Mirror Mirror: A Mystery Bernie Nofel,2018-11-17 Mirror Mirror, A Mystery, is a psychodrama about a killer, who calls himself The Other, who's on the loose in Cleveland, Ohio. His goal is to unite all of mankind, who he sees as hopelessly bigoted and fearful of the other, by becoming the one Other that everyone will fear. Leading the investigation is Jack Wharton, who has a shared childhood past with the prime suspect, and who gains key insights from images in his dreams. He catches the suspect, and is a hero...but, will the killings stop?

The White Mirror Elsa Hart,2016-09-06 In The White Mirror, the follow-up to Elsa Hart's critically acclaimed debut, Jade Dragon Mountain, Li Du, an imperial librarian and former exile in 18th century China, is now an independent traveler. He is journeying with a trade caravan bound for Lhasa when a detour brings them to a valley hidden between mountain passes. On the icy planks of a wooden bridge, a monk sits in contemplation. Closer inspection reveals that the monk is dead, apparently of a self-inflicted wound. His robes are rent, revealing a strange symbol painted on his chest. When the rain turns to snow, the caravan is forced to seek hospitality from the local lord while they wait for the storm to pass. The dead monk, Li Du soon learns, was a reclusive painter. According to the family, his bizarre suicide is not surprising, given his obsession with the demon world. But Li Du is convinced that all is not as it seems. Why did the caravan leader detour to this particular valley? Why does the lord's heir sleep in the barn like a servant? And who is the mysterious woman traveling through the mountain wilds? Trapped in the snow, surrounded by secrets and an unexplained grief that haunts the manor, Li Du cannot distract himself from memories he's tried to leave behind. As he discovers irrefutable evidence of the painter's murder and pieces together the dark circumstances of his death, Li Du must face the reason he will not go home and, ultimately, the reason why he must.

Steam, Smoke & Mirrors Colin Edmonds,2015 When a Music Hall hypnotist escapes from the London County Asylum she leaves a single word on the wall of her cell - scrawled in blood: 'MAGISTER'. But why does Superintendent William Melville of The Special Branch call upon the skills of brilliant stage magician Michael Magister and his glamorous assistant Phoebe Le Breton to help capture the murderer? Especially as Michael is one of those named on the death list. From the recently discovered journals of Professor Artemus More, secrets are laid bare, mysteries revealed, illusions exposed and conspiracies uncovered, all in a Steampunk vision of Victorian Britain. Dark Mirror Barry Maitland,2009-09-29 Newly promoted to Detective Inspector, Kathy Kolla of the Serious Crimes Unit is called in by the forensic pathologist regarding the recent sudden death of a London student from what he's determined to be arsenic poisoning. Marion Summers had no reason to be in contact with arsenic and, though once common, arsenic is now very hard to get hold of. The more Kolla investigates, the more she discovers that certain other things about Summers are also unusual. She moved three octobers ago without leaving a forwarding address or informing her relatives. And her step-father has a disquieting past and, after attacking a constable in a pub, a not-so-savory present. With each turn in the investigation, it becomes increasingly clear that behind what really happened—and why—lies the most difficult-to-crack case the team has ever faced.

The Face in the Mirror Rhys Bowen,2013-02-05 From the author of In Farleigh Field comes Rhys Bowen's short story The Face in the Mirror; it offers just the taste of mystery and mayhem fans will need to tide them over until the next Molly Murphy novel. Having given up her detective agency when she married, she now finds that her life is much less exciting, her days an endless stretch of housekeeping and chores. Mirror with Hallucinations: A Cozy Mini-Mystery Jwyan C. Johnson,2024-01-12 As a limousine does a drive-by shooting, was this literal “shotgun wedding” real... for everyone? Or was a celebrity stalker outsmarted by her bodyguard? It's another ‘street fight on a chessboard’ as Major Shields hires courtroom war king Miles Turner. It's a staring contest into a ‘mirror with hallucinations.’ Was the victim, Mr. Wright, really right about a secret love affair? Was the bodyguard really shooting his ‘competition?’ Do reflections change in the only homeless eye-witness? And will this mirror reveal even more as The Jury Whisperer employs her most dangerous legal strategy? Mirror with Hallucinations will have you ‘seeing things,’ with a whodunit range from Simon Says, Silent Knight, Phil Shakedown, and even the movie star herself, it's a where smoke-and-mirrors meets self-reflection.

Kevin Merrick, a college student and victim of an armed assault, is one of these people. The Other Side of the Mirror Jamie Sands,2020-12 The case: a grandmother who vanished from a locked room. The best lead: a psychic who's as mysterious as she is cute. Detective Jack Duarte is the one called upon when weird cases hit Auckland. A fierce loner with a reputation for solving the unsolvable, she is the perfect choice for the latest odd mystery: the locked-room disappearance of a beloved grandmother, who has vanished without trace and, seemingly, without suspects or a motive. This time around, though, Jack has also been assigned a partner. The fresh young detective Piper, who has transferred in with a difficult history, is determined to prove herself. Smart, perky, and inexperienced. They are exactly the kind of partner Jack manages to scare away. As they dig deeper into the mystery, though, Jack has to put her own reluctance in the back seat and help Piper navigate a whole different world -- because the beloved grandmother has her own mysterious past, one that has already cost lives... and souls. With the help of the enigmatic and beautiful psychic Emmaline, Jack and Piper must confront the strange world on the other side of the mirror. Some mysteries can only be solved with magic!

The City of Smoke and Mirrors Nick C. Piers,2013-02-22 Dilbert Pinkerton's not the greatest private detective, but he's good at sniffing out clues. Of course, it's

hard to take a five-foot-nothing mutant armadillo in a trench coat and fedora seriously. He sticks his snout where it doesn't belong far too often while digging for the truth. So when some rich dame asks him to steal - ahem, retrieve - a pearl necklace from her ex-husband, Dill almost reconsiders. Until, that is, she offers him far too much money that he can't refuse. Now, Dill heads to Nevermore Bay, home of The Buzzard. Most in Nevermore Bay think The Buzzard is just a myth created by the local police force. Whether that's true or not, Dill can't help but be curious by the mystery. When he runs afoul with this fowl, though, things go to hell and fast. Not only are the police after him, but Dill must also contend with some of The Buzzard's rogues, mobster Don Komodo and his goon squad, and even The Buzzard himself. With everyone in the city against him, what hope does Dill have just to get out of there with his carapace intact? Pro Se Productions proudly presents the debut novel from Author Nick C. Piers! So when Pendleton disappears from a conference in San Francisco, along with all of his research, Neal Carey enters the picture. Neal knows the Bank is calling in its chips in return for paying his grad school bills. He thinks this assignment will be a no-brainer until he meets the beguiling Li Lan and touches off a deadly game of hide-and-seek that will lead him from San Francisco's Chinatown to the lawless back streets of Hong Kong, and finally into the dark heart of China. The Book of Mirrors E. O. Chirovici, 2017-02-21 An elegant, page-turning thriller in the vein of Night Film and Crooked Letter, Crooked Letter, this tautly crafted novel is about stories: the ones we tell, the ones we keep hidden, and the ones that we'll do anything to ensure they stay buried. When literary agent Peter Katz receives a partial book submission entitled The Book of Mirrors, he is intrigued by its promise and original voice. The author, Richard Flynn, has written a memoir about his time as an English student at Princeton in the late 1980s, documenting his relationship with the protégée of the famous Professor Joseph Wieder. One night just before Christmas 1987, Wieder was brutally murdered in his home. The case was never solved. Now, twenty-five years later, Katz suspects that Richard Flynn is either using his book to confess to the murder, or to finally reveal who committed the violent crime. But the manuscript ends abruptly--and its author is dying in the hospital with the missing pages nowhere to be found. Hell-bent on getting to the bottom of the story, Katz hires investigative journalist John Keller to research the murder and reconstruct the events for a true crime version of the memoir. Keller tracks down several of the mysterious key players, including retired police detective Roy Freeman, one of the original investigators assigned to the murder case, but he has just been diagnosed with early-onset Alzheimer's. Inspired by John Keller's investigation, he decides to try and solve the case once and for all, before he starts losing control of his mind. A trip to the Potosi Correctional Centre in Missouri, several interviews, and some ingenious police work finally lead him to a truth that has been buried for over two decades...or has it? Stylishly plotted, elegantly written, and packed with thrilling suspense until the final page, The Book of Mirrors is a book within a book like you've never read before.
