Lyrics Without Music Joseph Morales, 2015-03-11

Do you sometimes have those moments where you are extremely astounded and out of words? You knew you have a message for this perfect tune you have just prepared. And you don't want to end up producing

something just because it sounds right to your music. You still want to preserve the identity of your songs conveying particular message and emotion. The human voice is an important instrument in music style, and it needs to have some words to sing. Lyrics without Music is a collection of conversational, poetry-like expressions that can be perfectly used as lyrics for your music. The words written in this book are intentionally formed with syllables that could become rhythms in possible melodies. A collection of various expressions about life and love, even noncomposers may find delight in reading and even singing this book!

The Complete Annotated Grateful Dead Lyrics, 2014-12-16 Celebrate the fiftieth anniversary of the most popular and enduring band ever: “Even the most hardcore Deadheads will be impressed by this obsessively complete look at the Grateful Dead’s lyrics” (Publishers Weekly). The Complete Annotated Grateful Dead Lyrics is an authoritative

text, providing standard versions of all the original songs you thought you knew forwards and backwards. These are some of the best-loved songs in the modern American songbook. They are hummed and spoken among thousands as counterculture code and recorded by musicians of all stripes for their inimitable singability and obscure accessibility. How do they do all this? To provide a context for this formidable body of work, of which his part is primary, Robert Hunter has written a foreword that goes to the heart of the matter. And the annotations on sources provide a gloss on the lyrics, which goes to the roots of Western culture as they are incorporated into them. An avid Grateful Dead concertgoer for more than two decades, David Dodd is a librarian who brings to the work a detective's love of following a clue as far as it will take him. Including essays by Dead lyricists Robert Hunter and John Perry and Jim Carpenter's original illustrations, whimsical elements in the lyrics are brought to light, showcasing the American legend that is present in so many songs. A gorgeous keepsake edition of the Dead's official annotated lyrics, *The Complete Annotated Grateful Dead Lyrics* is an absolute must-have for the fiftieth anniversary—you won't think of this cultural icon the same way again. In fact, founding band member Bob Weir said: "This book is great. Now I'll never have to explain myself."
