As if that could stop a clever cat like Mac . . . HUMANS CANOODLE With four hungry little mouths to feed—and two local detectives on his tail—MacGyver has his work clawed out for him. He's determined to sniff out the real thief. But when he gets a whiff of romance in the air, he can't resist a little matchmaking, too. One of the detectives seems awfully fond of the aspiring actress who moved into the neighborhood. And his partner looks like she could use a hug, too. When Tomorrow Comes D. Jackson Leigh,2024-02-13 Teague Maxwell, a brilliant, reclusive inventor, knows two things about herself—she prefers the company of animals, and she will die in the next year following her fortieth birthday. Resigned to the inevitable, she hires Baye Cobb from a local pet rescue to find new homes for her menagerie of pets. When Baye decided to turn her late grandmother’s farm into an animal rescue operation, she had no idea so many animals would land on her doorstep. In dire need of more funding, more space and much better business management, Baye has no choice but to accept the lucrative offer from Teague—her very eccentric, but largest, donor. She agrees to help rehome Teague’s pets despite her disgust for someone who would adopt so many animals, only to rehome all of them. Neither woman expects Teague’s desperation and Baye’s disapproval to explode into undeniable attraction. The more time they spend together, the more they realize it’s not just animals Baye is adept at saving—she could be the one to rescue Teague from her catastrophic fate.

A Wonderful Place to Live Catherine Hosmer,2005-04 When Florida attorney Tina Jefferson hears her mother's gasping voice on the telephone, she knows something's happened. What's going on, Mom? Tina asks. You sound...worried. Worried? the older woman retorts. Why, everything's wonderful, Tina, what could possibly be wrong? I play shuffleboard every day and we all have such fun. Except, Tina knows, that her mother has never played shuffleboard in her life; she's a successful, lifelong sculptress. So Tina decides to jump into her flying club's airplane and cross Florida to her mother's condo on the west coast to see what's going on. When she arrives, at first glance nothing seems changed. But she soon discovers that a gate guard may have been murdered and residents are frightened. Maintenance fees are escalating, driving some into bankruptcy, and a new crowd of malignant managers has taken over the little island, threatening residents. Using her legal knowledge, Tina tries to help, but soon finds that protecting herself from escalating danger has become the ultimate challenge.

Boxed Stephen Johnson,2021-11-29 A captive woman, a lover betrayed, an idealistic journalist. Three women - their fates strangely aligned by a killer obsessed with retribution. Melbourne Spotlight journalist Kim Prescott is promoted to the TV reporting staff after the program's expose of the Tugga's Mob murders in Australia and New Zealand was a ratings bonanza. The TV show's high profile now attracts stories. One anonymous tip-off will horrify the nation all over again. Despite the scandal that nearly closed the greyhound racing industry, it seems live baiting is still going on. The trail leads Kim and her camera crew to the Victorian gold-mining ghost town of Steiglitz. They find horrific scenes at a trainer's starting boxes - but not at all what they expect. Meanwhile, production assistant Jo becomes the pawn of an activist with a vendetta, testing whether her loyalty lies with him or her current affairs team. And, most desperate of all, hope finally flickers for a woman who scratches the record of her captivity into a cellar wall.

Tugga's Mob Stephen Johnson,2019-12-01 What happens on tour stays on tour was the mantra for the southern hemisphere backpackers who swarmed Europe in the 1980s. Foreign countries had to be explored and devoured in every way possible. Waikato-born Judy Williams worked hard for her big OE: London, Paris, Rome, Gallipoli; and her adventures were dutifully recorded in her diary. A diary that also recorded how the obsessive Tugga Tancred and his Kiwi mates turned Judy's trip of a lifetime into a nightmare

of sly sexual harassment. Their bad behaviour went unnoticed, or was ignored by fellow passengers like Australian Andrew Hackett who chose to party hard with Tugga's Mob. After all, they were in Europe for a good time, not a long time. And what a time it was, until Tugga's fixation ultimately led to murder: a crime that went unpunished for 30 years. But few things remain hidden forever. The rediscovery of Judy's hand-written diary sparks a trail of revenge that the original perpetrators never see coming. 'With... penetrating insights into the world of newsgathering, Tugga's Mob is the story of a forgotten crime that refuses to stay buried...' - Garry Disher

Cristabel is happy with her new situation and with the female tenants of the house. They are exceedingly well dressed for working-class girls and have many admirers. Fashion Marketing Marianne Bickle, 2010-06-21 Prior to the 1970s and 1980s, fashion marketing focused heavily (and perhaps solely) on women's fashions. Today, fashion marketing influences all products and how consumers use these products. How products are marketed, when products are marketed, the evolution of products into different sizes, shapes, colors, and uses are all influenced by fashion marketers. Fashion marketing is taken to different levels from branding a person (e.g., Ralph Lauren, the person), a line of products (e.g., Lexus luxury cars), or a single product (e.g., Coach handbag). This much-needed text introduces new methods and technologies to apply today's principles to future practices of fashion marketing.
