Cheerful Money Tad Friend,2009-09-21 From longtime New Yorker writer and author of *In the Early Times*, Tad Friend's side-splittingly funny *Cheerful Money* is both a gorgeously written family memoir and a sharp cultural study of the decline of the American WASP (Mary Karr). Tad Friend's family is nothing if not illustrious: his father was president of College, and at Smith his mother came in second in a poetry contest judged by W.H. Auden -- to Sylvia Plath. For centuries, Wasps like his ancestors dominated American life. But then, in the '60s, their fortunes began to fall. As a young man, Tad noticed that his family tree, for all its glories, was full of alcoholics, depressives, and reckless eccentrics. Yet his identity had already been shaped by the family's age-old traditions and expectations. Part memoir, part family history, and part cultural study of the long swoon of the American Wasp, *Cheerful Money* is a captivating examination of a cultural crack-up and a man trying to escape its wreckage.

Sloppy Firsts Megan McCafferty,2001 Devastated when her best friend moves away, sixteen-year-old Jessica Darling feels isolated at school and at home, as she struggles to deal with her father's obsession with her track meets, her boy-crazy peers, and her own nonexistent love life.

Startups and Crisis Management Dafna Kariv,2022-10-31 Drawing on a mixture of theory, cases, and interviews, *Startups and Crisis Management* provides a valuable overview of how new ventures fared in the wake of the COVID-19 pandemic. It then considers the wider lessons for startups operating in times of crisis and adjusting to the 'new normal'. The macroeconomic shocks of rising unemployment, lockdowns, and remote working have impacted the entrepreneurial ecosystem and raised questions about how startups can survive, adjust, and thrive once more. This book analyses the reciprocal relationship between startups and their ecosystems, using theoretical lenses such as push and pull factors, necessity entrepreneurship, networking, and embeddedness. Each chapter contains case studies based on interviews with individuals from startups around the world, exploring how real-life firms reacted to the coronavirus crisis. This illuminating text will be a useful resource for modules exploring startups during times of crisis, and courses on entrepreneurship and crisis management more broadly.

A Singular Man J. P. Donleavy,2007-12-01 An "excruciatingly funny" novel by the author of the classic *The Ginger Man* (Newsweek). From "a comic writer rivaling Waugh and Wodehouse", this is the story of George Smith (Life). Mysteriously rich and desperately lonely, George appears to be under attack from all quarters. His former

wife and four horrible children are suing to get his money. His dipsomaniacal housekeeper is trying to arouse his carnal interest. His secretary, the beautiful, blond Miss Martin, will barely give him the time of day. Making matters even worse are the threatening letters: Dear Sir, Only for the moment are we saying nothing. Yours, etc., Present Associates. Despite such precautions as a two-inch-thick surgical steel door and a bulletproof limousine, Smith remains worried. So he undertakes to build a giant mausoleum, complete with plumbing, in which to live . . . Hunter S. Thompson called reading this book “like sitting down to an evening of good whisky and mad laughter in a rare conversation somewhere on the edge of reality.” A Singular Man is a deliciously dark comic novel by the recipient of a Lifetime Achievement honor from the Irish Book Awards. “A wild romp . . . An important, first-rate novel by a gifted artist.” –Chicago Tribune “Rollicking, rambunctious . . . Sheer pleasure to read . . . Shatteringly funny.” –The New York Times Book Review

The Reluctant Leader Craig S. Galati, 2021-10-08 In December of 2011, during the worst national economic collapse since the 1930s, Las Vegas architect and business owner Craig Galati found his firm more than \$800,000 in debt. To make matter worse, the company's founding partner had just resigned, the organization had used up all its cash reserves, and there was next-to-no work in the pipeline. Although a partner in the firm, 51-year-old Galati had to this point enjoyed his role in business development, never needing to assume a leadership position. Racked by fear and self-doubt, Galati nevertheless stepped into the breach. Rather than hiding behind bankruptcy protection, he and his remaining partners vowed to pay off every creditor, rehire their furloughed workforce and turn the company around. With brutal honesty, a profound sense of obligation and a heartfelt desire to help others, Galati is not afraid to shine a light on his failures and successes as he worked around-the-clock to pull his firm back from the brink.

Lease on Love Falon Ballard, 2022-02-01 Sadie wasn't looking for love until it landed on her doorstep. After getting passed over for an overdue—and much-needed—promotion, Sadie Green is in desperate need of three things: a stiff drink, a new place to live, and a one-night stand. But when an accidental mix-up lands her on the doorstep of Jack Thomas's gorgeous Brooklyn brownstone, it's too bad Sadie is more attracted to the impressive real estate than she is to the man himself. Jack, still grieving the unexpected death of his parents, has learned to find comfort in video games and movie marathons instead of friends. So while he doesn't know just what to make of the vivaciously verbose Sadie, he's willing to offer her his spare bedroom while she gets back on her feet. And with the rent unbeatably low, Sadie can finally pursue her floristry side hustle full-time. The two are polar opposites, but as Sadie's presence begins to turn the brownstone into a home, they both start to realize they may have just made the deal of a lifetime.

A grammar of Komnzo Christian Döhler, Komnzo is a Papuan language of Southern New Guinea spoken by around 250 people in the village of Rouku. Komnzo belongs to the Tonda subgroup of the Yam language family, which is also known as the Morehead Upper-Maró group. This grammar provides the first comprehensive description of a Yam language. It is based on 16 months of fieldwork. The primary source of data is a text corpus of around 12 hours recorded and transcribed between 2010 and 2015. Komnzo provides many fields of future research, but the most interesting aspect of its structure lies in the verb morphology, to which the two largest chapters of the grammar are dedicated. Komnzo verbs may index up to two arguments showing agreement in person, number and gender. Verbs encode 18 TAM categories, valency, directionality and deictic status. Morphological complexity lies not only in the amount of categories that verbs may express, but also in the way these are encoded. Komnzo verbs exhibit what may be called ‘distributed exponence’, i.e. single morphemes are underspecified for a particular grammatical category. Therefore, morphological material from different sites has to be integrated first, and only after this integration can one arrive at a particular grammatical category. The descriptive approach in this grammar is theory-informed rather than theory-driven. Comparison to other Yam languages and diachronic developments are taken into account whenever it seems helpful.

The Complete Jessica Darling Series Megan McCafferty, 2010-12-21 Growing Up Can Be Perfect in Its Imperfection The Jessica Darling series chronicles one young woman's coming-of-age in the first decade of the 21st century. Over five books and ten years, Jessica Darling fumbles her way into adulthood. She evolves from a sixteen-year-old cynic, snarking in her diary about catty cliques, unrequited crushes, and other high school indignities, into a jet-setting twenty-six-year-old urbanite searching for more meaning in her life. Through all her misadventures in high school, college, and beyond, Jessica gets long-distance support from her best friend, Hope. But it's her on-again/off-again love of her life, Marcus Flutie, who can always be counted on to complicate her life in ways that are infuriating, intoxicating, and ultimately irresistible. SLOPPY FIRSTS: Meet Jessica Darling—and fall for Marcus Flutie—in this high school comedy of many, many errors. A fresh, funny, utterly compelling fiction debut, Sloppy Firsts is an insightful true-to-life look at sixteen-year-old Jessica's predicament as she embarks on another year of teenage torment—from the dark days after her best friend, Hope, moves away through her months as a type-A personality turned insomniac to her completely mixed up feelings about Marcus Flutie, the intelligent and mysterious Dreg who works his way into her heart. SECOND HELPINGS: Can Jessica survive senior year without losing her mind . . . or her heart? This time, Jess is going through the social and emotional ordeal of her last year at Pineville High. Not only does the mysterious Marcus Flutie continue to distract her, but Hope still lives in another state, and she can't seem to escape the clutches of the Clueless Crew, her annoying so-called friends. To top it off, Jessica's parents won't get off her butt about choosing a college. Will Jess crack under the pressure of senioritis? CHARMED THIRDS: Jessica is in college . . . and smart girls have more fun! Jessica has finally left her hometown/hellhole for Columbia University; she's into Marcus more than ever (so what if he's at a Buddhist college in California), and she's making new friends. But Jess soon realizes that her bliss might not last. As she and Marcus hit the rocks,

will she fall for her GOPunk, neoconservative RA . . . or for the hot grad student she's assisting on a summer project . . . or for the oh-so-sensitive emo boy down the hall? Will she even make it now that her parents have cut her off financially? And what do the cryptic one-word postcards from Marcus really mean? **FOURTH COMINGS:** Is the real world ready for Jessica Darling? At first it seems like she's living the New York City dream. She's subletting an apartment with her best friend, working for a magazine that actually cares about her psychology degree, and is still deeply in love with Marcus. But when Marcus proposes—giving her only one week to answer—Jessica must decide if she's ready to give up a world of late-night literary soirees, art openings, and downtown drunken karaoke to move back to New Jersey and be with the one man who's gripped her heart for years. **PERFECT FIFTHS:** Does Jessica and Marcus's journey end here? Or is it just the beginning? . . . Now a young professional in her mid-twenties, Jess is off to a Caribbean wedding. As she rushes to her gate at the airport, she literally runs into her former boyfriend, Marcus Flutie. It's the first time she's seen him since she reluctantly turned down his marriage proposal three years earlier—and emotions run high. They have both changed dramatically, yet their connection feels as familiar as ever. Is their reunion just a fluke, or has fate orchestrated this collision of their lives once again?

In the Early Times Tad Friend,2022-05-10 In this “dazzling” (John Irving) memoir, acclaimed New Yorker staff writer Tad Friend reflects on the pressures of middle age, exploring his relationship with his dying father as he raises two children of his own. “How often does a memoir build to a stomach-churning, I-can’t-breathe climax in its final pages? . . . Brilliant, intensely moving.”—William Finnegan, Pulitzer Prize-winning author of *Barbarian Days* **ONE OF THE BEST BOOKS OF THE YEAR:** The New Yorker Almost everyone yearns to know their parents more thoroughly before they die, to solve some of those lifelong mysteries. Maybe, just maybe, those answers will help you live your own life. But life doesn’t stop to wait. In his fifties, New Yorker writer Tad Friend is grappling with being a husband and a father as he tries to grasp who he is as a son. Torn between two families, he careens between two stages in life. On some days he feels vigorous, on the brink of greatness when he plays tournament squash. On others, he feels distinctly weary, troubled by his distance from millennial sensibilities or by his own face in the mirror, by a grimace that’s so like his father’s. His father, an erudite historian and the former president of Swarthmore College, has long been gregarious and charming with strangers yet cerebral with his children. Tad writes that “trying to reach him always felt like ice fishing.” Yet now Tad’s father, known to his family as Day, seems concerned chiefly with the flavor of ice cream in his bowl and, when pushed, interested only in reconsidering his view of Franklin Roosevelt. Then Tad finds his father’s journal, a trove of passionate confessions that reveals a man entirely different from the exasperatingly logical father Day was so determined to be. It turns out that Tad has been self-destructing in the same way Day has—a secret each has kept from everyone, even themselves. These discoveries make Tad reconsider his own role, as a father, as a husband, and as a son. But is it too late for both of them? Witty, searching, and profound, *In the Early Times* is an enduring meditation on the shifting tides of memory and the unsteady pillars on which every family rests.
