The Mermaid Mahjong Circle Claudia

Grossman, 2020-05-14 A fairy tale for women, *The Mermaid Mahjong Circle* follows two lifelong friends and artists, Evie and Hannah, as they embark on an adventure that takes them from the present to the past and back again, thanks to a tale about a mysterious mahjong tile crafted a century ago. From the moment they discover the extraordinary tile on a beach near San Francisco, Evie and Hannah are caught up in the adventure of their lives, an amazing journey that tests the parameters of how far they can open their minds and their hearts to the power of friendship, of art, and of believing in something outside of reality that will change them forever. Smart, funny, and whimsical, with a touch of magic, *The Mermaid Mahjong Circle* is a nod to women empowering themselves through the things that matter most to them. Enter the circle and become enchanted.
