Mojang AB, The Official Minecraft Team

**Minecraft** Mojang Ab,2016-06-16 This book contains the collective knowledge of the Survivors - an underground group of Minecraft experts who've been around since the early days of Alpha. Written by the Chief - the leader of the group - it contains their most cunning plans and their most ingenious inventions. On the home front, you'll learn what kind of base best suits your needs, what to stock in your arsenal and how to protect your base with imaginative defensive features. Out in the field you'll learn how to stalk your enemies, how to master the art of practical munitions and how to crush any opponent in hand-to-hand combat. The Chief also shares little-known tips for how to thrive in the Nether and End, and, once you're really confident, how to attempt a speed run to the End dimension. This is the definitive guide to survival in Minecraft from the experts who've lived to tell the tale. Study it carefully and you might just manage to stay alive as long as they have.

**Minecraft** Daniel Goldberg, Linus Larsson,2013-11-05 Three years ago, 32-year-old Markus Notch Persson of Stockholm was an unknown and bored computer programmer. Today, he is a multi-millionaire international icon. Minecraft, the virtual Lego game Markus crafted in his free time, has become one of the most talked about activities since Tetris. Talked about by tens of millions of people, in fact. It is the story of unlikely success, fast money, and the power of digital technology to rattle an empire. And it is about creation, exclusion, and the feeling of not fitting in. Here Markus opens up for the first time about his life. About his old Lego-filled desk at school. About the first computer his father brought home one day. But also about growing up in a family marked by drug abuse and conflict. But above all it is the story of the fine line between seeming misfit and creative madman, and the birth of a tech visionary. **Minecraft: The Unlikely Tale of Markus Notch Persson and the Game that Changed Everything** is a Cinderella story for the Internet age.

***Minecraft: The Island*** Max Brooks, 2017-07-18 NEW YORK TIMES BESTSELLER • The first official Minecraft novel! The author of World War Z tells the story of a hero—stranded in the world of Minecraft—who must unravel the secrets of a mysterious island in order to survive. “A rollicking adventure yarn; Robinson Crusoe for the digital age.”—NPR Washed up on a beach, the lone castaway looks around the shore. Where am I? Who am I? And why is everything made of blocks? But there isn't much time to soak up the sun. It's getting dark, and there's a strange new world to explore! The top priority is finding food. The next is not becoming food. Because there are others out there on the island . . . like the horde of zombies that appears after nightfall. Crafting a way out of this mess is a challenge like no other. Who could build a home while running from exploding creepers, armed skeletons, and an unstoppable tide of hot lava? Especially with no help except for a few makeshift tools and sage advice from an unlikely friend: a cow. In this world, the rules don't always make sense, but courage and creativity go a long way. There are forests to explore, hidden underground tunnels to loot, and undead mobs to defeat. Only then will the secrets of the island be revealed. **Understanding Minecraft** Nate Garrelts,2014-10-17 Since its official release in 2011, Minecraft has sold over 48 million copies across all gaming platforms. The premise of Minecraft is simple: destroy, collect, build and interact in a world made entirely of colored cubes. Unlike Lego blocks or other construction toys, Minecraft's digital play space allows for virtually limitless creation without the cost and limitations of physical building materials. Developer Mojang's generous policies toward modification and other uses of their intellectual property also engender enthusiasm and creativity from fans who make music, art and animation inspired by the software. The first essays in this collection cover Minecraft's origins, describing its relationship to other video games and toys and examining the learning models implicit in its design. Later essays describe and theorize the various ways players interact with the software, which simultaneously presents them with structural constraints and limitless possibilities.

*Get Started with Minecraft* John Moltz,2014 Minecraft comes with no real instructions, so surviving your first days in Minecraft can be full of frustrations, once you get the game installed. Don't worry. In this downloadable video, we'll explain how to get and install the game and survive your first day. You'll also see how to expand the game and play with friends.--Resource description page.

**Minecraft: The Village** Max Brooks,2023-10-17 The final book in Max Brooks's official Minecraft trilogy! The New York Times bestselling author of *Minecraft: The Island* details the story of two stranded heroes whose block-breaking expedition lands them squarely in the middle of a conflict that only

they can resolve. Journeying into the unknown is a scary prospect, but together Guy and Summer can navigate any challenge. The two castaways strike out in this curious, blocky world, searching for a way home. As they cross the Overworld—traversing frozen wastelands and scorching deserts—the pair makes an exciting discovery: a community populated by villagers! Guy and Summer settle in to learn more about their new friends, trading with the residents and exploring the surrounding area as they work out the next steps in their voyage. But with monstrous mobs and perilous pitfalls around every corner, they soon find that they might be needed here more than they'd thought. When a villager disappears, their investigation uncovers new foes—ones so powerful that this might spell the end of their adventure. Drawing on the lessons they've learned along the way, Guy and Summer must work together to protect the village.

**Minecraft For Dummies** Jesse Stay, Thomas Stay, Jacob Cordeiro, 2015-01-20 Provides readers with tips, techniques, and strategies for Minecraft, including how to understand biomes, explore and trade in villages, mine redstone, and survive hunger through farming and mining.

*Minecraft: The Mountain* Max Brooks, 2021-03-02 In the thrilling sequel to the New York Times bestselling novel *Minecraft: The Island*, a stranded hero stumbles upon another castaway—and discovers that teamwork might just be the secret to survival. Wandering a vast, icy tundra, the explorer has never felt more alone. Is there anything out here? Did I do the right thing by leaving the safety of my island? Should I give up and go back? So many questions, and no time to ponder—not when dark is falling and dangerous mobs are on the horizon. Gurgling zombies and snarling wolves lurk in the night, and they're closing in. With nowhere to hide, the lone traveler flees up a mountain, trapped and out of options . . . until a mysterious figure arrives, fighting off the horde singlehandedly. The unexpected savior is Summer, a fellow castaway and master of survival in these frozen wastes. Excited to find another person in this strange, blocky world, the explorer teams up with Summer, whose impressive mountain fortress as a safe haven . . . for now. But teamwork is a new skill for two people used to working alone. If they want to make it home, they will have to learn to work together—or risk losing everything.

**Minecraft: The Lost Journals** Mur Lafferty, 2019-07-09 This official Minecraft novel is a journey into the unknown! Max and Alison are proof that differences don't stand in the way of friendship. Max is always on the lookout for a new adventure—even if it means getting into trouble—while Alison prefers to follow the rules. But both of them are fascinated by the beat-up old journal Max finds and the strange gate its secretive author, the Enchanter, describes: a portal to an otherworldly realm of danger called the Nether. After they use the journal's instructions to craft the portal, Max and Alison squabble over whether to remain safe in the Overworld or to journey into the Nether to find the Enchanter . . . until a fateful accident makes the decision for them. Trapped in a scary new world, Max and Alison find an ally in Freya, a fierce warrior who has been living in the Nether with her beloved wolf, Bunny Biter. With Freya's help, and with the clues that lie in the pages of the mysterious journal, Max and Alison embark on a quest to find the Enchanter, even as the Nether pushes their skills—and their friendship—to the limit. *Minecraft: The Crash* Tracey Baptiste, 2018-07-12 When a new virtual-reality version of Minecraft brings her dreams to life, one player must face her worst nightmares. Bianca has never been good at following the plan. She's more of an act-now, deal-with-the-consequences-later type of person. But consequences can't be put off forever, as Bianca learns when she and her best friend, Lonnie, are in a terrible car crash. Waking up in the hospital, Bianca is faced with questions she's not equipped to answer. She chooses instead to try a virtual-reality version of Minecraft that gives her control over a world at the very moment she thought she'd lost it. There she encounters a glitching avatar she believes to be Lonnie. Bianca teams up with Esme and Anton – two kids also playing on the hospital server – to save her friend. Is Lonnie really stuck in the game? And can Bianca help him back to reality?
