**Les dieux de pierre** Jacques Thomas-Bilstein,2020-02-21 Six explorateurs, cinq hommes et une femme, sont envoyés, par le gouvernement de Métalie sur les terres encore inexplorées du Katloc afin d'ouvrir la voie à la colonisation. Sur leur route, ces aventuriers rencontreront de nombreux et périlleux obstacles : le Démon des sables, animal fabuleux et extrêmement dangereux vivant en plein désert, le grand désert blanc, hostile, immense, suffocant, les Saturos , tribu indigène aux coutumes et savoirs assez déstabilisants, la clairière maudite, qui, vous le verrez, porte vraiment bien son nom, le puits du Diable, dans lequel les condamnés sont jetés en attendant leur exécution, la montagne sacrée, très difficile d'accès et qui cache, dans ses flancs, des trésors bien singuliers et les formidables Dieux de pierre, aux fantastiques secrets... L'aventure vous attend : bonne chance ! À PROPOS DE L'AUTEUR Jacques Thomas-Bilstein habite en Belgique, non loin de Liège. Marié depuis 1974, il est le père de deux filles et le grand-père, depuis 2006, d'une fille et d'un garçon : Maud et Hugo. Retraité de l'enseignement fondamental (instituteur puis professeur d'éducation physique), il profite de son temps libre pour se consacrer à ses passions : sa famille, la lecture, l'écriture, le jardinage, le bricolage et le sport. L'auteur a toujours aimé raconter des histoires à ses élèves et, aujourd'hui encore, il continue de le faire, pour tous les âges, grâce à cette formidable invention appelée « l'écriture ». Un peu « touche-à-tout », il écrit de la littérature pour enfants mais également des polars, de la science-fiction, des romans d'aventure et du fantastique.

**We're No Fun Anymore** Robert Schwarz,Elaine Braff,2012-04-23 In the 21st century, we tend to expect more than ever from our relationships without knowing how to sustain them. Often a married couple juggling the many demands of life, work and children take their bond for granted. They fail to cultivate and nurture the positive interactions they share, neglecting the fun, playful and sexy side of the relationship. Over time, this neglect creates an increasing spiral of dysfunction. We’re No Fun Anymore reminds therapists and the couples they treat that marriage does not have to mean forfeiting the passion, playfulness and joy in a relationship. With 50 combined years of clinical experience backing it, the program outlined in this book will help to build up a relationship without first tearing it down,

examining its weaknesses, or trying to fix its problems. Integrating findings from neuroscience, social psychology, positive psychology and marriage research, *We're No Fun Anymore* shows couple therapists how to create and magnify positive energy between their clients to refortify the foundation of their relationship and help it stand strong, even in times of strife and crisis. Readers will find a practical (and fun) plan to get their marriage out of the rut that's robbing it of fun, recapture the pleasure of dating, romance, and love, and revive the playful quality of sex that makes it the pleasurable and enjoyable experience it's supposed to be. Clinicians will also get the bonus of increasing the fun that they have in their personal lives and in their clinical work with clients.

**Strong Hearts Are Mandatory** Teelia Pelletier, 2017-03-30 *Strong Hearts Are Mandatory* is a series centering in an animal-dominated land known as Media. All of the land's residents are gifted with intelligence, and a few even with the forbidden practice of magic. Within the contents of *Heart of Glass*, we follow the perspective of the main hero, a little noble cat known as the Radio Star. Radio is chosen to collect the fragments of a crystal heart left by a mysterious spider monkey only known as the Jester. She is accompanied by two companions, Pictures and Video, joining her in finding the shards scattered across all of Central Media in their occupations of surveillance and courier work, respectively. The opportunity to find the fragments of this broken heart is Radio's first chance to venture out into the world that she's only ever been able to listen to from the safety of her windowsill, and she's going to make every heartbeat count. She's just left to hope that Video and Pictures feel this opportunity is as beneficial for them, as it is to her.
