Some are even using it as a battleground. Griefers roam the lands and the community has evolved to allow them an existence - the PvP and anarchy realms where anything goes except cheating of course!Learn secrets and

strategies that will make you better than the average player and an advisor to some of the better players. Assumes some very basic knowledge of the game. 84 pages (varies by device) including 20 pages of screenshots from actual gameplay to show strategy and features in action. Learn how to set up safe realms and spot people abusing your hospitality on public realms. Covers latest and future content including the December 2018 Cats and Pandas Update (Bedrock 1.8.0). Please note that commentary on features not yet included (Illagers and Pillagers) may not be 100% accurate as there may be some slight changes to gameplay before they are actually unleashed on players (rumoured 1.11.0 - boocraft streams use the latest stable experimental features).Also includes pointers to valuable information sources that will fill out your knowledge to make you an all-round player. Age 8-50yrs+. Please note that the paperback contains a little more information than the ebook since it seems to cost quite a lot to print and deliver a real book.This book should be used as an essential strategy guide and roadmap for playing Survival Mode. It does NOT replace the comprehensive guides produced by Mojang themselves, it compliments them. For example, this book may refer to using a particular tool but not go into much depth on it, therefore, Mojang's set of books should be part of your reference collection.About Minecraft BedrockBedrock Edition covers Android, VR, Xbox, Windows, IOS, Nintendo Switch and Kindle and allows players from any of those platforms amongst others to play together in the same Minecraft game using a feature called crossplay. Crossplay in Minecraft is seamless. You wouldn't know that someone was using a different type of device unless they told you.PlayStation and Java Edition versions of Minecraft will operate slightly different to Bedrock so it is important to check with the sites and sources that are mentioned to adapt your gameplay to make sure things work as you want them to if you do use this book on those platforms.
