Tribulation Force Tim LaHaye, Jerry B. Jenkins, 1996 Sequel to *Left Behind*.

Nicolae Tim LaHaye, Jerry B. Jenkins, 2011-03-16 It has been nearly two years since the day of the mass disappearances. In one cataclysmic instant, millions all over the globe simply vanished, leaving everything but flesh and bone behind. Global war has erupted, and the Tribulation Force sets a suicidal course that places them in direct opposition to the rise of Antichrist. Vanishings Jerry B. Jenkins, Tim LaHaye, 1998-07 Four former Christian teenagers find themselves alone and afraid following the Rapture when God spirits His followers away to Heaven.

The Mark Tim LaHaye, Jerry B. Jenkins, 2011-03-16 His Excellency Global Community Potentate Nicolae Carpathia is back, this time as Satan. Resurrected and indwelt by the devil himself, the beast tightens his grip as ruler of the world. Terror comes to believers in Greece as they are among the first to face a GC loyalty mark application site. The gloves are off, as the forces of good and evil begin a battle for the very souls of men and women around the globe. A repackage of the eighth book in the New York Times best-selling *Left Behind* series.

The Regime Tim LaHaye, Jerry B. Jenkins, 2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks, charm, charisma, and intellectual brilliance into success in business and politics. But is it mere coincidence that those who oppose or offend him suffer to the point of death? Meanwhile, a young Buck Williams begins his journalistic career. Pilot Rayford Steele gains more responsibility at work and at home. Scientist Chaim Rosenzweig begins work on a secret formula that could change the world. All three go about their daily lives, unaware of each other or of the powerful young man from Romania. Around the world, the stage is being set for the cataclysmic event that will change the world forever.

Her friends know that something's wrong, but she won't endanger anyone else with her secret. And with her dad growing increasingly violent, Sara must figure out what happened to her mom before it's too late...for them both.

The Rising Tim LaHaye, Jerry B. Jenkins, 2013-02-08 *The Rising* begins a new *Left Behind* series that will give you a glimpse into the lives of your favorite characters before the Rapture. Have you ever wondered what life was like before the Rapture for Rayford, Irene, and Chloe Steele, Bruce Barnes, Buck Williams, and Tsion Ben Judah? Plus, see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life. What were the events surrounding Nicolae's sudden rise to power? How did he become filled with evil? You will find all these answers and more in this exciting new series! In *The Rising*, Marilena Carpathia has only one dream: to be a mother. So when a mysterious clairvoyant promises the fulfillment of this dream, Marilena does not hesitate. Through genetic engineering and the power of the prince of darkness himself, Marilena is about to become a chosen

vessel, one who will unknowingly give birth to the greatest evil the world has ever known. Halfway around the world, God's plans are subtly being carried out too. Young Ray Steele is determined to avoid one day taking over the family business. Instead, Ray sets his heart on becoming a pilot. Soon Carpathia's and Steele's lives will intersect. The Indwelling Tim LaHaye, Jerry B. Jenkins, 2011-03 The second half of the seven-year Tribulation era begins as Rayford, Buck, Chloe, and the other members of the Tribulation Force reveal who killed Nicolae as the time of God's judgement approaches.

Armageddon Tim LaHaye, Jerry B. Jenkins, 2011-03-16 2004 Christy Award finalist! The scattered Tribulation Force is drawn toward the Middle East, as are all the armies of the world, when human history culminates in the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe and the world has become a powder keg of danger. Except for those already in Petra, everyone has been forced to relocate as the Antichrist ratchets up the pressure in the world's most treacherous game. As the Trib Force waits for the coming of Christ, Chloe Williams is drawn out of the safe house to investigate something suspicious. Buck and Tsion travel to Jerusalem while Nicolae Carpathia orders an attack on the city, and Rayford becomes seriously injured outside Petra. Who will survive Armageddon? The Leather-stocking Tales James Fenimore Cooper, 1854

The Rapture Tim LaHaye, Jerry B. Jenkins, 2013-02-08 In this the final prequel to the blockbuster series, the story features the Rapture three-quarters of the way through the book and then follows characters such as Irene and Raymie (and others) up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture (covering lots of things the authors wished they could have covered in the original volumes) and characters in heaven and how they view the chaotic events on earth.

House of Leaves Mark Z. Danielewski, 2000-03-07 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to

return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

Soul Harvest Tim LaHaye, Jerry B. Jenkins, 2011-03-16 The world is reeling from a great earthquake. As Nicolae Carpathia begins a worldwide rebuilding campaign, his rage is fueled by an evangelistic effort resulting in the greatest harvest of souls the world has ever seen. Meanwhile, Rayford Steele and Buck Williams search for their loved ones who haven't been seen since before the earthquake. A repackage of the fourth book in the New York Times best-selling Left Behind series.

Uprooted Grace Olmstead, 2021-03-16 A superior exploration of the consequences of the hollowing out of our agricultural heartlands.—Kirkus Reviews In the tradition of Wendell Berry, a young writer wrestles with what we owe the places we've left behind. In the tiny farm town of Emmett, Idaho, there are two kinds of people: those who leave and those who stay. Those who leave go in search of greener pastures, better jobs, and college. Those who stay are left to contend with thinning communities, punishing government farm policy, and environmental decay. Grace Olmstead, now a journalist in Washington, DC, is one who left, and in *Uprooted*, she examines the heartbreaking consequences of uprooting—for Emmett, and for the greater heartland America. Part memoir, part journalistic investigation, *Uprooted* wrestles with the questions of what we owe the places we come from and what we are willing to sacrifice for profit and progress. As part of her own quest to decide whether or not to return to her roots, Olmstead revisits the stories of those who, like her great-grandparents and grandparents, made Emmett a strong community and her childhood idyllic. She looks at the stark realities of farming life today, identifying the government policies and big agriculture practices that make it almost impossible for such towns to survive. And she explores the ranks of Emmett's newcomers and what growth means for the area's farming tradition. Avoiding both sentimental devotion to the past and blind faith in progress, Olmstead uncovers ways modern life attacks all of our roots, both metaphorical and literal. She brings readers face to face with the damage and brain drain left in the wake of our pursuit of self-improvement, economic opportunity, and so-called growth. Ultimately, she comes to an uneasy conclusion for herself: one can cultivate habits and practices that promote rootedness wherever one may be, but: some things, once lost, cannot be recovered.

The Woman Left Behind Linda Howard, 2018-03-06 Jina Modell works in Communications for a paramilitary organization, and she really likes it. She likes the money, she likes the coolness factor—and it is very cool, even for Washington, D.C. She likes being able to kick terrorist butts without ever leaving the climate-controlled comfort of the control room... But when Jina displays a really high aptitude for spatial awareness and action, she's reassigned to work as an on-site drone operator in the field with one of the GO-Teams, an elite paramilitary unit. The only problem is that she isn't particularly athletic, to put it mildly, and in order to be fit for the field, she has to learn how to run and swim for miles, jump out of a plane, shoot a gun . . . or else she'll be out of a job. Team leader Levi, call sign Ace, doesn't have much confidence in Jina—whom he dubbed Babe as soon as he heard her raspy, sexy voice—making it through the rigors of training. The last thing he needs is some tech geek holding them back from completing a dangerous, covert operation. In the following months, however, no one is more surprised than he when Babe, who hates to sweat, begins to thrive in her new environment, displaying a grit and courage that wins her the admiration of her hardened, battle-worn teammates. What's even more surprising is that the usually very disciplined GO-Team leader can't stop thinking about kissing her smart, stubborn mouth . . . or the building chemistry and tension between them. Meanwhile, a powerful congresswoman is working behind the scenes to destroy the GO-Teams, and a trap is set to ambush Levi's squad in Syria. While the rest of the operatives set off on their mission, Jina remains at the base to control the surveillance drone, and the base is suddenly attacked with explosives. Thought dead by her comrades, Jina escapes to the desert where, brutally tested beyond measure, she has to figure out how to stay undetected by the enemy and make it to her crew before they're exfiltrated from the

country. But Levi never leaves a soldier behind, especially the brave woman he's fallen for. He's bringing back the woman they left behind, dead or alive.
