The White Mirror Elsa Hart, 2016-09-06 In *The White Mirror*, the follow-up to Elsa Hart's critically acclaimed debut, *Jade Dragon Mountain*, Li Du, an imperial librarian and former exile in 18th century China, is now an independent traveler. He is journeying with a trade caravan bound for Lhasa when a detour brings them to a valley hidden between mountain passes. On the icy planks of a wooden bridge, a monk sits in contemplation. Closer inspection reveals that the monk is dead, apparently of a self-inflicted wound. His robes are rent, revealing a strange symbol painted on his chest. When the rain turns to snow, the caravan is forced to seek hospitality from the local lord while they wait for the storm to pass. The dead monk, Li Du soon learns, was a reclusive painter. According to the family, his bizarre suicide is not surprising, given his obsession with the demon world. But Li Du is convinced that all is not as it seems. Why did the caravan leader detour to this particular valley? Why does the lord's heir sleep in the barn like a servant? And who is the mysterious woman traveling through the mountain wilds? Trapped in the snow, surrounded by secrets and an unexplained grief that haunts the manor, Li Du cannot distract himself from memories he's tried to leave behind. As he discovers irrefutable evidence of the painter's murder and pieces together the dark circumstances of his death, Li Du must face the reason he will not go home and, ultimately, the reason why he must.

The Mirror and the Mask Ellen Hart, 2009-11-10 Ellen Hart was named the 2017 MWA Grand Master, the most distinguished lifetime achievement award offered in the mystery community. Minneapolis restaurateur Jane Lawless is at crossroads. The rough economy has put her plans for a third restaurant on hold, and her long distance romance is on the rocks and quite possibly unsalvageable. Unsure of what to do next, she takes her good friend A. J. Nolan up on his standing offer to take her on as a private investigator. While still in training, her first job seems simple enough. All she had to do is find Annie Archer's stepfather. Jane tracks down a likely match—a man who has made a small fortune in real estate. While she's happy to close her first case, she finds it hard to reconcile the difference between PI work—finding what people pay you to find—and uncovering the truth, the whole truth, especially when clues in this seemingly simple case point to more threatening family secrets than where Annie's father has been hiding out. Ellen Hart's *The Mirror and the Mask* is another engrossing mystery filled with the deceit and psychological intrigue that fans have come to expect from this Lambda and Minnesota Book Award--winning author and MWA Grand Master.

A False Mirror Charles Todd, 2009-10-13 "Full of suspense, surprises, and sympathetic characters." —Fort Lauderdale Sun-Sentinel "No mystery series I can think of captures the sadness and loss that swept over England after World War I with the heartbreaking force of Charles Todd's books about Scotland Yard Inspector Ian Rutledge." —Chicago Tribune The remarkable Charles Todd has created one of the most unforgettable characters in mystery and crime fiction: Inspector Ian Rutledge, shell-shocked veteran of "the Great War." *A False Mirror* is one of Todd's most powerful novels, plunging his tormented protagonist into the center of a brutal crime that painfully echoes events in Rutledge's own past. Poignant, evocative, and continually surprising, *A False Mirror* is further proof that Charles Todd is well deserving of the critical acclaim the Rutledge novels have earned; a New York Times bestselling author who belongs among the acknowledged masters of the genre, including P. D. James, Elizabeth George, Ruth Rendell, and Jacqueline Winspear.

The Crystal Mirror and The Mystery of the Ring of Fire Niel Robertson, 2005-04 This collection of two short stories represents the best of the childhood imagination. Written when he was only nine years old, *The Crystal Mirror* and *The Mystery of the Ring of Fire* are wonderful tales of adventure and discovery. While youthful in their very nature, both remind us of the pleasure of storytelling. *The Crystal Mirror* chronicles the adventures of young Dunlew as he seeks to help his father and destroy the dreaded Crystal Mirror. The writer Lloyd Alexander, whose novels, *The Chronicles of Prydain*, inspired Robertson's own story, has high praise for this work. It's an exciting, excellent work, really in every way—the characters, the plot, and the language, all splendid. I thoroughly enjoyed reading it...as a writer I can appreciate the great amount of work involved. The second story in the collection, *The Mystery of the Ring of Fire*, captures one event in the illustrious career of Renton Brack, a world class detective. Renton and his partner must discover who stole the jewel bound vase. The answer is sure to surprise everyone! These stories are perfect for inspiring young writers and the young at heart to continue creating stories for all to enjoy.
