The Big Rewind Nathan Rabin, 2009-07-07 Nathan Rabin viewed pop culture as a life-affirming form of escape throughout his childhood and adolescence. As an adult, pop culture became his life. Head writer for A.V. Club for more than a decade, Rabin uses specific books, songs, albums, films, and television shows as springboards for dissecting his Dickensian life story in his acclaimed memoir The Big Rewind. Rabin writes movingly and hilariously about how pop culture helped save him from suicidal despair, institutionalization, and parental abandonment during a childhood that sent him ricocheting from a mental hospital to a foster home to a group home for emotionally disturbed adolescents. A fun book about depression, The Big Rewind is ultimately a touching narrative of a motherless child's search for family and acceptance, and a darkly comic valentine to Rabin's lovable, hard-luck dad. With comic

dissertations on everything from The Simpsons to The Great Gatsby, and from Grey Gardens to Dr. Dre, The Big Rewind chronicles Rabin's improbable yet all-too-true journey through life, and its fortuitous intersections with the dizzyingly wonderful world of entertainment.

Monsters, Law, Crime Caroline Joan "Kay" S. Picart, 2020-11-18 Monsters, Law, Crime, an edited collection composed of essays written by prominent U.S. and international experts in Law, Criminology, Sociology, Anthropology, Communication and Film, constitutes a rigorous attempt to explore fertile interdisciplinary inquiries into "monsters" and "monster-talk," and law and crime. This edited collection explores and updates contemporary discussions of the emergent and evolving frontiers of monster theory in relation to cutting-edge research on law and crime as extensions of a Gothic Criminology. This theoretical framework was initially developed by Caroline Joan "Kay" S. Picart, a Philosophy and Film professor turned Attorney and Law professor, and Cecil Greek, a Sociologist (Picart and Greek 2008). Picart and Greek proposed a Gothic Criminology to analyze the fertile synapses connecting the "real" and the "reel" in the flow of Gothic metaphors and narratives that abound around criminological phenomena that populate not only popular culture but also academic and public policy discourses. Picart's edited collection adapts the framework to focus predominantly on law and the social sciences.

Propaganda & Persuasion Garth S. Jowett, Victoria O'Donnell, 2018-08-24
Reflecting the remarkable changes in the world of propaganda due to the increasing use of social media, this updated Seventh Edition provides a systematic introduction to the increasingly complex world of propaganda. Viewing propaganda as a form of communication, the authors help readers understand information and persuasion so they can understand the characteristics of propaganda and how it works as a communication process. Providing provocative case studies and fascinating examples of the use of propaganda from ancient times up through the present day, *Propaganda and Persuasion* provides an original model that helps students analyze the instances of propaganda and persuasion they encounter in everyday life. New to the Seventh Edition: New coverage of social media as a disseminator of propaganda offers readers an up-to-date perspective. The book's four case studies have been updated and strengthened to demonstrate their relevance not only to past and contemporary culture, but also to the study of propaganda campaigns. New coverage of how a propaganda case study can be structured to reveal the components of a campaign allows students to compare strengths and weaknesses across different types of campaigns and evaluate the relative success of various propaganda strategies. Updated research on persuasion and expanded coverage of collective memory as it appears in new memorials and

monuments enhances the presentation. Current examples of propaganda, especially the ways it is disseminated via the Internet, deepen student understanding. New illustrations and photos add a unique visual dimension that helps readers conceptualize methods of persuasion and propaganda.

I Do and I Don't Jeanine Basinger, 2014-03-11 Here is “happily ever after”—except when things aren’t happy, and when “ever after” is abruptly terminated by divorce, tragedy . . . or even murder. With her large-hearted understanding of how movies—and audiences—work, leading film historian Jeanine Basinger traces the many ways Hollywood has tussled with the tricky subject of marriage, explicating the relationships of countless marriages from Blondie and Dagwood to the heartrending couple in the Iranian A Separation, from Coach and his wife in Friday Night Lights to Tracy and Hepburn, and even to Laurel and Hardy (a marriage if ever there was one). A treasure trove of insight and sympathy, illustrated with scores of wonderfully telling movie stills, posters, and ads.
