CALLY AND MISSY, TWO M MISSY,2013-02-21 I guess this is a good place to end this book as once again; you are caught up with the most unusual life that Cally and I share with our unusual family. However, once again my life with Cally never seems to be dull anymore. In fact, my life with Cally has never been dull; it is just more exciting since we got married almost a year ago. Milly has been progressing very well as her sissy maid self under the direction of Miss T. As well; Molly seems to accept and even enjoy milly better now. Sabrina certainly enjoys sissy maid milly as she gets three days off each week now that she has milly to fill in for her. Sir certainly has brought a lot of excitement to the house and that excitement seems to still be growing as he seeks to dominate everyone in the house and not just us maids and Ally and Toni. Sir getting arrested certainly presents me with a big challenge as although I do not believe that he has actually committed a crime; I do believe that innocent people go to prison because people on juries do not believe that they should live their lives in any way unlike the way society demands of them. In other words, if they do not like what Sir did and the District Attorney says it was wrong, they just agree and give it no more thought. I disobeyed a direct order from Cally for the very first time. Cally let me know that that was unacceptable in a very painful and very humiliating way. I don't think I will make that mistake again, at least I hope not. Cally and I went to the most unusual place in South America in cooperation with Lloyds of London, the FBI, and Interpol; in an effort to find out why men were disappearing from FemDom Nation; a community of Dominate women and male submissives. FemDom Nation is sort of like a hotel for vacationing Dominate women and Submissive males. People from all over the world come there to enjoy their life style for a few days to a few weeks. Submissive men can go their alone or with a dominate female. Dominate women are welcome with or without a submissive male. It was really a neat place and Cally and I had a very nice time. However our time was cut short as a result of Sir getting arrested, so we came home early and without meeting our objective in order to help out Sir and Ally. Cally and I need to go back again to complete our mission, but Cally decided to wait until after Thanksgiving.

Missy Catherine Robinson,1994-09-01

Sissy Maid in the Mirror M. Missy,2012-07-31 Hi, my name is Jack and my sister's name is Jill. Yes, we are Jack and Jill! As Jill and I were ready to go to college and start a new chapter in our lives, I can tell you this about how Jill and I were raised by our parents. Understanding that the first job of a parent is to protect their children and teach their children to be responsible adults, what could I say? Our parents did the best job that a parent could do. Both Jill and I are the most loving and obedient and smart and responsible kids anyone could ever want. We did not drink, gamble, sniff glue, smoke, take dope, or get pregnant. We both got great marks in school. Over the past five years, what I call, the hairbrush era Jill received only hairbrush spankings. That was not a lot over 5 years. Jill turned out to be such a confident and responsible young lady. I was even impressed with her. Mom taught her well and Jill learned well. Over that same five years, I was spanked 13 times with that hardwood hairbrush and I was caned that last time to total 14 times I was punished. However, that was only three times per year. I never was punished when I did not deserve to be punished, so I earned every one of those Spankings. However, I turned out to be the most respectful and loving and nice son anyone could ask for. Yes, and obedient too. But, never once did I overthink that my Mom was mean to me or too hard on me. My Mom did what she had to do to get me through those growing years that were so much trouble for many of my friends. Looking back on all the pain and embarrassment and humiliation, I appreciated my Mom for caring enough to be my Mom and not my friend when I needed a Mom. Mom was my friend the rest of the time. Jill and I get along better than any other siblings we know. Jill and I truly care about one another and understand our perspective roles in our growing up process together. As a result, Jill got me a room in the same house she rented with a few other friends as their own personal college dorm. How great was this going to be, me and seven girls in the same house, I could not wait! ! ! ! ! ! ! ! ! ! You can read all about the hairbrush era in my first book; SISTER, SPANKINGS, Sissy MAID. A sissy maid missy sister series, part one. This Book is part two.

Missy Chris Hannan,2008 Missy is laudanum, or liquid opium. Missy is Dol McQueen, a nineteen-year-old flash-girl traveling the arduous wagon trail from San Francisco to the boomtowns of the Sierra Nevada. Her purpose: to fleece the silver miners and to have a marvelous time.

Sissy Maid in the Mirror, Two M Missy,2012-08-28 As I noted at the end of the second book about my life (SISSY MAID IN THE MIRROR) as a sissy maid to the six B.I.T.C.H.S; they did not turn out to be bitches at all and in fact were every nice to missy. My training as their sissy maid continued thru Miss T. Missy has come to really like and respect Miss T. Missy had no romantic feeling towards Miss T; however, missy was more than happy to orally please Miss T upon command. Missy had become extremely submissive to Miss T and actually enjoyed that feeling more and more at time moved along in spite of some of the severe punishments that she received. Missy has struggled with her required chastity as missy is horny all the time. However that horniness seemed to be channeled into enthusiastic service both in the form of housework and oral sexual services to Miss T and Miss Beth, so it seemed that the chastity had a good purpose over all. Well, at least for missy's two Mistresses. Miss Beth got her first ever spanking and missy found that to be a real big thrill as usually missy is the only one getting any spankings for everyone else to see. Missy learned that she did not like to be whipped, not even a little bit. However, missy's whipping did open her to a new experience, blow jobs. Missy found out that part of her sissy maid duties was to give a blow job to anyone Miss T decided she should blow. At first missy really became repulsed by the idea, but after Miss T had her whipped, all of a sudden having a cock in her mouth did not seem like such a bad idea. I got the shock of my life when just before Christmas, when Jill and I got home we found that our Mom had changed our Dad into a sissy maid also. Missy found it surprising and somewhat uncomfortable working side by side with her sissy maid, Dad. But, missy quickly got used to it and enjoyed the company. However, Missy's biggest thrill to date was her growing relationship with Miss Beth. Missy has learned over the past four months or so that Miss Beth was a lot like Miss T; as Miss Beth gets real excited having a submissive and obedient sissy maid cater to her desires. For missy, though, missy really liked Miss Beth and thought that the relationship between them could grow into something very nice and very special. While, with Miss T, the relationship was all about missy's service to Miss T and the pleasure that both Miss T and missy got from the dominate/submissive relationship.

Overall, my thoughts in the beginning have held true. Being the sissy maid for the 7 girls was better for missy three ways; first, it was much better living in that nice private house than in a busy dorm. Second; it satisfied missy's great desire to cross dress, even if it was as a French maid. Third; it was much better than having to get an outside job to help pay for my collage expenses. The only downside for missy was being punished. So, missy just needed to learn to be more obedient so she is not punished so often and then things would be even better for missy.

Cally and Missy M. Missy, 2012-11 Well! Another month of my life went by and there was much more excitement than I would have preferred. However, there was much more sissy maid home time that I find so relaxing as well, so it was more balanced this past month. Milly spent several Friday nights at Miss T's home being trained to be a better sissy maid. I can tell you that Miss T did a wonderful job with milly. Milly is a much better maid and she looks so much more feminine. Milly enjoyed the training and is enjoying herself more as Molly's sissy maid, as well as, when she fills in for Sabrina as the home's common area sissy maid. Cally and I had an interesting and almost funny kidnapping case to solve. That only took an afternoon and a morning and had a conclusion that neither Cally nor I saw coming, but we were close and had the right idea. Cally, Ally, Mindy, and I had the most unusual birthday you could possibly imagine. Everyone seemed to have a good time except me as I did not care for the attention. However, I was a birthday to remember as it was like no other in the world. I was spanked twice this month, once at home in front of some strangers that I found extremely humiliating. The second time, it was for losing a tennis match. That spanking also was in front of strangers which also made it very humiliating. The Management company is doing very well. However, there was an internal problem that Cally needed to straighten out and Cally straightened it out the way she usually straightens out problems with someone getting a very humiliating spanking. It was not me this time. Cally and I had the most wonderful tennis vacation. It was the first time for over three years that Cally and I had some alone time together. We played in a tennis tournament and did a lot of fun things. I was able to have all the sex I wanted from Cally for the VERY FIRST TIME. I also saved the lives of three people and Cally and I had to run away from the press twice as we did not want the publicity. The other day, Cally was contacted by Lloyds of London looking for our help with another professional sex slave kidnapping ring. Cally and I would need to go to Bolivia and get inside the kidnapping ring to figure out all the pieces. It sounded both interesting and dangerous. I will tell you all about it when we get home. Last; Ally brings home a great looking Dominate ALPA male which started to change the entire makeup of the home; which was that of Dominate females, who were now melting to the stronger Dominate ALPA male. That may be a problem as Cally is not liking it. Until then, thank you for following my unusual fairy tale life.

Cally and Missy, Three M. Missy, 2013-03 Well; I can sure say that my life did not turn out the way I expected. My life did not turn out how anyone would expect. I

never thought that I would commit a crime and get arrested, but I did. I never thought that I would end up being a shemale sissy maid, but I did. I never thought that I would fall in love with and marry a lesbian, but I did. I never thought that I would live my life as a submissive to a dominate Lady, but I do. I never thought that I would become an attorney and save the innocent from going to prison, but I have. I never thought that I would be able to look at someone and ask a few questions and know what was wrong with them and save their life, but I have, several times. I never thought that I would infiltrate the Russian Mob and save the lives of 39 young ladies, but I did. I never thought that I would be in a position to help the FBI, Interpol and Lloyds of London solve kidnapping crimes, but I have. I never thought that I would become a psychologist, but I have. I never thought that I would marry a financial genius that would make me almost 50 million dollars in less than 4 years, but I did, I never thought that my life would be so diverse and exciting in many different ways, but it is. Just in the past 6 weeks alone; I have saved the life of Molly, my mother in law, I saved a family of 11 from needing to sell 10 of their kidneys just to survive, I calmed the minds and hearts of Mindy, Toni, Sabrina, and Cally concerning the newest member of our unusual family concerning the arrival of a real dominate ALPA male who Ally brought home and fell in love with, I was working with the FBI, Interpol, and Lloyds of London in solving the kidnapping of 8 men, I took on a criminal case involving Ally's new Love; whereas he was arrested for caning a young lady in a BDSM relationship. This case will become very interesting in the future, but it concerns everyone who practices any part of BDSM; you will want to stay tuned for this outcome, I got to make love to one of the smartest, the most pretty, the most Lady, the intelligent Cally; my wife. Just thinking about how much I love Cally brings tears to my eyes. I am the luckiest shemale sissy maid in the entire world!

THE BAD BOY GETS PUNISHED m missy,2012-05-09 I was a rich teenager whose parents died in a plane crash and left me and my sister a two million dollar house and 10 million dollars. I then turned three young girls into French maid whores, for financial reasons and or immigration reasons they allowed this to happen. My story included French maids, anal sex, oral sex, spankings, canings, whippings, strapping's, domination and submission, corner time, and a great amount of humiliation, etc. My delight in training and punishing these three young women into submission eventually leads down a path that I wished that I never traveled. Now, it is time for me to be punished for all my Bad Boy behavior. A continuing series of special, good and bad, characters.
