Shanghai - A Year To Remember Vijay Menon,2018-07-20 Anand Nair lived a quiet and routine life in Shanghai, China, a city he called home for more than ten years. His life revolved around work, Chinese lessons, friends, travel and health, while occasionally trying to find love, as was the case for close to ten years. He lived an average life and made efforts not to stick out. While some would call this sort of life boring, Anand was content with this way of living and loved the anonymity this city of 24 odd million residents offered. He was an ordinary man living an ordinary life, and the only way he stands out is when he speaks Mandarin, which he speaks reasonably well, although with a Malayalee accent. He had no way of knowing that his boring, routine life, that he loved so much was going to change almost overnight with a seemingly random encounter in a metro station. What started as a random encounter in a subway, leads to a sequence of life-changing events spread over a year, starting with reconnecting with a long-lost friend in the unlikeliest of the places, and ending with rediscovering the meaning of his existence, love, loss, hope and friendship.

Pull the Trigger Samantha Conley, 2024-04-12 Levi "Trigger" Jameson I used to be the best fighter in Blacktop Brethren MC. Until I killed someone, and that ended my fighting days. Now, I serve my club however needed and the people of our town through my father's garage. He's my vice president, too, so there isn't much difference between the club and work. My free time is just that— free. Mostly spend enjoying clubwhores until I get bored. Then Sheridan walks into the garage after her car is towed and gives me something most other women don't— a challenge. She's a single mother with a baby daddy full of drama, and the last thing she needs is me and my club making it worse. But I'm not one of those men that give up on something I want... and want her in ways I can't even understand. Just as I get her to admit she wants me, too, my past comes back to bite us both. Her baby daddy is a member of the club that wants vengeance. I might refuse to get in the ring again, but with love comes weakness, and they aren't afraid to use their own to get it. If getting back in the fight keeps Sheridan and her daughter safe, that's exactly what I'll do. But I promise they're going to regret the very moment they threatened what is mine. Because in or out of the ring, I will slaughter anyone who stands between me and Sheridan... and I mean anyone.

While presenting data from a questionnaire survey and interviews with low-skilled migrants from Bangladesh and India in Singapore, it explores how their specific social conditions, including their transient status and low entitlements in their host country, influenced their mobile phone appropriation. It considers the links these migrants established and retained with their countries of origin and residence to identify several types of appropriation and acculturation types among the various populations.
