The Essential Guide to the Business & Law of Esports & Professional Video Gaming Justin M Jacobson,2021-02-19 As esports has grown, the need for professional legal representation has grown with it. Justin's Essential Guide to the Business & Law of Esports & Professional Video Gaming provides a great baseline and will help prevent the legal horror stories of esports in the past. Mitch Reames, AdWeek and Esports Insider Justin's exploration of the business and law side of the esports sector fills a gap of knowledge that is an absolute necessity in truly understanding the esports space. Kevin Hitt, The Esports Observer The Essential Guide to the Business & Law of Esports & Professional Video Gaming covers everything you need to know about the past, present, and future of esports and professional video gaming. The book is written by one of the foremost attorneys and business practitioners in today's esports and professional gaming scene, Justin M. Jacobson, Esq. This guide is meant to provide you with an in-depth look at the business and legal matters associated with the esports world. • Includes coverage of the stakeholders in the esports business ecosystem, including the talent, the teams, the publishers, and the event organizers. • Explores various legal fields involved with esports, including intellectual property, employment and player unions, business investments and tax write-offs, immigration and visas, event operation tips, social media and on-stream promotions, and much more. • The most current book on the market, with actual contract provisions modeled on existing major esports player, coach, shoutcaster, and sponsorship agreements. About the Author Justin M. Jacobson, Esq. is an entertainment and esports attorney located in New York City. For the last decade, he has worked with professional athletes, musicians, producers, DJs, record labels, fashion designers, as well as professional gamers, streamers, coaches, on-air talent, and esports organizations. He assists these creative individuals with their contract, copyright, trademark, immigration, tax, and related business, marketing, and legal issues. He is a frequent contributor to many industry publications and has been featured on a variety of entertainment, music, and esports publications and podcasts, including Business Insider, The Esports Observer, Esports Insider, TuneCore, and Sport Techie. Justin has positioned himself as a top esports business professional working with talent in a variety of franchise leagues including the Overwatch League, Overwatch Contenders, and Call of Duty Pro League as well as in many popular competitive titles such as Fortnite, CS:GO, Gears of War, Halo, Super Smash Brothers, Rainbow 6, PUBG, Madden, and FIFA and mobile games such as Brawlhalla, Clash of Clans, and Call of Duty mobile. Previously, he worked with various esports talent agencies as well as in an official capacity on behalf of several esports teams and brands.

Drafting Internet Agreements Gregory J. Battersby,Charles W. Grimes,Leonard T. Nuara,2010-01-01 Drafting Internet Agreements, Second Edition is the most comprehensive single volume collection of annotated forms for the internet. The book also offers valuable insights for business executives who want to know how internet transactions are structured and how to negotiate the best deals. This easy-to-use reference with accompanying CD-ROM offers instant access to more than 40 sample agreements for every area of internet practice including: Internet advertising Internet consulting Electronic commerce Internet joint ventures Internet licensing Technology development Website agreements And more Each form has been developed by the authors or other experienced internet law practitioners and has been used in actual transactions. Organized by type of transaction, each chapter includes a full agreement that illustrates the entire transaction as a seamless whole, as well as a variety of agreements for closely related issues. For each form, the authors provide a brief overview, an analysis of the different kinds of forms that relate to the topic, and a description of the form's applicability and use. Coverage includes: Developing the content portion of the website Seeking intellectual property protection of website content Resolving domain name disputes Seeking to recover a domain name to which you have rights Linking a website to other sites Raising capital to develop and operate a site Marketing the Internet site Selling advertising on the internet site And more. A "Practice Tips" section before each form identifies the "hot spots" that are likely to arise during the transaction, and offers guidance on resolving these hotly negotiated provisions quickly. Detailed checklists assist in drafting the final agreement. Drafting Internet Agreements, Second Edition also includes a free companion CD-ROM containing over 40 forms presented in the guide, making it easy to incorporate the forms into a word processing program.

FileMaker 12 Developers Reference Bob Bowers, Steve Lane, Scott Love, Dawn Heady, 2012-08-23 The new FileMaker 12 allows you to build unparalleled databases for a wide variety of devices, from Windows and Mac desktops to iPhones and iPad. With 10 million registered customers, FileMaker's users are average Joes who are knowledge workers, subject matter experts, and business users from all walks of life. The community extends well beyond the pool of professional software developers. FileMaker's legendary ease-of-use has led to its wide adoption and has allowed non-programmers an avenue into creating sophisticated software solutions. FileMaker 12 Developer's Reference will serve to help bridge the gaps in these people's understanding of FileMaker's hundreds of calculation functions, script steps, and operations. They know FileMaker, they've used it for years, but they need a quick reference, immediately accessible while not interrupting their work on screen. There is no other book like this on the market. All FileMaker books include information on calculation formulas, scripting, etc., but none have expressly focused on giving readers one simple thing: a quick reference to be used in conjunction with their programming efforts. Some books teach, others explain, still others explore specific in-depth topics. This book will appeal to the entire FileMaker Pro community and be a great extension of their library. This edition is updated for the many new features coming with FileMaker 12, including the product's design functionality and the file format, and a new section dedicated to FileMaker Go, which is the iOS client.

Corporate Legal Compliance Handbook, 3rd Edition Banks and Banks, 2020-06-19 Corporate Legal Compliance Handbook, Third Edition, provides the knowledge necessary to implement or enhance a compliance program in a specific company, or in a client's company. The book focuses not only on doing what is legal or what is right--the two are both important but not always the same--but also on how to make a compliance program actually work. The book is organized in a sequence that follows how to approach a compliance program. It gives the compliance officer, consultant, or attorney a good grounding in the basics of compliance law. This includes such things as the rules about corporate and individual liability, an understanding of the basics of the key laws that impact companies, and the workings of the U.S. Sentencing Guidelines. Successful programs also require an understanding of educational techniques, good communication skills, and the use of computer tools. The effective compliance program also takes into account how to deliver messages using a variety of media to reach employees in different locations, of different ages or education, who speak different languages. Note: Online subscriptions are for three-month periods.
