**Mah Jong Handbook** Eleanor Noss Whitney, 2012-11-13 Master the game of Mahjong with this must-have game strategy guide for Mahjong beginners and enthusiasts. Originally played with cards, and then piece carved from ivory or bamboo, the Chinese game of Mahjong or Mah Jongg is well over a thousand years old. Said to have originated in the court of the Emperor of Wu, for centuries Mahjong remained a diversion exclusively for the royal class of China. Mahjong has been called the game of a hundred intelligences. When played by experts it can be fast and subtle—even difficult to follow. A Mah Jong Handbook is the all-comprehensive Mahjong guide, offering a clear and concise introduction to the classic Chinese, Western, and Japanese rules of the game and outlining its many variants. A great way to learn Mahjong—it presents the complex rules in a clear format, introducing those unfamiliar with the game to its rules and techniques. It will also allow more experienced players to expand their understanding of winning strategy quickly. Part One covers the rules of the game. Part Two provides alternatives, variations, and additions to the game. Part Three explores the fundamentals of successful strategy. With illustrations of sample hands, scoring charts, and a glossary of terms, A Mah Jong Handbook is an invaluable resource—a complete guidebook to the ancient but always fascinating game of Mahjong. This Mahjong guidebook includes: 176 page, full-color book Play basics like scoring, wall-building and rules Essential tools to improve and enhance game-play skills Winning strategies to be on the offensive and play defense Tips to master the game through actual examples and scenarios A Mah Jong Handbook is the book that readers will need to become a knowledgeable, confident and winning Mahjong player.

**The Little Book of Mahjong** Seth Brown, 2018-06-26 Disconnect from a device-oriented world and rediscover the classic Chinese game of mahjong—while improving focus, creativity and stimulating memory—with this comprehensive yet gifty guide that includes all the basics of the game, tips and techniques on how to play, and strategies to win both international mahjong and American mahjong. The classic game of mahjong was created over 2,000 years ago during the Qing Dynasty in China, but recently, it's experiencing a renaissance. No longer reserved for older players, mahjong is being rediscovered by millennials and is recognized for its ability to improve brain function, and reduce symptoms of cognitive diseases like dementia. Learning any new game can be difficult, especially one as complex as mahjong, which includes over dozens of tiles with different meanings. But whether you are a complete novice or a casual player looking to brush up on mahjong skills and techniques, The Little Book of Mahjong can help you get ahead in this classic game, whether you are playing international mahjong or American mahjong. With a comprehensive breakdown on all of the various tiles involved in the different versions of the game, explanations of what each tile means, detailed information on scoring, tips on how to improve your skills, and strategies for winning, this guide is perfect for mahjong players both new and old. Including a brief history of the game and its significance as well as full-color photos of game pieces and game objectives, you'll become a mahjong master in no time.

Windows 8.1 for Seniors in easy steps Michael Price,2014-05-01 Windows 8 was a revolutionary update of the popular operating system from Microsoft. With a brand new interface, new ways of getting around and accessing items and new possibilities for mobile devices, Windows 8 took the computing experience to the next level. However, there were still a few areas for improvement and these have been addressed with Window 8.1. Windows 8.1 for Seniors in easy steps shows you how to get up to speed with this latest version of Windows and begins by detailing how to get to grips with the Windows 8.1 interface. It deals with the basics such as accessing items, personalizing your screen and using additional controls that are available from the sides of the screen. The books includes the new features that have been added since Windows 8: the return of the Start button; options for booting up to the Desktop; viewing up to four apps on screen at the same time; an enhanced SkyDrive feature for online storage and sharing; and a unified search facility that enables you to search over your computer and the Web. A lot of the functionality of Windows 8.1 is aimed at touchscreen devices, whether they are desktop computers, laptops or tablets. This is dealt with in terms of navigating around, as well as showing how everything can still be done with a traditional mouse and keyboard. Apps are at the heart of Windows 8.1 and the newly designed Windows Store has an app for almost everything you could want to do. The book shows how to access and download apps and then how to work with them, and organize them, when you have them. As well as the new features that are covered, all of the old favourites are looked at in detail, such as working with folders and files, accessing the Internet, using email, working with photos and video, networking with Windows and system security. Windows 8.1 will open your eyes to a new way of computing and Windows 8.1 for Seniors in easy steps will help you see clearly so that you can quickly feel comfortable and confident with this exciting new operating system. It is presented with the Senior reader in mind, using larger type, in the familiar In Easy Steps style. Covers Windows 8.1, Update 1.
