Lost Souls Poppy Brite,2010-11-03 Vampires . . . they ache, they love, they thirst for the forbidden. They are your friends and lovers, and your worst fears. “A major new voice in horror fiction . . . an electric style and no shortage of nerve.”—Booklist At a club in Missing Mile, N.C., the children of the night gather, dressed in black, look for acceptance. Among them are Ghost, who sees what others do not; Ann, longing for love; and Jason, whose real name is Nothing, newly awakened to an ancient, deathless truth about his father, and himself. Others are coming to Missing Mile tonight. Three beautiful, hip vagabonds—Molochai, Twig, and the seductive Zillah, whose eyes are as green as limes—are on their own lost journey, slaking their ancient thirst for blood, looking for supple young flesh. They find it in Nothing and Ann, leading them on a mad, illicit road trip south to New Orleans. Over miles of dark highway, Ghost pursues, his powers guiding him on a journey to reach his destiny, to save Ann from her new companions, to save Nothing from himself. . . . “An important and original work . . . a gritty, highly literate blend of brutality and sentiment, hope and despair.”—Science Fiction Chronicle

The Lost Soul Olga Tokarczuk,2021-07-20 A beautifully illustrated meditation on the fullness of life for readers of all ages by by Nobel Prize-winning novelist Olga Tokarczuk. Olga Tokarczuk’s *The Lost Soul*, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is. —New York Times *The Lost Soul*, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world. —The Guardian *The Lost Soul* is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares... —from *The Lost Soul* *The Lost Soul* is a sublime album, a rare delicacy that will delight readers young and old. You must find a place of your own, sit there quietly and wait for your soul. Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), The White Raven (IJB Munich), and the Łódź Design Festival Award.

Lost Souls Honoré de Balzac,2021-03-23 The first new translation of Balzac’s 1847 novel *Splendeurs et misères des courtisanes* in half a century, fully annotated and with an extensive introduction In *Lost Souls*, Honoré de Balzac’s brilliant evocation of nineteenth-century Paris, we enter a world of glittering wealth and grinding poverty, teeming with strivers, poseurs, and pleasure seekers along with those who struggle merely to survive. Between the heights of Parisian society and the criminal world lurking underneath, fate is about to catch up with Lucien de Rubempré, last seen in *Lost Illusions*, as his literary aspirations, his love for the courtesan Esther van Gobseck, and his scheme to marry the wealthy Clotilde become entangled in the cunning and ultimately disastrous ambitions of the Abbé Herrera, a villain for the ages. An extraordinary volume in Balzac’s vast *Human Comedy* (in which he endeavored to capture all of society), *Lost Souls* appears here in its first new English translation in half a century. Keenly attuned to the acerbic charm and subtleties of Balzac’s prose, this edition also includes an introduction presenting thorough biographical, literary, and historical context, as well as extensive notes throughout the text—an invaluable resource for today’s readers as they navigate Balzac’s copious allusions to classical and contemporaneous politics and literature.

Land of the Lost Souls Cadillac Man,2009-07-01 For the past 16 years, Cadillac Man (so named because he was once hit by an El Dorado and thereafter bore an imprint of its hood ornament) has lived on the streets of New York City. Over those years, he has recorded the facts of his daily life - the harsh realities of surviving on the street, the often tragic encounters with the non-homeless world, the deep bonds with his fellow homeless, and the surprisingly varied realities of life on the outside - writing hundreds of thousands of words in a series of spiral bound notebooks. *My Life in the Streets* distills those journals into a memoir of homeless life that is peopled with indelible characters and packed with gripping stories. In a gritty, poignant, and funny voice, Cadillac narrates his descent into homelessness, the travails and unexpected freedoms of his life, and the story of his love affair with a young runaway, whom he eventually (and tragically) reunites with her family. The United States has 700,000 homeless people; ultimately, Cadillac's story is their story.

River of Lost Souls Jonathan P. Lost Souls Niles Elliot Goldstein, 2002 These days it is no longer just adolescents who feel that the universe is falling apart. In *Lost Souls*, Niles Goldstein writes of the chaos and fear so many of us experience in our public and private lives and makes it clear that we are not--nor have we ever been--alone in our angst. To illustrate the different stages we often encounter when we feel lost--whether the trigger for our disorientation and despair is the loss of a loved one or a job, or the result of an injury or depression--Goldstein interweaves contemporary stories of men and women he has met through his work as a rabbi and a law enforcement chaplain with those of biblical figures such as Cain, David and Bathsheba, Samson, Tamar, and several of the prophets. As in his last book, *God at the Edge*, Goldstein explores the shadow side of the human condition. His accounts are often disturbing, but his insights are always inspiring. What he brings us is a message of particular relevance today, namely, that a journey through the wilderness--be it emotional, existential, or geographical--is a transformative and strengthening process, even though it may not seem so at the time. In chronicling the stories of survivors who have traveled through perilous and at times unexplored territory, Goldstein not only shows us how to face the challenges of being human, he also delivers a promise of meaning, direction, and hope in our lives.

Lost Souls Lisa Jackson, 2023-03-28 A #1 New York Times-bestselling author delivers the harrowing story of a young woman's determined hunt for a serial killer that draws her into the twisted world of a psychopath and his unspeakable crimes.

Lost Souls Sun-wŏn Hwang, 2010 These captivating short stories portray three major periods in modern Korean history: the forces of colonial modernity during the late 1930s; the postcolonial struggle to rebuild society after four decades of oppression, emasculation, and cultural exile (1945 to 1950); and the attempt to reconstruct a shattered land and a traumatized nation after the Korean War. *Lost Souls* echoes the exceptional work of China's Shen Congwen and Japan's Kawabata Yasunari. Modernist narratives set in the metropolises of Tokyo and Pyongyang alternate with starkly realistic portraits of rural life. Surrealist tales suggest the unsettling sensation of colonial domination, while stories of the outcast embody the thrill and terror of independence and survival in a land dominated by tradition and devastated by war. Written during the chaos of 1945, Booze recounts a fight between Koreans for control of a former Japanese-owned distillery. Toad relates the suffering created by hundreds of thousands of returning refugees, and stories from the 1950s confront the catastrophes of the Korean War and the problematic desire for autonomy. Visceral and versatile, *Lost Souls* is a classic work on the possibilities of transition that showcases the innovation and craftsmanship of a consummate and widely celebrated storyteller.

The Book of Lost Souls Michelle Muto, 2011-11-17 When teen witch Ivy MacTavish changes a lizard into her date for a Halloween dance, everything turns to chaos. And when no one is powerful enough to transform him back except Ivy, it sparks the rumor: Like father, like daughter. Ivy has heard it all before - that her father, who left when she was seven - was involved with the darkest of magic. Making the rumors worse, someone uses an evil spell book to bring back two of history's most nefarious killers. Ivy's got a simple plan to set things right: find the real dark spell caster, steal the book, and reverse the spell. No problem! But she'll have to deal with something more dangerous than murderous spirits that want her and her friends dead: the school's resident bad boy and hotter-than-brimstone demon, Nick Marcelli. Nick's offering Ivy more than his help with recovering the missing book - he's offering her a way to ditch her scaly reputation as a lizard-lover. Demons are about as hard to handle as black magic, and as Ivy soon discovers, it's going to take more than a lot of luck and a little charm if she wants to survive long enough to clear her status as a dark witch, get a warm-blooded boyfriend, and have her former date back to eating meal worms before the week's end.

Healing Lost Souls William J. Baldwin,2003-06-01 For two decades, William Baldwin has been a pioneer in the ever-expanding therapeutic fields of Spirit Releasement, Past Life Regression, and Soul-Mind Fragmentation. In his Florida practice, he uses these therapies routinely to help patients who suffer from Dissociative Trance and Dissociative Identity (formerly called Multiple Personality) Disorders. Healing Lost Souls explains the attributes of each therapy in everyday language, and provides dozens of case studies to illustrate its clinical use. Likening his work to the ancient practice of shamanism, Baldwin has found that psychological disorders are often rooted in past life traumas, the interference of attached entities of various origins, and the fragmentation of one’s soul. Baldwin stresses the importance of active patient participation throughout the stages of regression, as well as the need to treat encountered entities with respect, since they are often mere lost souls as bewildered and frightened as the patients themselves.
