The Essence of Twelve - The Beginning of the journey Patrick e. Baker, 2020-09-01 Earth is on the brink of total annihilation and the only hope for survival are thirteen young individuals (one controller and twelve Essence protectors). They are linked through one core commonality- Selina, the Denarian supreme commander, who having fled from her evil husband Alanius twenty-three years earlier, seeks refuge on earth, the remotest of planets in the vast expanses of the known galaxy. Here she marries a human, a game ranger named Gus and gives birth to Jason, her firstborn son, of alien and human descent. She also infuses another twelve infants with Essence, an alien, cosmic substance bestowing custodian powers on each unknowing infant, to be the protectors of earth only if and when the earth is ever confronted with invasion by Alanius and his fleet of voracious soldiers. Jason inadvertently triggers the discovery of the locality of each individual and sets in motion a race against time in locating, activating and preparing the Essence of Twelve for their ultimate challenge, saving Earth.

Murder, She Wrote: Murder in Season Jessica Fletcher, Jon Land, 2020-11-24 "This appealing-if murder-prone-world is a splendid place to spend a bit of the holiday season."--Publishers Weekly Christmas has come to Cabot Cove, but a peaceful holiday season is not in the cards after Jessica Fletcher is pulled into a centuries-old mystery in the latest entry in this USA Today bestselling

series. With work on the reconstruction of her beloved home almost complete, Jessica Fletcher is in high holiday spirits, spearheading the annual Christmas parade and preparing for her nephew Grady and his family to come to town. The only thing dampening the holiday cheer is the discovery of two sets of bones on Jessica's property: one set ancient, the other only about a year old. It's concluded that they were both placed there during the reconstruction, and Jessica suspects that, despite the centuries between them, the remains might be connected. Soon tabloid reporter Tad Hollenbeck arrives in Cabot Cove to write a story about what he calls "the murder capital of the country." But when Tad himself is murdered, Jessica speculates that his arrival, his death, and the discovery of the bones are all somehow linked. As Jessica digs deeper to find the connection between the bones and Tad's murder, everything seems to come back to a mystery that has long plagued Cabot Cove. If she wants to solve the case, she'll need to delve into her beloved town's dark history, or else this holiday season may be her last....
