- 📖 **EVERY LITTLE PIECE OF ME** LEXI RYAN,2020-05-19 An unlikely meeting after a decade apart, a drunken Vegas wedding, a note goodbye, a broken second chance at love . . . and the wedding invitation that changes it all. The first time I saw Brinley Knox, she was crying and heartbroken at her own sweet sixteen party. The daughter of the wealthiest family in Orchid Valley, she was off limits to someone like me—the teenage charity case, the hired help. But that didn’t stop me from kissing her. Or from promising if she were ever mine, I’d never let her go. The last time I saw Brinley Knox, I made good on that promise. Forget that it was the first time we’d seen each other in ten years, or that we were drunk in Vegas when we said I do. I meant every word, every touch, every promise. The problem? When I came back to the hotel, she was gone—the ring I slipped on her finger and the note she left behind the only reminders she had been there. Well, those and the hole she left in my chest in place of my heart. We haven’t spoken in the six months since, and I’m not the kind of guy who’d file for a divorce he doesn’t want. But when I get the invitation to her wedding to another man, it’s time to return to Orchid Valley and remind the bride-to-be that I’m a man who keeps his promises. Every Little Piece of Me is a sexy, standalone second-chance romance in Lexi Ryan’s all-new Orchid Valley series.

But this time, has Diamond talked her way right into trouble? Diamond has support for her group from her family and church, but she has a lot going on. She’s made it onto the school’s varsity cheerleading squad, and she’s caught the eye of the totally cool senior Jason Xavier. Jax is sweeping her off her feet, but Diamond is starting to feel as if she’s in over her head. Diamond has always been so sure she’s in control. - 📖 **EVERY LITTLE PROMISE** LEXI RYAN,2020-04-03 One night in Vegas. One shot at a second chance. When I fell in love with Brinley Knox, she was the spoiled daughter of the wealthiest family in Orchid Valley. I was the troublemaker orphan, brought to town to find the straight and narrow. She was the homecoming princess. I was the hired help. She was the perfect daughter. I was the cautionary tale. We were young enough to think we could beat the odds. Na^{ve} enough to think the world would make room for true love. Neither of us was prepared for the bitter cold of reality. I haven’t seen her for ten years. Until tonight. Face-to-face with a woman who should be a stranger, I recognize the heart of the girl I never stopped loving. She’s giving me one night. I’m betting everything on making it more. From New York Times bestselling author Lexi Ryan comes a sexy and emotional new story. Every Little Promise is a 28,000-word prequel to Every Little Piece of Me.
- 📖 **KING DIVAS** De’nesha Diamond,2015-03-31 While Python resolves to negotiate a peace meeting with his brother in the aftermath of their aunt’s brutal murder, Ta’Shara barely saves Lucifer’s life from a rival gang and worries that Lucifer’s injuries will cause her to lose her child. ORIGINAL.
- 📖 **HOLDING HER CLOSE** LEXI RYAN,2016-01-19 An actress in danger. A bodyguard on a mission. A passion neither can resist. She’s everything he detests about Hollywood. After spending my entire acting career being cast as the airhead, I finally have the serious role I’ve been dying for, and I screw it all up during a four martini dinner with my ex. Now, thanks to the morality clause in my contract, I might lose the role of a lifetime. My only hope is to convince the media (and my eccentrically conservative director) that I’ve entered a committed relationship. But when I use my brother’s costume party to launch Operation Fake Fianc^e , I end up in front of the camera with the wrong guy, leaving my reputation—and the fate of my career—at his mercy. Any other guy I could sweet talk into playing the supporting role I need, but not Officer Cade Watts. Not the man who hates everything about me. Not the man who would most revel in seeing me fail. He’s everything she needs. I don’t care how good it felt to have her in my arms. I don’t care that I can’t close my eyes without remembering the way she tastes or the sound of her moan. I want nothing to do with Janelle Crane. Her scheme to fake an engagement to save her own career is exactly the kind of manipulative Hollywood crap I left LA to escape. But when her fan mail turns threatening and the tragedies befalling her former co-stars seem to be anything but coincidence, everything changes. Now I don’t just want to play the part of Janelle’s fake fianc^e , I demand it. I won’t let my jade heart cost me another case. I may not trust Janelle but I do care, and the only way I know she’s safe is if I’m holding her close.

Lexi is only 16 but her love of Yompers keeps her feeling grown and sexy as she does any and everything she wants while still trying to remain loyal to her sisters. But that is all tested when Pandora shows her sisters that blood isn’t thicker than water. Will Pandora remain on top or will she crash and burn? Find out in the first installment of the trilogy!
