. If you dread tricky grammar rules.....you can learn it here in a practical way. If you want to go to level next in English.....this is the book for you.” After training thousands of students in English communication over last 15 years, the master communication trainer & social media influencer, Vinit Kapoor, brings out the best from his collection of tricky daily use conversational sentences in this must-read book. Many of these sentences were asked by the learners while taking live training which makes the content highly relatable. After bidding adieu to his plush corporate job, author started finding a solution to a ubiquitous problem of poor communication skills among the majority of college pass-outs, professionals, housewives & businessmen. He could relate to it well because he had faced the same challenges during his college days. Through this book he aims at providing a practical solution to the problem of poor English communication. Inside the book you will find all the tools that will set you on the path to being a fluent English speaker. This book contains more than 500 daily use sentences, each followed by a grammar concept, related phrase or sentence or some interesting fact about the English language. Overall, it will make you fall in love with English. Start your journey of English speaking with this masterpiece!

This book: • Can an be used either by self-learners or in a classroom • Is based on modern concepts of second language acquisition • Deals with linguistic challenges and cultural aspects from a South Asian perspective

Learn English Bakari Akil II, Ph.D.,2017-10-02 Two of the hardest things to master when learning a language is learning how to talk and understanding what is being said. Reading and writing, it can be argued, is easier to control simply because you have more time. A language learner can refer to a dictionary, use an app to find out a meaning or can sit and think when reading and writing. When face to face with another speaker, very little time is available. Either you know it or you don't. That is where Learn English comes into play. It is loaded with conversations, on many subjects, that people encounter in their daily lives. From when you wake up until you sleep, Learn English: Conversations for Fluency can help. Just like in our series, Easy English, in Learn English you'll find: - 50 different conversations - 10 types of conversations - Short conversations to aid in memorization - Unique and interesting material with basic conversations; and - Sentences constructed (mostly) in the present tense By reading these conversations you can learn how to respond in multiple situations and you can take what you learn and mix and match them for the future. By revisiting what you learn from time to time, the conversations will become a permanent part of your tool kit you can use when speaking with others. This book can also be used for classrooms, conversation classes, language meet-ups and among friends and family that want to improve their English skills. You will be surprised by what you learn and how using this book will increase your fluency.

Learning English as a Foreign Language For Dummies Gavin Dudeney,Nicky Hockly,2012-01-24 Do you know a bit of English, and want to improve without a teacher?
