Love, Lashes, and Lipstick Mally Roncal, 2014-09-23

From A-list celebrity makeup artist and Mally Beauty founder Mally Roncal comes an inspirational guide to living a gorgeous life inside and out, with step-by-step beauty lessons and personal stories about how inner strength, a positive outlook, and plenty of mascara can empower and uplift women at every age. Celebrity makeup artist Mally Roncal has a message she wants to share with the whole world: What makes you different makes you beautiful! It's the mantra that inspires her work with A-list clients (who include Jennifer Lopez, Mariah Carey, Beyoncé, Angelina Jolie, Taylor Swift, Mary J. Blige, and Kelly Osbourne) and every single "bulletproof" item in her Mally Beauty cosmetics line. With her warm, generous spirit, infectious energy, and deeply rooted belief that with a positive outlook and a couple of genius makeup tricks every woman can be gorgeous inside and out, Mally has created a legion of fans, a.k.a. Mallynistas, who faithfully tune in whenever she appears on QVC and follow her on Facebook, YouTube, Twitter, and Instagram. In *Love, Lashes, and Lipstick*, Mally tells her own story of growing up as the daughter of two Filipino doctors; smuggling blue eyeliner into her Catholic school; breaking into the business (with giant platform heels and bleached blond hair) in New York; jetting around the world with megastars; meeting her soul mate when she was least expecting it; and gradually building a full, joyous life running her own business and raising three young girls. Along with her wise and hilarious life lessons, Mally shares the secrets to all her signature looks with easy, step-by-step instructions and gorgeous illustrations. Want to master Beyoncé's and JLo's sexy glow, or the ultimate smoky eye? Need to look polished but fierce for a big day at work, or fake eight hours of sleep when you only got four? As Mally

would say, "It's all here, my loves! Come and get it!" Praise for Love, Lashes, and Lipstick "The beauty book you've been waiting for forever."—The Huffington Post "Mally Roncal's new book is full of beauty wisdom. . . . If you're a makeup junkie, you'll want to get your hands on it ASAP."—Allure "A beauty lover's must-read."—StyleBistro "The most important thing we learn from Mally (aside from everything you ever wanted to know about false eyelashes) is how to have fun, how to be a wonderful, beautiful, love-filled person, and how to enjoy life. Had this book come along earlier, I might have had a better life (and better lashes)."—Isaac Mizrahi "Mally Roncal's approach to makeup is exemplified by her personality: smart, sexy, fun, and beautiful. I really dig this woman!"—RuPaul "Mally's gift, aside from creating beautiful makeup, is her incredible generosity of spirit. She shares tools for feeling beautiful inside and out. Mally's family is the center of her universe, and her heart is big enough to enfold each and every friend, client, and customer within that family. Kudos to my dear friend on this amazing book! Within it are the tools for achieving true beauty."—Tracy Reese "Mally isn't just a beauty expert—she's a spirited cheerleader for women everywhere. Within the first twenty minutes of reading her new book, I found myself in stitches, then tears, then stitches again."—Amy Synnott, executive editor, InStyle From the Hardcover edition.

The Turncoat's Widow Mally Becker, 2021-02-16

Recently widowed, Rebecca Parcell is too busy struggling to maintain her farm in Morristown to give a fig who wins the War for Independence. But rumors are spreading in the winter of 1780 that she's a Loyalist sympathizer who betrayed her husband to the British--quite a tidy way to end her disastrous marriage, the village gossips whisper. Everyone knows that her husband was a Patriot, a hero who died aboard a British prison ship moored in New York Harbor. But everyone is wrong. Parcell was a British spy, and General Washington--who spent that winter in Morristown--can prove it. He swears he'll safeguard Becca's farm if she unravels her husband's secrets. With a mob ready to exile her or worse, it's an offer she can't refuse. Escaped British prisoner of war Daniel Alloway was the last person to see Becca's husband alive, and Washington throws this unlikely couple together on an espionage mission to British-occupied New York City. Moving from glittering balls to an underworld of brothels and prisons, Becca and Daniel uncover a plot that threatens the new country's future. But will they move quickly enough to warn General Washington? And can Becca, who's lost almost everyone she loves, fight her growing attraction to Daniel, a man who always moves on?

The author is determined to get her voice out in print to show you that there is therapy in poetry. She has experienced hardship, problems with the system, legal trouble, illness, and drugs. But all of these trials in her life are what really paved the road and gave her the degree to publish such a book. A very powerful, very real, book that needs to be shared with the public.

Mally in the Middle Jordan Sullen,2019-02-22 Life was drastically different for Jasper and Mally on the space continent of U.F.Africa. It was just another day for the boys as they were out test-driving the new spaceship. But after Mally hit the wrong button on the deck, the spaceship unexpectedly came careening down towards N'awlins. Upon their landing, the boys crash upon a chipped, painted wooden space. Unlike anything they have experienced back home, this place offers frozen treats to visiting patrons nearby. To the boys, these concoctions look like beautifully colored, frozen comets inside sturdy white objects. Mally and Jasper cannot resist their new earthly cravings. This summertime tale of friendship and snoopiness is sure to give children a fun treat to cool them down.

Revolutionary Acts Lynn Mally,2016-11-01 During the Russian Revolution and Civil War, amateur theater groups sprang up in cities across the country. Workers, peasants, students, soldiers, and sailors provided entertainment ranging from improvisations to gymnastics and from propaganda sketches to the plays of Chekhov. In *Revolutionary Acts*, Lynn Mally reconstructs the history of the amateur stage in Soviet Russia from 1917 to the height of the Stalinist purges. Her book illustrates in fascinating detail how Soviet culture was transformed during the new regime's first two decades in power. Of all the arts, theater had a special appeal for mass audiences in Russia, and with the coming of the revolution it took on an important role in the dissemination of the new socialist culture. Mally's analysis of amateur theater as a space where performers,

their audiences, and the political authorities came into contact enables her to explore whether this culture emerged spontaneously from below or was imposed by the revolutionary elite. She shows that by the late 1920s, Soviet leaders had come to distrust the initiatives of the lower classes, and the amateur theaters fell increasingly under the guidance of artistic professionals. Within a few years, state agencies intervened to homogenize repertoire and performance style, and with the institutionalization of Socialist Realist principles, only those works in a unified Soviet canon were presented.
