Mexislang Raúl Jiménez, 2018-05-27 All the Mexican slang you'll ever need!! I have been teaching Mexican Spanish online for more than 3 years, and while talking to my students, I've noticed how interested they were in learning mexislang. They asked me about it all the time, and it started to fascinate me as well. I realized how slang didn't follow any rules and was constantly changing, day by day. I created a blog - mexislang.com - where I started posting entries for my students, to better explain them how slang words were used and why. These blog posts have evolved into this book. Here, I gather the most important phrases and words of mexislang and explain their history and usage, including examples. You will find this manual useful if... You want to learn Spanish from Mexico; You are going to travel to Mexico; You want to understand Mexican culture better; You like learning new languages; You want to communicate better with Mexican people; You want to learn the most recent Mexican slang (and internet slang), from 2018; You want to learn slang from a real Mexican tutor who has taught Spanish to people from all around the world. Mexico is the 8th most visited country in the world, and #1 in Latin America, so this is a book that can be used by adventurers, businessmen, spring breakers, and any average joe who wants to make bonds, communicate, and establish good relationships with Mexican people. Start talking like a Mexican, Get Mexislang now!!

Mexican Slang Linton H. Robinson, 1992 This Spanish slang lexicon explains & translates many of the obscure expressions in common usage on Mexican streets today, most of which are not in standard English/Spanish dictionary. (Contains some adult language.)

Mexican Slang Plus Graffiti Elizabeth Reid, Charlene Lopez, Linton H. Robinson, 2003 A unique book that reveals the hip talk and occasionally lewd eloquence of the Spanish commonly used in Mexico and Latin America. Also includes examples of slang commonly found in graffiti on buildings, bridges and fences.

Say It Like a Mexican - A Handy Guide to Mexican Slang Robert Challen de Mercer, 2006-10 Mexican slang, by its very nature, is often used to accurately portray the human condition: our foibles, habits, physiology, sexuality, ugliness or beauty, weaknesses, and official capacity - along with all the demons that are contained in the Pandora's Box of human character. In this book, you will discover- * What lovers say to one another * How to swear convincingly * What it means to be simpatico * What a masacuota is * Names for forbidden substances * How to flirt with panache * How not to order your waiter's testicles for breakfast!!! And much, much more. This handy publication will guide you through the labyrinth of Mexican slang: allow your efforts in Spanish to be expressive and colorful - as the Mexicans are - while instructing you in the pitfalls and dangers of being too gauche, or too insulting. This book will be a companion for all students of the language; travelers to Mexico or those contemplating living there. It can help translators, teachers, students and journalists speaking or writing in Mexico, and any Spanish speaking country - much of the slang heard in Mexico is used in Spain and throughout the Americas. As well as instruct, we hope Say it like a Mexican will also entertain you and allow a few bawdy laughs at these pithy modismos, which march in their hundreds through the pages. * Text hot as a habenero!
