Dog Love Marjorie B. Garber,1996 Combining literary and historical tidbits with witty social insight, Dog Love explains everything from why we often admire presidential pets more than their owners to why our attachment to dogs is the ultimate expression of our humanity. of photos.

For the Love of a Dog Patricia B. McConnell,2006 An animal behaviorist draws on case studies and the latest scientific research to discuss the truth about a dog's emotional life, its implications for the human-canine bond, and its impact on dog training.

Dog Is Love Clive D. L. Wynne,2019-09-24 A pioneering canine behaviorist draws on cutting-edge research to show that a single, simple trait—the capacity to love—is what makes dogs such perfect companions for humans, and explains how we can better reciprocate their affection. “Lively and fascinating . . . The reader comes away cheered, better informed, and with a new and deeper appreciation for our amazing canine companions and their enormous capacity for love.” —Cat Warren, New York Times best-selling author of *What the Dog Knows* Does your dog love you? Every dog lover knows the feeling. The nuzzle of a dog’s nose, the warmth of them lying at our feet, even their whining when they want to get up on the bed. It really seems like our dogs love us, too. But for years, scientists have resisted that conclusion, warning against anthropomorphizing our pets. Enter Clive Wynne, a pioneering canine behaviorist whose research is helping to usher in a new era: one in which love, not intelligence or submissiveness, is at the heart of the human-canine relationship. Drawing on cutting-edge studies from his lab and others around the world, Wynne shows that affection is the very essence of dogs, from their faces and tails to their brains, hormones, even DNA. This scientific revolution is revealing more about dogs’ unique origins, behavior, needs, and hidden depths than we ever imagined possible. A humane, illuminating book, *Dog Is Love* is essential reading for anyone who has ever loved a dog—and experienced the wonder of being loved back.

The Dog Who Couldn't Stop Loving Jeffrey Moussaieff Masson,2011-10-18 There is something very special in our bond with dogs. No other animals love us in quite the same way as dogs love us. And it is mutual. Is it possible that we developed our capacity for love, sympathy, empathy, and compassion because of our long association with dogs? Having experienced a profound bond with his own dog, Benjy—a failed guide dog for the blind who possesses an abundance of uninhibited love—author Jeffrey Moussaieff Masson knows dogs’ reciprocal affection is not unique, but exemplifies a love affair unequalled in the animal world. In *The Dog Who Couldn't Stop Loving*, Masson considers the far-reaching consequences of the coevolution of dogs and humans with wisdom, insight, and a brilliant analysis of recent scientific findings, delivering a compelling, provocative book that will change the way we think about love and our canine companions.

Lucky the Licking Dog Renuka Vishwanathan,2008

For the Love of Dog Tracy Ford,2004 The sound of toenails clicking across the kitchen floor, the thump of a tail responding to your voice in the dark, the jingling of tags on a collar--all are sounds welcomed by every dog lover. Just as we have grown fond of the antics and traits of our beloved pets, our dogs have grown accustomed to the sound of our keys unlocking the door, our hands reaching into a jar for a doggie treat, and our sharing a spot on the couch. This mutual, unconditional affection between dog and human has created an unbreakable bond that transcends age, gender, and race. *For the Love of Dog: 100 Reasons Why Man Is Dog's Best Friend* celebrates the incomparable love that humans have for these lovable, furry friends. Ever since becoming a dog owner at the age of twelve, Tracy Ford's love for dogs has grown. His dog taught him about life but also about responsibility, making good decisions, and

coping with death. The fluffy ball of fur taught him that almost always it is humans who have accidents, not their pets. The dynamic between pet and owner is not necessarily about what people receive from their pets or they receive from us, but what both give to each other. Filled with photographs depicting the bond between dogs and their owners, *For the Love of Dog* outlines why we can't get enough of muddy feet, dripping mustaches, barking at all times of the night and day, scaring the pizza man, and always having our backs protected. Why do we do it? For the love of dog, of course!

Love, Clancy W. Bruce Cameron, 2023-01-03 From W. Bruce Cameron, the internationally bestselling author of *A Dog's Purpose* and *A Dog's Way Home*, comes *Love, Clancy: Diary of a Good Dog*, a deeply moving story with a brand-new cast of characters, including one very good dog. You've probably never met someone like Clancy. He's keeping a diary, he's falling in love, there are rivals for his affections, he lives with his best friend and his worst enemy - even taken together, these factors are maybe not that unusual, except that Clancy is a dog. His point of view is therefore perhaps...different. Told in Cameron's signature style, a tremendous cast of wonderful characters find themselves jointly and separately navigating the challenges of life, of love, and...other pets, including Clancy's "worst enemy" - one very disdainful cat. It's a lot to keep track of, especially when things start to spin hilariously out of control, but fortunately, we've got the observations of Clancy, a very good dog, who shares a valuable perspective on what is really important. Dog Tales, 2009-03-01 Like their human friends, dogs come in all shapes, sizes, and colors. Some are smart, like Ma-Buku, a five-pound Chihuahua who squeaks her toy in perfect time with her owners drums. Some refuse to adhere to dog clichés, like four-year-old Elmer, who loves to chase a tennis ball but refuses to pick it up and bring it back, or six-year-old Barnabas, who can't be bothered to chase cats but will bark vehemently at the wind. There are pretty dogs, heroic dogs, and dogs that are loyal, intuitive, or just plain strange, like Bocci, who goes into a trance when his owner's pager goes off, and can only be reset by being picked up and put back down again. All make an appearance in this delightful collection of stories. Submitted by hundreds of real dog owners, these true tales of mutual love and loyalty affirm that there's no better friend than a dog.

Marley & Me John Grogan, 2009-03-17 The heartwarming and unforgettable story of a family and the wondrously neurotic dog who taught them what really matters in life. Now with photos and new material. Is it possible for humans to discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen

doors, gouged through drywall, and stole women's undergarments. Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family was at its wit's end. Unconditional love, they would learn, comes in many forms. *Marley & Me* is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

I Love My Dog and My Dog Loves Me, 2009 This superb collection of original paintings by award-winning artists Gillie and Marc Schattner, combined with their witty and heart-warming observations about dogs is the perfect gift idea for anyone who ever loved a dog.

YOURS MOST OBEDIENT Oliva Green, 2019-09-21 Dogs' faithfulness to humans stems from the shared past of these two kinds. The tales of this companionship between dogs and the man dates to 15000 thousand years. Among all other species of animals, man has called dog his one closest and loyal friend. It's funny that initially humans domesticated dogs and now dogs are domesticating humans with their fealty. 'Yours Most Obedient - Dog stories of love and loyalty' is a book dedicated to such most loyal buddies who have even sacrificed their lives for their owners. It is full of exciting lives and stories that would make us realize that truly they are 'Man's Best Friend'

Veterinary Secrets Andrew T. Jones, Andrew T Jones DVM, 2014-05-23 This manual draws from Dr Jones' 17 years' experience in veterinary medicine to provide a comprehensive, step-by-step guide to home pet care and disease remedies. Dr. Jones opens by explaining how he came to question conventional veterinary treatments then began to share his concerns publicly and openly educate pet owners, empowering them to provide their pets with quality, holistic care at home. Eventually, his efforts led to his expulsion from the British Columbia Veterinary College, resulting in a ban from practicing animal medicine.

Love for Bully Don Frierson, 2018-10-03 *Love for Bully: The Dog Without Love Who Found Love* is about a boxer bulldog who was abandoned at birth. He went on to live on the mean city streets of Los Angeles, California, where he barely survived. It provides insight into how creatures of different backgrounds and circumstances can become bitter, mean, and withdrawn, developing distrust and the trait of lashing out. One day, Bully is given the opportunity through what is almost a deadly tragedy for himself. He survives by the loving hands of his new mate, Sadie (a female boxer bulldog), and they themselves save a stray puppy who is lost and abandoned, just like Bully once was. They go on to love her, cherish her, and provide hope, joy, and love for her. They adopt her and give her the greatest gift from our Creator: love.

From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar's Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn:

- What your dog really needs may not be what you're giving him
- Why a dog's natural pack instincts are the key to your happy relationship
- How to relate to your dog on a canine level
- There are no "problem breeds," just problem owners
- How to choose a dog who's right for you and your family
- The difference between discipline and punishment
- And much more!

Filled with fascinating anecdotes about Cesar's longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion.

Rio - A Love Story: How My Dog Saved My Life Joni Darc Shepherd, 2019-09-09 Most of us will experience various forms of heartbreak, loss, and tragedy at some point in our lives. Joan did, experiencing the loss of some of her closest family members and beloved pets, all within a very short time. She lost her best friends and main support system overnight. It was as if a sink hole opened and swallowed her, and she was lost in darkness and depression every day. She was still alive, but she needed a miracle. Hope. A new best friend. A new sounding board, a new cheerleader that would always be there to root for her. Joan desired someone or something to end her darkness and loss of direction. Magically, a miracle soon appeared in the form of a beautiful charming dog, Rio, a gift to her, but she didn't realize it at first. Slowly and surely her new canine friend diagnosed her malady and started her healing process by providing her with unconditional love every day and enticing her back into the bright daylight of life. Step by canine step, her devoted Rio encouraged her daily to pursue new activities together with him. These included showing in the conformation ring and trialing in rally and herding and other dog sports. The training, practice, and competition of these activities, coupled with meeting new friends in

training and at the shows were just what Joan needed. Her clouds of darkness and loneliness started to dissipate. Joan's passage through this portion of her life may help the reader deal with their own loss of family, friends, and furry and feathered companions when that time arrives. The ability of her sweet boy, Rio, to lovingly kiss her every day, heal her wounds and lead her out of her depression may even encourage many to visit their local pet rescue to find that sweet soul that will move them to once again join in the beautiful dance of life. This precious and heartwarming book is written for everyone, not just pet owners. Younger readers and those new to dog showing and trialing, and other activities no matter what age, will be fascinated by the number of activities that are available to them. Readers, pet owners or not, will be intrigued by the discussion of the intelligence and abilities of many canine breeds that are just recently attaining recognition for their many talents including cancer detection. Most importantly, Joan's candidness and honesty in relating to and resolving her deep sadness might help all of us deal with life's low points and perhaps prevent other tragedies as we have too often seen and heard about lately. This book will exceed everyone's expectations on the very important role that dogs and other pets have in our lives. As Joan learned, by sharing charming Rio with beautiful people in nursing homes and hospice settings, many that do not have visitors, life with a dog can be very fulfilling, not only for the dog owner, but for those angels that a therapy dog team lovingly visits. If you are looking for a book of rebirth, triumph and the re-celebration of life, this book delivers this message powerfully, and you will surely find Joan and Rio's story heartwarming and inspirational. This truly is a must read book for everyone.

Will You Love Me? Barby Keel, 2020-09-29 The heartwarming true story of a greyhound named Bailey, the woman who rescued him, and the miraculous healing power of love . . . One night, in the middle of a rainstorm, Barby Keel found an unexpected gift at the gates of her animal sanctuary: a poor little greyhound, shivering and wet, abandoned under the cover of darkness. Barby had never seen a dog in such pitiful condition. He was scarred with burn marks, and so malnourished that every rib showed through his patchy fur. Barby was determined to help this unfortunate abused animal—if he managed to survive the night . . . The dog—who she named Bailey—not only survived, he displayed a fighting spirit and loving nature that took Barby by surprise. She herself was facing health issues of her own, a personal battle which threatened the future of the entire sanctuary. But thanks to Bailey—and the powerful bond that humans and animals share—they found the strength to heal their bodies, hearts, and souls . . . together. Told with deep affection, honesty, and compassion, *Will You Love Me?* is an emotional and joyful story that reminds us that, in rescuing others, we rescue ourselves.
