From the moment they discover the extraordinary tile on a beach near San Francisco, Evie and Hannah are caught up in the adventure of their lives, an amazing journey that tests the parameters of how far they can open their minds and their hearts to the power of friendship, of art, and of believing in something outside of reality that will change them forever. Smart, funny, and whimsical, with a touch of magic, *The Mermaid Mahjong Circle* is a nod to women empowering themselves through the things that matter most to them.
