Minecraft Billy Miner, 2017-01-26 Choose your own Minecraft paths (8 stories) as an explorer, warrior princess, warrior, ninja, zombie, a creeper, ender spy, or as Alex or Steve Story 1: This book is a little different from regular story books. In this adventure, YOU are the adventurer. By making choices, you determine your destiny as the treasure hunter who faces all kinds of Minecraft enemies and very real dangers. Simply click on the links in the E-book version or go to the page of the printed version to continue your journey after making a choice. Story 2: You are the heroine, the princess who is searching for her identity. Your purple eyes make you unique, but you have no clue why. In a quest for meaning, you can choose your own path by going to the Nether, the End, or a lake in the middle of nowhere. Pick a marriage partner, decide what to do with the enemies you face, and solve the problem by finding out what the evil queen

has done in the past. Story 3: You are a soldier in the army, a combined army of men from several villages who try to defend their homes and freedom against dangerous creatures, like CREEPERS!!! But then something happens... your friend gets wounded. Will he die? Or will you find the cure by collecting the three magical gems, hidden in distant areas where filthy zombies, snakes, and wolves abide? Story 4: After a theft at the museum, the grand detective, Mr. Questionmark, calls you over to do some research. With your two big knives and your sneaking and fighting skills, you are perfectly equipped to bring back the three valuable pickaxes that the villain stole. Story 5: The adventure starts out with the fact that you are a zombie. You don't know how or why it happened, but you know you were once human. What happens then, is a long flashback of everything that took place before you transformed into such a filthy creature. You made a number of decisions that brought you to the town's square where you ended up eventually. But what matters even more than what you did before that, is what you're going to do now about the zombie outbreak! Story 6: Choose your own story as you get woken up by a girl whose name you are still to discover. She tells you of a hostile village, where evil witches lurk beneath the shadows. As a skilled warrior, you get hired by the village chief to spy behind the enemy's gates and figure out a way to defeat them. You have the choice to contact villagers, sneak around, or engage in a severe battle of war. However, when you find yourself being turned into some kind of creeper-human, you realize that there is more going on. Story 7: A villager approaches you and tells you that his father, a doctor, has been kidnapped by endermen. When you keep asking for details, you discover that he has been taken to the End, the den where the endermen and endermitees reside. That's a dangerous situation. However, you take courage and enter the humongous, dark place, searching for the boy's daddy. Story 8: In this story, you can either make choices as Alex or Steve. You fight side by side with your

companion, defeating creeper armies and zombie hordes. The village is under attack! Choose if you want the female version or the male version of the story. You can also go back and do it again from the other's perspective after you finish the book. Do you like to flirt with Steve, that hunk of a man, and show what Alex can do with her pickaxe? Or do you want to be Steve, and eat meat, kill enemies and show off like a real guy usually does around a pretty girl? Will you kiss him, hug him, or just high-five him. Will you distract the creepers, protect Alex, or think of battling strategies?
