Katie Russell Newland

Mama, Is It Summer Yet? Nikki McClure, 2018-04-03 In this charming book, one little boy can't wait for summer to arrive. He keeps asking, "Mama, is it summer yet?" Mama responds saying, "Not yet," but there are plenty of signs that indicate spring is changing into summer: The earth is soft and there are seeds to plant, birds singing, ducklings in the pond, and pink blossoms blooming. The young boy even wears his bathing suit and carries a beach pail in preparation, but will it ever be summer? The text is a wonderful celebration of the change of seasons and showcases Nikki's images of nature and the joys of family and community.

Season's of a Mother's Heart Sally Clarkson, 2022-04-15 There is a time for everything, and a season for every activity under the heavens. (Ecclesiastes 3:1) Your life as a mom is a whirlwind of changing seasons that can leave you exhilarated one day and exhausted the next. Take time to catch your breath with Sally Clarkson as she shares personal stories and heartfelt insights to refresh your spirit. She opens her own seasoned heart as a homeschooling wife and mother to be a voice of heartfelt encouragement for your life at home. Step out of the whirlwind, pour a cup of tea, and take a deep breath of God's Spirit with Sally. God will use all your seasons to shape and challenge your heart, to prepare you to be a mother after his heart, and to equip you to raise wholehearted children for Christ who will follow him, and then do the same for their own children. It is your calling. -- Sally Clarkson

The Seasons of My Mother Marcia Gay Harden, 2018 "A fiercely loving and tender tribute" (Lisa Genova, New York Times bestselling author of *Still Alice* and *Every Note Played*), this lyrical memoir by one of America's most revered actresses weaves stories of her adventures and travels with her mother, while reflecting on the beautiful spirit that persists even in the face of her mother's terminal disease. Marcia Gay Harden knew at a young age that her life would be anything but ordinary. One of five lively children born to two Texas natives—Beverly, a proper Dallas lady, and Thad, a young naval officer—she always had a knack for storytelling, role-playing, and adventure. As a military family, the Hardens moved often, and their travels eventually took them to Yokohama, off the coast of Japan, during the Vietnam War era. It was here that Beverly found her own self-expression in ikebana, the ancient Japanese art of flower arranging. Using the philosophy of ikebana as her starting point, Marcia Gay Harden intertwines the seasons of her mother's life with her own journey from precocious young girl to budding artist in New York City to Academy Award-winning actress. With a razor-sharp wit, as well as the kind of emotional honesty that has made her performances resonate with audiences worldwide, Marcia captures the joys and losses of life even as her precious mother gracefully strives to maintain her identity while coming to grips with Alzheimer's disease. "Replete with emotionally resonant scenes, humor, and tales of Harden's own journey as an actor" (Booklist), *Seasons of My Mother* illustrates the unforgettable vulnerability and beauty of motherhood, as Marcia does what Beverly can no longer do: she remembers.

Representations of the Mother-in-Law in Literature, Film, Drama, and Television Jo Parnell, 2018-08-03 This collection discusses the depictions of mothers-in-law in popular culture and provides a different approach to the popularly-held views of mothers-in-law.

All the Seasons of the Year Deborah Lee Rose, 2010-10-01 Verses describe how

Even if the wait is longer than you'd hoped, dreams can come true.

The Seasons of My Mother Marcia Gay Harden, 2018-07-28 Award-winning actress Marcia Gay Harden uses the philosophy of ikebana, learned by her mother in Yokohama, as a starting point to weave tales of their adventures. With wit and emotional honesty, she captures both the joys and losses as her precious mother

Seasons in the Kitchen with Mama Farrelli Patricia Farrell Kovach, 2014-10-17 This is a compilation of treasured recipes from my family and great recipes that I have found over 45 years of cooking and baking for family and friends. This project was begun as a way to capture all the favorite things that I made over the years as a stay-at-home mom....it was written as a dialogue with my children...this is my legacy to them.

For the Love of Mama Ontra Rodgers Reddick, 2021-07-26 *For the Love of Mama* is a candid and explicit look into the life of a young, confused woman through the eyes of her daughter who is trying to make sense of her life while trying to find her own way. Mama made many choices and suffered the consequences of these choices she made based on her immediate needs for a specific season in her life. The book shows how her decisions not only affected her, but how these decisions also affected her children who basically went through life, trying to find out who they were and where they belonged. The book shows how on one hand, her children grew up with a desire for the "proud look" they had witnessed from their youth and, on the other hand, the humbleness she always seemed to possess. They each tried to blend the two and ended up with an insatiable need to prove something to the world and to themselves that could not be satisfied. None of them knew who they really were. They just imitated people they saw and wanted to be like without stopping to count the cost. You will witness in *For the Love of Mama* how the seeds of God's grace and mercy prevailed throughout Mama's life. *For the Love of Mama* will touch your heart, and it is guaranteed to stir your emotions. You will agree that Mama was really something special and God truly had His hands on her all her life.

M Is for Mama Abbie Halberstadt, 2022-02-01 A PUBLISHER'S WEEKLY BESTSELLER Mama of ten Abbie Halberstadt helps women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Mamas only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for mamas to grow and thrive. As a daughter of Christ, you have been called to be more than an average mama. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.

Mama, You Still Matter Laura Heflin, 2021-04-27 Motherhood: the hardest, most rewarding job on the planet that grows us, teaches us, stretches us and fills our heart with more love than we could ever imagine. But what happens when we burn out? What happens when we lose our steam and feel as we have lost the woman we once were? What do we do when we feel as if we have nothing left to give? The answer is simple. We must stop putting ourselves last. We must remember that in order to love others and be the best mama we can possibly be, we must first nurture our mind, body and soul and let go of the guilt that surrounds us. We must confidently look in the mirror daily and remind ourselves *Mama, YOU Still Matter!*

A Year with Mama Earth Rebecca Grabill, 2019-09-10 In September, Mama Earth sighs out the first autumn frost, which crunches under children's feet. Mama Earth looks after nature's plants and animals throughout the year—singing lullabies to fat bears in the fall, dressing evergreens in icicles in winter, and waking up the crocuses in spring. And in the summer, Mama Earth sends warm sunbeams to her beloved children, so they can play outside and enjoy the amazing world around them. With enchanting text and radiant artwork, *A Year with Mama Earth* offers a joyous celebration of nature's beauty and the changing seasons.

Mama's Voice Esther Bganya, 2015-03-31 *Mama's Voice* is the product of a middle-aged Christian psychiatrist and mother who journals her life observations and experiences, hoping to pass on some life lessons to her children. What started off as random journaling of thoughts ended up being a published book released as a birthday present for her children. The book is written in a random manner with life lessons ranging from self-esteem, bad habits, addictions, snobbery, conflict, money, selfishness, greed, and codependent relationships through to family dramas. The author attempts to capture some important life lessons with a touch of humor and rawness that depicts the real-life dramas. Both pleasurable and painful life observations and experiences are unapologetically expressed with a rawness that does not coat it with sweet candy. It's about real life seen through the eyes of a mother going through a midlife crisis and questioning most things she had taken for granted. The messages are given as direct instructions to her children in second or third person voices and riddles. The messages are just as random as they entered the author's thoughts. This is a light read for both the middle-aged and young, who are questioning a few things in their worldview. Like the philosopher in the book of Ecclesiastes, the author grapples with certain life issues until she finally realizes that she cannot fix the world and she gives up control. The forty-five-year-old author starts off by writing a letter to her thirteen-year-old self and ends the book with her modified version of the Ten Commandments and a futuristic letter to her eighty-five-year-old self.
