Flying Solo Linda Holmes,2022-06-14 NATIONAL BESTSELLER • A woman returns to her small Maine hometown, uncovering family secrets that take her on a journey of self-discovery and new love, in this warm and charming novel from the New York Times bestselling author of *Evvie Drake Starts Over*. “A testament to the truth that love comes in all shapes, sizes, and situations.”—Jodi Picoult ONE OF THE BEST BOOKS OF THE YEAR: NPR, PopSugar Smarting from her recently canceled wedding and about to turn forty, Laurie Sassalyn returns to her Maine hometown of Calcasset to handle the estate of her great-aunt Dot, a spirited adventurer who lived to be ninety-three. Alongside boxes of Polaroids and pottery, a mysterious wooden duck shows up at the bottom of a cedar chest. Laurie’s curiosity is piqued, especially after she finds a love letter to the never-married Dot that ends with the line “And anyway, if you’re ever desperate, there are always ducks, darling.” Laurie is told that the duck has no financial value. But after it disappears under suspicious circumstances, she feels compelled to figure out why anyone would steal a wooden duck—and why Dot kept it hidden away in the first place. Suddenly Laurie finds herself swept up in a righteous caper that has her negotiating with antiques dealers and con artists, going on after-hours dates at the local library, and reconnecting with her oldest friend and her first love. Desperate to uncover her great-aunt’s secrets, Laurie must reckon with her own past and her future—and ultimately embrace her own vision of flying solo. With a cast of unforgettable characters and a heroine you will root for from page one, *Flying Solo* is a wonderfully original story about growing up, coming home, and learning to make a life for yourself on your own terms.

DVD - New York Beauty Simplified - Complete Iquilt Class Linda J Hahn,2016-08-12 Put yourself in a New York Beauty state of mind as you make these beautiful paper-pieced blocks with perfect points and flawless curves every time! Learn to make the fabulous New York Beauty block using ONE pin and NO stress! Linda shows how to paper piece the arc foundation, creating sharp points on each spire. When it comes to sewing curves, break out a single pin and sew a seam that stays wonderfully flat. Follow the simple directions for cutting and you will have made a flawless New York Beauty block! Make 36 blocks and piece together a quilt. Save the scraps, though, because Linda gives tips for taking the leftover fabric and making a Chunky Mini quilt as well. She also demonstrates how to sew the blocks together to make a flowing wave, a half sun, and a full sun. Following Linda's instructions, you'll be able to make this seemingly complicated block like an expert, giving you so many possibilities for making not only these two quilts, but so many others as well. *New York Beauty Simplified* DVD is the perfect solution for taking the class without having a computer, it makes a wonderful gift, and it is great to have on hand as a hard copy—even if you have taken or plan to take the online class. The Beatles Solo on Apple Records ,2005 The Beatles Solo on Apple Records is the companion piece to Bruce Spizers critically acclaimed *The Beatles on Apple Records*. This book details the solo records released by John, Paul, George and Ringo on their own Apple label in America, starting with the December, 1968, release of Georges Wonderwall Music album and ending with the December, 1975, release of Georges single This Guitar (Cant Keep From Crying). All solo projects are covered, including all of the albums and singles released by John & Yoko and Paul McCartney & Wings, as well as classic albums such as Imagine, Band On The Run, All Things Must Pass and Ringo. The book provides complete session and chart information and shows all picture sleeves, album covers and label variations, along with many of the promotional posters, displays and trade magazine ads. The book is hard cover and printed on heavy weight glossy paper. It has over 900 images (all in full color or original black & white) spread throughout the the books 358 pages.

The Legalist Reformation William E. Nelson,2003-09-01 Based on a detailed examination of New York case law, this pathbreaking book shows how law, politics, and ideology in the state changed in tandem between 1920 and 1980. Early twentieth-century New York was the scene of intense struggle between white, Angl

Reading Digital Fiction Alice Bell, Astrid Ensslin, 2024-04-18 **Reading Digital Fiction** offers the first comprehensive and systematic theoretical, methodological, and analytical examination of digital fiction from a cognitive and empirical perspective. Proposing the new concept of "medial reading", it argues for the centrality of an audience's interest in, awareness of and/or attention to the medium in which a text is produced and received, and which we argue should be applied to reader data across media. The book analyses and theorises five generations of digital fiction and their reading including hypertext fiction, hypermedia fiction, narrative video games, app fiction, and virtual reality. It showcases medium- and platform-specific methods of qualitative reader response research across a variety of contexts and settings from screen-based and embodied interaction to gallery installation, and from reading group and individual interview to think-aloud methodologies. The book thus addresses the unique affordances of digital fiction reading by designing and reporting on new empirical studies focusing on hypertextuality, interactivity, immersion, as well as medium-specific forms of textual "you", ontological ambiguity, reader orientation and empathy. In so doing, the book refines, critiques, and expands cognitive, transmedial, and empirical narratology and stylistics by placing the reader of these new narratives front and centre.

Linda App Introduction

In the digital age, access to information has become easier than ever before. The ability to download Linda App has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader

searching for your next favorite book, or a professional seeking research papers, the option to download Linda App has opened up a world of possibilities. Downloading Linda App provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Linda App has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Linda App. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Linda App. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Linda App, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Linda App has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
