**Mickie Matheis**

**Mickie** Harold C. Jones, It's a coming of age moment for Herman and his friend Flynn. It's a hot night, and they're two young guys cruising in a borrowed car. When they come across the beautiful Mickie, a picture of American loveliness, old enough to get beer and everything, certain issues must be confronted. A short story of gay fiction by Harold C. Jones.

**Mickie's Heart** Devonda M. Manghane, 2021-07-11 Mickie's Heart is about a little girl who discovers hearts everywhere she goes, or maybe they discover her, and the experiences she picks up along the way. It's also about accepting our differences and that which makes us stand out from the crowd because they could be treasures in that pot of gold at the end.

**The Many Worlds of Mickie Dalton** Michael Davies, 2008 Life for twelve year old Mickie Dalton is miserable. Cold, abusive parents make his home intolerable. So when Mickie meets a young couple in the park, an escape opens up. They tell him an astounding truth - Mickie is not a human being, though just what he is, where he came from and how he came to be on Earth are all a mystery. Mickie joins his new guardians on an immense spaceship that travels the Universe, even between galaxies, trading with many intelligent species on other planets as he seeks out his origins and nature. Slowly, he begins to develop extraordinary powers that must have been part of his people. As he also starts to find strange hints of what may have happened, he learns that he is one of an ancient race, the Pfafth who once ruled over forty galaxies but vanished without trace a million years ago. But other forces learn of Mickie's presence, huge forces of immense evil and power that were the cause of the destruction of the Pfafth and now they are intent on finding Mickie and his vanished people so that they can complete the destruction of that ancient race. A million year old war has started again and Mickie must draw on all his astonishing, growing powers and seek the help of allies, some strange, some beautiful, some terrifying as he seeks his people to prevent their end.

**The Many Universes of Mickie Dalton** Michael Davies, 2008 Mickie Dalton is now fifteen but in his mind is the genetic memory of the entire life of Markel, once the leader of the Pfafth race in their prime as the rulers of the known Universe and during their downfall and flight into hiding. In his three years of travelling the Universe aboard the inter-galactic trading ship, he has grown, matured and developed some of the astonishing and lethal powers of the Pfafth and met many different species, some of them friends, some dangerous enemies. He has also encountered and fought the dreadful

Sillaron, the frightening and destructive race that caused the downfall of the Pfafth over a million years ago and he has barely escaped with his life at times. Although unable to contact them, Mickie has discovered where the Pfafth have locked themselves away in a Space and Time outside of normal Space and Time. Then the Pfafth make contact with Mickie and he finally gets to meet his species and learn of the role for which he has been bred over a million year program. But the encounter reveals a reality for which he could never have prepared himself and a crisis far worse than could have been dreamed of. Unless the hidden galaxy of the Pfafth is returned to normal Space and Time, all of the Universe could become unstable and break apart. Mickie is faced with the ultimate choice between his own life and that of his entire species.

Men Possessing the Total Package Jerlette Mickie,2012-06 Words From The Author It is my heart's desire to see men performing their role as a role model for future young men to emulate. In this shaky economy that we live in, we need men of quality. Throughout this book, I am targeting men that need to step up and give their all in everything God has designed them to be. Having raised three sons, I feel compelled to write about the growing epidemic that is facing the men of the population. If men are not pursuing, there will always be a page in their life that will render incompleteness until he summons God for direction. I am inclined to believe that the family is out of sync without him and a better unit with him. Whether you are men in the corporate world, Christian arena, work place, or even incarcerated, this book is prepared just for you and will provide the right tools you need, to possess the Total Package. This book displays the qualities and characteristics that each man should attain to fulfill their assignment and purpose in life.
