Hacking Chinese Olle Linge, 2016-03-26 Learning Chinese can be frustrating and difficult, partly because it's very different from European languages. Following a teacher, textbook or language course is not enough. They show you the characters, words and grammar you need to become proficient in Chinese, but they don't teach you how to learn them! Regardless of what program you're in (if any), you need to take responsibility for your own learning. If you don't, you will miss many important things that aren't included in the course you're taking. If you study on your own, you need to be even more aware of what you need to do, what you're doing at the moment and the difference between them. Here are some of the questions I have asked and have since been asked many times by students: How do I learn characters efficiently? How do I get the most out of my course or teacher? Which are the best learning tools and resources? How can I become fluent in Mandarin? How can I improve my pronunciation? How do I learn successfully on my own? How can I motivate myself to study more? How can I fit learning Chinese into a busy schedule? The answers I've found to these questions and many others form the core of this book. It took eight years of learning, researching, teaching and writing to figure these things out. Not everybody has the time to do that! I can't go back in time and help myself learn in a better way, but I can help you! This book is meant for normal students and independent language learners alike. While it covers all major areas of learning, you won't learn Chinese just by reading this book. It's like when someone on TV teaches you how to cook: you won't get to eat the delicious dish just by watching the program; you have to do the cooking yourself. That's true for this book as well. When you apply what you learn, it will boost your learning, making every hour you spend count for more, but you still have to do the learning yourself. This is what a few readers have said about the book: The book had me nodding at a heap of things I'd learnt the hard way, wishing I knew them when I started, as well as highlighting areas that I'm currently missing in my study. - Geoff van der Meer, VP engineering This publication is like a bible for anyone serious about Chinese proficiency. It's easy for anyone to read and written with scientific precision. - Zachary Danz, foreign teacher, children's theatre artist About me I started learning Chinese when I was 23 (that's more than eight years ago now) and have since studied in many different situations, including serious immersion programs abroad, high-intensity programs in Sweden, online courses, as well as on the side while working or studying other things. I have also successfully used my Chinese in a graduate program for teaching Chinese as a second language, taught entirely in Chinese mostly for native speakers (the Graduate Institute for Teaching Chinese as a Second Language at National Taiwan Normal University). All these parts have contributed to my website, Hacking Chinese, where I write regularly about how to learn Mandarin.

Learning Mandarin Chinese Characters Volume 1 Yi Ren, 2017-02-28 Reinforce your written Chinese with this practice book for the best-selling Tuttle Learning Chinese Characters. Learning Mandarin Chinese Characters helps students quickly learn the basic Chinese characters that are fundamental to the language. Intended for self-study and classroom use, this character workbook presents 178 Chinese characters and over 534 common words using these characters. These are the characters and words students need to know if they plan to take the official Chinese government HSK Level 1 Exam or the Advanced Placement (AP) Chinese Language and Culture Exam. Each character is presented in a very simple and clear way. A step-by-step diagram shows how to write the character, and boxes are provided for freehand writing practice. The meaning and pronunciation are given along with the key vocabulary compounds and an example sentence. Review exercises reinforce the learning process and an index at the back allow you to look up the characters according to their English meanings or romanized Hanyu Pinyin pronunciation. Key features of this Chinese workbook include: Designed for HSK Level 1 and AP exam prep Learn the 178 most basic Chinese characters Example sentences and over 534 vocabulary items Step-by-step writing diagrams and practice boxes

Tuttle Learning Chinese Characters Alison Matthews, Laurence Matthews, 2011-12-20 This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last—there is a truly effective and enjoyable way to learn Chinese characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. Key principles include the use of visual imagery, the visualization of short stories, and the systematic building up of more complicated characters from basic building blocks. Although Learning Chinese Characters is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.

Learning Mandarin Chinese Characters Volume 2 Yi Ren, 2017-04-11 Reinforce your written Chinese with this practice book for the best-selling Tuttle Learning Chinese Characters. Traditional Chinese Characters Alan Hoenig, Professor of Mathematics Alan Hoenig, Dr, 2013-01-31 The pioneering memory technique taught in this book removes the major obstacle to learning modern Mandarin Chinese: how to remember the meanings of more than 2,000 of the most common of traditional Chinese characters--enough to read more than 96 percent of the characters in almost any Chinese text. The lessons included here will help to learn new definitions at a breakneck pace, build up new characters using characters already learned, develop memory tricks to associate meanings with these characters, and fix meanings and characters forever in the mind. This unique manual provides a sure-fire way to master the most challenging and intimidating aspect of learning Chinese, vital for any student of the Chinese language.

Remembering Simplified Hanzi 1 James W. Heisig, Timothy W. Richardson, 2008-10-31 The approach that has helped thousands of learners memorize Japanese kanji has been adapted to help students with Chinese characters. Remembering Simplified Hanzi covers the writing and meaning of the 1,000 most commonly used characters in the traditional Chinese writing system, plus another 500 that are best learned at an early stage. Of critical importance to the approach found in these pages is the systematic arranging of characters in an order best suited to memory. In the Chinese writing system, strokes and simple components are nested within relatively simple characters, which can, in turn, serve as parts of more complicated characters and so on. Taking advantage of this allows a logical ordering, making it possible for students to approach most new characters with prior knowledge that can greatly facilitate the learning process.--BOOK JACKET.

Learning Chinese the Easy Way Simplified and Traditional Characters Level 1 Part 2 Adventures in Mandarin Chinese the Fox and the Goat Sam Song, 2012-09-12 This book, Simplified & Traditional Characters, is for readers who have read two stories, Two Men and The Bear and The Wind and The Sun. In the story, The Fox and The Goat, generally only new characters will be introduced in details. If you are thinking about to get better at remembering Chinese characters, then this is the book you should definitely check out. As we know that context learning is one of the most effective ways to learn a language, this book helps you learn and remember Chinese characters in context. This book, in both Simplified Chinese and Traditional Chinese, visually illustrates and explains pieces of every character, in the interesting Chinese story, The Fox and The Goat . For practicing pronunciation or learning to read the popular Chinese stories in the book, the free downloadable audio files ensure that readers learn the correct pronunciation and tone of each character in the book. The book also contains a Pinyin-Mandarin Phonetic System cross reference that is handy for people who know Mandarin Phonetic System.

Reading and Writing Chinese William McNaughton, 2013-07-23 This is a complete and easy-to-use guide for reading and writing Chinese characters. Learning written Chinese is an essential part of mastering the Chinese language. Used as a standard by students and teachers learning to read Chinese and write Chinese for more than three decades, the bestselling Reading & Writing Chinese has been thoroughly revised and updated. Reading & Writing Chinese places at your fingertips the essential 1,725 Chinese characters' current definitions, derivations, pronunciations, and examples of correct usage by utilizing cleverly condensed grids. This guide also focuses on Pinyin, which is the official system to transcribe Hanzi, Chinese characters, into Latin script, now universally used in mainland China and Singapore. Traditional characters (still used in Taiwan and Hong Kong) are also included, making this a complete reference. Newly updated and revised, these characters are the ones officially prescribed by the Chinese government for the internationally recognized test of proficiency in Chinese, the Hanyu Shuiping Kaoshi (HSK). The student's ability to read and write Chinese are reinforced throughout the text. Key features of this newly-expanded edition include: The 1,725 most frequently used characters in both Simplified and Traditional forms. All 2,633 characters and 5,000+ compounds required for the HSK Exam. Standard Hanyu Pinyin romanizations. More mnemonic phrases and etymologies to help you remember the characters. An extensive

introduction, alphabetical index, and index according to stroke count and stroke order. Completely updated/expanded English definitions. Convenient quick-reference tables of radicals. Updated and revised compounds, plus 25% more vocabulary now offered. Codes to assist those who are preparing for the AP exam or the HSK exam.

Mandarin Chinese Characters Made Easy Michael L. Kluemper, Kit-Yee Nam Nadeau, 2016-10-18 This highly-visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs. Learning the necessary characters used to write even simple Chinese sentences can be a long and arduous process. Chinese Characters Made Easy makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue--making memorization easy. The character for person, for example, is superimposed over a sketch of a man representing a person standing on two legs--drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings, for context and ease of identification. These groups of characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors, numbers, animals, or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. Key features of Chinese Characters Made Easy include: An introduction to the history and structure of the Chinese writing system 1,000 characters and over 3,000 words for beginning learners of Chinese This Chinese character book's visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.

Comprehend Chinese-Character Simplification Shengdar Lee, Ph.D., 2014-03-20 This is a complete, logical, and comprehensive book for learning Chinese-character simplification. It makes mastering both Traditional and Simplified Chinese characters very easy. This book fills a vacuum in the marketplace, alleviating the troubles of the people who need to learn. In the first chapter, the author makes a concise narrative about the simplification of Chinese characters, allowing the reader to gain an overall understanding of the subject. The author discusses the two simplification measures, and the structure of General Tables of Simplified Characters that consists of three tables. Chapters 2 and 3 analyze the two simplification measures, namely, reducing the number of strokes in a character and reducing the number of characters, respectively. The author systematically classifies the characters in detailed groupings based on their simplification characteristics. Then in Chapters 4 and 5, the author summarizes Tables 1 and 2 of the General Tables of Simplified Characters according to these classifications, explaining the simplification characteristics character by character. Chapter 6 discusses Table 3; these characters are derived by the analogies of simplified characters and simplified radicals of Table 2. All the data in the book are presented in tabular form - simple, clear, and easy to understand. In addition, the "General Tables of Simplified Characters" are listed in the Appendices. Therefore, this is an essential reference book. Regarding the measure of reducing the number of characters, for the more than two hundred characters that have been combined, numerous vocabularies are listed as examples for each character, and thus illuminating their meanings in great detail. Therefore, it is also a good book for learning Chinese characters. This book has 3 language versions: English, Traditional Chinese, and Simplified Chinese.

Beginning Chinese Reader John De Francis, 1979

Reading and Writing Chinese William McNaughton, Li Ying, 1999 Reading and Writing Chinese has been the standard text for foreign students and self-teachers of the Chinese Writing System since Tuttle first published it over 20 years ago. This new, completely revised edition offers students a more convenient, efficient, and up-to-date introduction to the writing system.

Intermediate Chinese Characters Haohsiang Liao, Kang Zhou, 2021-10-12 Learn the Mandarin Chinese characters and words in everyday use in China! This book helps you to quickly learn the intermediate-level Chinese characters you need to know if you want to live or work in China, or progress to the next level with your language skills. Alongside 1200 closely-related vocabulary and phrases, it presents the characters in a series of 20 easy lessons--giving clear pronunciations, English definitions and a writing guide showing you how the character is written. In this book, you'll find: 300 characters grouped into themes A warm-up narrative for each lesson explaining how the characters in the lesson relate to the theme All characters and vocabulary needed for the HSK Level 3 exam and the Advanced Placement (AP) Chinese Language and Culture Exam Exercises that help you practice recognizing the characters and using the vocabulary to create sentences Reviews that provide a variety of drills and exercises to increase your proficiency Downloadable online audio by native speakers to help with pronunciation Printable flash cards This book is intended for intermediate learners (HSK Level 3). For HSK 1 & 2, see Beginning Mandarin Chinese Characters--the first book in this series.

Learning Chinese Characters the Easy Way (Simplified Chinese Characters) Sam Song, Cheryl Song, 2013-07 (This book is the revision of the book, *Learning Chinese The Easy Way: Simplified Characters, Level 1: 3 stories in one book*. The book makes learning Chinese characters fun and exciting. It is a collection of three stories (Traditional Chinese and Simplified Chinese): 1. Two Men and The Bear 2. The Wind and The Sun 3. The Fox and The Goat.) Sam Song has a way with words. To teach, he's the best you have heard. The books that he writes are such marvelous sights learning Chinese each day word by word. Chinese words we can learn very fast. And when learned we cry Goodie, at last! For I must know the end. How that story doth wend and to know how it ends is a blast!-- Poet Mrs. Carol Creed This book will be a huge help for you, if you are thinking about to get better at understanding or remembering Chinese characters. It visually illustrates and explains pieces of every character in two popular Chinese stories, Two Men and The Bear and The Wind and The Sun. For practicing pronunciation or learning to read the popular Chinese stories in the book, the free downloadable audio files ensure that readers learn the correct pronunciation and tone of each character in the book. (This revised book and the original book, *Learning Chinese The Easy Way: Read & Understand The Symbols of Chinese Culture*, share the same audio files.) (Companion Workbook: *Tracing and Writing Chinese Characters (3 interesting stories)*: Simplified Characters)

First 100 Chinese Characters: Traditional Character Edition Laurence Matthews, Alison Matthews, 2013-05-21 This book is a quick and easy way to learn basic Chinese Characters. All beginning Chinese language learners struggle to memorize and learn to write Chinese characters. The First 100 Chinese Characters adopts a structural approach which helps students to quickly master the basic characters that are fundamental to this language. Intended for beginning Chinese students, this character book presents characters that have been carefully selected for rapid and effective learning. The English meanings, pronunciations in hanyu pinyin and alternate forms (if any) for each

Chinese character are presented along with a stroke order guide and spaces for writing practice. Printed with gray guidelines, the stroke order guides are designed to be traced over to teach students the standard sequence of strokes used to write the character. Related compounds and phrases are given to assist in vocabulary building. Three indexes at the back allow the characters to be looked up by their English meanings, hanyu pinyin pronunciations, or radicals. Extra practice sheets are also provided. This Chinese character book contains: Step-by-step stroke order diagrams show you how to write each character. Special boxes with grid lines help you practice writing them correctly. Compounds and sample sentences provide easy vocabulary building. Hanyu pinyin romanizations identify and help you pronounce every word.

Pictorial Chinese Characters in Popular Chinese Stories Sam Song, 2013-04-23 (This book is the revision of the book, *Learning Chinese The Easy Way: Read & Understand The Symbols of Chinese Culture* 2008 edition. This book makes learning Chinese characters fun and exciting. This book, in both Traditional Chinese and Simplified Chinese, is a collection of two stories: 1. Two Men and The Bear 2. The Wind and The Sun.) Sam Song has a way with words. To teach, he's the best you have heard. The books that he writes are such marvelous sights learning Chinese each day word by word. Chinese words we can learn very fast. And when learned we cry Goodie, at last! For I must know the end. How that story doth wend and to know how it ends is a blast!-- Poet Mrs. Carol Creed This books will be a huge help for you, if you are thinking about to get better at understanding or remembering Chinese characters. This book visually illustrates and explains pieces of every character in two popular Chinese stories, Two Men and The Bear and The Wind and The Sun. For practicing pronunciation or learning to read the popular Chinese stories in the book, the free downloadable audio files ensure that readers learn the correct pronunciation and tone of each character in the book. (This book and the book, *Learning Chinese The Easy Way: Read & Understand The Symbols of Chinese Culture*, share the same audio files.)

Enjoy Learning Chinese Characters Kum Ho Park, Kyung Yomg Kong, 2013-02-01 Because Chinese characters are commonly known as pictograms, most Chinese learners wonder if they can possibly learn thousands of characters. Some give up altogether and choose to learn only Pinyin, the romanized form of Chinese characters and so their use of the language becomes very limited. However, considering that the people who devised the Chinese language and most of the people who write and speak it every day are not geniuses, we have found a shortcut, an easier way, that would help people appreciate and learn the Chinese characters. This book has been written to share that secret with you! Countries that still use Chinese characters in their vocabulary are China (including Taiwan, Hong Kong and Singapore), Korea and Japan. China, for obvious reasons, uses it most often. The simplified characters are used in China and Singapore, whereas Taiwan and Hong Kong use the original complicated characters. Japan uses a mix of both. Korea has her own alphabet Hangul, but up to 60% of the vocabulary has borrowed meaning from Chinese characters. Therefore, if you don't know them, it is very hard for you to understand their true meanings. For these reasons, many researches on Chinese characters have been carried out mostly in China, Korea and Japan. We have taken into account the opinions of scholars from these three countries and shortlisted 3,500 characters, which outnumbers the 2,633 characters in the HSK Level 1-6 characters list. This book contains 1,160 characters that explain about the most frequently-used 856 characters including 623 characters in the HSK Level 1-3 list. Chinese characters are based on inscriptions found on bones and tortoise carapaces used in the 14th and 12th century B.C. centuries. In the 6th and 7th centuries, they were said to have been passed on to nations in the Korean peninsula at that time, and then passed on to Japan. All languages change with time and Chinese was no exception. The usage of Chinese characters in Korea and Japan retain the original form and meaning of when they were passed on, so it was very helpful to have the input of scholars from the three countries. This book is an attempt to compile the opinions of scholars from these three countries, and the authors' personal interpretations of the inscriptions on bronze, bones and tortoise carapaces to explain the origin of the characters. The authors' aim is to help our readers understand the characters, not to become scholars in their own right. But that does not mean this book is a pet project. It is intended to help readers further understand the meanings of all Chinese characters.

Tracing and Writing Traditional Chinese Characters in Sentences (3 Stories) Sam Song, 2015-01-19 (In the first several years of schooling, any and all Chinese students learn to write new characters so that they can recognize and memorize them. For a learner of Chinese language, it will be very helpful for learning new characters by tracing and writing them. The tracing and writing process also has other purposes, such as coordination training for the finger muscles to make beautiful handwriting.) This book is the companion book for *Learning Chinese The Easy Way* level 1 books. While reading 3 famous Chinese stories (1. Two Men and The Bear 2. The Wind and The Sun 3. The Fox and The Goat) in *Learning Chinese The Easy Way* level 1 books, we can trace and write characters and sentences in the stories. Not only we can remember the characters and sentences, also we have a much better feel for sentence and phrasing in Chinese.

Chinese Characters Made Easy Michael L. Kluemper, Kityee Yam Nadeau, 2015-12-15 This highly-visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs. Learning the basic characters used to write even simple Chinese sentences can be a long and arduous process. *Chinese Characters Made Easy* makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue—making memorization easy. The character for person, for example, is superimposed over a sketch of a man representing a person standing on two legs—drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings, for context and ease of identification. These groups of characters all share common root symbols known as radicals, or relate to a particular theme or topic such as colors, numbers, animals, or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. A free audio CD provides native-speaker pronunciations for all the characters and their associated vocabulary. A short introduction explains the history and structure of the Chinese writing system. This Chinese character book's visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.
