*The Letter Box* Mark Button, 2008-12-03 Learn how to translate the love of a parent into letters to be opened on special occasions making new memories. After ten years of marriage, author Mark Button and his first wife, Ronnie, were eagerly awaiting the birth of triplets when on Mother's Day Ronnie died without warning. In time Mark began to build a new life with Diane, whom he met through a mutual friend. The memories of how precious and delicate life can be left them filled with a desire to be there for their first child through her entire life, whether they were alive or not. So they began to write letters. The first letter was written within hours of their daughter's birth, then sealed, stamped, and mailed to her. On the back of the envelope it simply stated: To be opened on the day your first child is born. The first part of *The Letter Box* shares the story of Mark's tragic loss and how it prompted Diane and him to develop this unique gift for their children. The second part gives readers helpful ideas on how to create their very own Letter Box for anyone they love and cherish. Included in this section is a list of appropriate milestones, with thought-provoking questions for each occasion. It also provides sample letters and tips on how to use Letter Boxes for any relationship not just parent and child. Letter Boxes can be used with friends, grandchildren, or spouses, or in mentoring relationships.

*The Letter Box* Diane & Mark Button, 2016-08-29 *The Letter Box* is an inspirational story and legacy of love that has changed many lives-and has the potential to change yours and the lives of those you love in a profound way. After years of wanting a family, Mark and his wife are overjoyed to learn they are expecting triplets. But when those happy dreams are abruptly dashed, Mark is faced with the overwhelming void of a now-empty future. Out of the deep insights that come from these hardest of life lessons, the Letter Box is born: a container for collecting thoughts and feelings often kept inside but better shared with others. The letters in a Letter Box become precious gifts that transcend time and place. These expressions of love are joyous opportunities for staying connected with loved ones forever. The Letter Box is an intimate journey of the heart, a compelling true story of love and second chances that will move you to create your own legacy of love for those you cherish.

**Love Itself** Hélène Cixous, 2008-08-11 Love's memories, love recalling itself in letters lost and found over an interval of forty years: Cixous's writer-narrator advances here far into a labyrinth of passions long ago delivered and yet still arriving through the mail, through letters and literature, in other words, the poetry of

the post. As for the lovers' returning scenes, they have their addresses in Paris (rue Olivier de Serres, Avenue de Choisy, street names that endlessly feed love's unconscious language) and in New York, but also in a lost oasis of the Egyptian desert during the Napoleonic wars, in Athens and along the shores of a great lake centuries ago in the country of myth. The lovers are poets or soldiers, philosophers or students madly in love with poetry and poets. They are as well mermaids or panthers. Panthers? Yes, for it is the passion of the animal that drives all these lovers to bare themselves, and sometimes their claws, before the beloved. Misunderstandings are often, even inevitably the result. Seconded and witnessed by her passionate, truth-telling cats, Cixous's narrator-writer returns unerringly to moments of errancy inflicted on address and language, those errors and faults when love, perhaps, is listening only to itself, without subject or object, lover or beloved, just love itself, l'amour même, l'amour m'aime, love loving me, in the letter box of memory.

## **SAMY'S STORIES FOR KIDS KULANDAISAMI**

S.M.,2014-09-15 If animals in children's stories could talk and walk, why can't they post letters, too? THE JUNGLE LETTERBOX, one of the 25 titles in this Book, tells you all about it. What could be a funnier misadventure than this one of a man who steps on the leg of a sleeping street dog and then bends to touch the animal's body to say sorry as it wakes up growling? This happens to KUPPANDI, the hero of A FUNNY MISADVENTURE. While filling out a Karate class admission application form for a boy, his neighbour puts the kid's birthtime height and weight against the relevant query simply because the information to be furnished comes next to date of birth of the applicant! 'HEIGHT AND WEIGHT' is that story. Want to know about planned escapes, daring self-rescues, eccentric ideas of cheapness and of buying platform tickets for rail passengers arriving with train tickets, crazy notion about faulty gear stick in a bus, etc.?
