**Get Started with Minecraft®** John Moltz, 2014-10-28 Minecraft is as fun as it is initially hard to understand. Getting the game installed is just the first hurdle. The game comes with no real instructions, so surviving your first day in Minecraft can be a walk in the dark. Hopefully not literally, because that's when the bad things come out. Don't worry. In this helpful ebook, we'll not only explain how to get and install the game and survive your first day, but also go through how to expand the game. You'll see how to install add-ons, install and play modified versions of the game, and set up your own server in no time—or about 40 pages, whichever comes first.

Minecraft: The Mountain Max Brooks, 2021-03-02 In the thrilling sequel to the New York Times bestselling novel *Minecraft: The Island*, a stranded hero stumbles upon another castaway—and discovers that teamwork might just be the secret to survival. Wandering a vast, icy tundra, the explorer has never felt more alone. Is there anything out here? Did I do the right thing by leaving the safety of my island? Should I give up and go back? So many questions, and no time to ponder—not when dark is falling and dangerous mobs are on the horizon. Gurgling zombies and snarling wolves lurk in the night, and they're closing in. With nowhere to hide, the lone traveler flees up a mountain, trapped and out of options . . . until a mysterious figure arrives, fighting off the horde singlehandedly. The unexpected savior is Summer, a fellow castaway and master of survival in these frozen wastes. Excited to find another person in this strange, blocky world, the explorer teams up with Summer, whose impressive mountain fortress is a safe haven . . . for now. But teamwork is a new skill for two people used to working alone. If they want to make it home, they will have to learn to work together—or risk losing everything.
