Madan Mohan Sushant Bharti,2024-03-26 Conservation Architect and Researcher Sushant Bharti highlights the significance of the Madan Mohan, an ancient and important temple in Vrindavan, India that has had a prominent impact both locally and globally throughout its history. The text includes a captivating portrayal of the temple both at home and in the Indian diaspora, a tribute to the attractive, ever enchanting nature of the structure and its spiritual potency. The establishment of Gaudiya Vaishnavas in the Braj region catalysed a novel movement centered around the devotion to Radha and Krishna. This movement, in turn, spurred construction of the Madan Mohan, one of the most significant and prominent temples in the area during the Mughal reign. In the late 16th and early 17th centuries, each temple emerged as a distinct example of Mughal artistry, showcasing a seamless integration of diverse architectural components and novel experimentation. The Madan Mohan temple stands as a remarkable testament to the confluence of social, economic, and political forces that transcended regional boundaries during the zenith of Mughal dominance.

**The Life and Times of Madan Lal Dhingra** Vishav Bandhu,2021-01-19 The Challenge “I attempted to shed English blood intentionally and of purpose; as a humble protest against the inhuman transportations and hangings of Indian youth. In this attempt I consulted none but my own conscience; conspired with none but my own duty. I believe that a nation unwillingly held down by foreign bayonets is in a perpetual state of war. Since open battle is rendered impossible I attacked by surprise - since canon could not be had I drew forth and fired a revolver. As a Hindu I feel that the slavery of my nation is an insult to my God. Her cause is the cause of freedom. Her service is the service of Sri Krishna. Neither rich nor able; a poor son like myself can offer nothing but his blood on the altar of Mother's deliverance and so I rejoice at the prospect of my martyrdom. The only lesson required in India is to learn how to die and the only way to teach it is by dying alone. The soul is immortal and if everyone of my countrymen takes at least two lives of Englishmen before his body falls the Mother's salvation is a day's work. This war ceases not only with the independence of India alone; it shall continue as long as the English and Hindu races exists in this world. Until our country is free Sri Krishna stands exhorting; if you are killed you; attain heaven; if successful you win the earth. It is my fervent prayer; may I be reborn of the same mother; and may I re-die in the same sacred cause; till my mission is done and She stands free for the good of humanity and to the glory of God.” —Madan Lal Dhingra

**Madan Mohan Malaviya and the Indian Freedom Movement** Jagannath Prasad Misra,2016-02-18 At the time when the national movement was still in its early stages, Madan Mohan Malaviya emerged as an enigmatic but commanding figure in the political landscape of India. This work reconstructs Malaviya's ideal of nationalism, which was composite, constructive and creative and offers a fresh perspective on an important period of modern India's political history. Utilizing new and authentic source material, this book traces Malaviya's role in the freedom struggle, the people who supported him, his relations with other established political leaders of the country within and outside of the Congress party and how he saw his own actions and role in public life. Taking Malaviya as a particular example of subcontinental leadership, Jagannath Prasad Misra studies the method and manner of Malaviya's nationalist propaganda. He shows that rather than being a restraining influence, Malaviya's faith in constitutional politics and educational advancement laid a solid foundation for the uplift of the nation.

**The T.N. Madan Omnibus** T.N. Madan,2010-11-03 For more than half a century, T.N. Madan has been a towering influence on the sociological and anthropological studies of family and kinship, cultural dimensions of development, religion, secularism, and Hindu society and tradition. This Omnibus brings together his seminal writings on marriage, kinship, family, and the household in Hindu society. Family and Kinship: A Study of the Pandits of Rural Kashmir, first published in 1965, remains a pioneering ethnographic study of the Kashmiri Pandits, and is considered a classic in the field of world anthropology. The book presents a social history of a people and culture which is currently virtually non-existent in the Kashmir Valley. Drawing upon new theoretical and methodological perspectives, Non-renunciation: Themes and Interpretations of Hindu Culture provides a nuanced understanding of Hinduism as a lived tradition. It explores aspects of auspiciousness, purity, asceticism, eroticism, altruism, and death while focussing on the householder's life in Hindu society. The Omnibus also includes additional essays on the Brahmanic gotra, and the Hindu family and development, along with a short piece on aspects of traditional household culture. It features an autobiographical essay—the author's recollection of growing up in a Pandit home in Srinagar, Kashmir. In the Prologue, T.N. Madan engages with the 'householder tradition' across the cultural regions of India, analysing themes of householdership and renunciation in religious philosophy and ethnography.
