Revenge of the Mooncake Vixen: A Novel Marilyn Chin, 2009-07-20 An uproarious debut that lays bare the complicated generational relationships of Chinese American women. Raucous twin sisters Moonie and Mei Ling Wong are known as the "double happiness" Chinese food delivery girls. Each day they load up a "crappy donkey-van" and deliver Americanized ("bad") Chinese food to homes throughout their southern California neighborhood. United in their desire to blossom into somebodies, the Wong girls fearlessly assert their intellect and sexuality, even as they come of age under the care of their dominating, cleaver-wielding grandmother from Hong Kong. They transform themselves from food delivery girls into accomplished women, but along the way they wrestle with the influence and continuity of their Chinese heritage. Marilyn Chin's prose waxes and wanes between satire and metaphorical lyric, referencing classical Chinese tales and ghost stories that are at turns sensual, lurid, hilarious, shocking, and surreal.

Moon Jennifer S. Cheng, 2018 Mixing fable and fact, extraordinary and ordinary, Jennifer S. Moon explores bewilderment and shelter, destruction and construction, unthreading as it rethreads, shedding as it collects.--Page [4] of cover.

The Shadow in the Moon Christina Matula, 2018-07-17 A unique blend of traditional folklore and contemporary customs brings the Chinese Mid-Autumn Festival to life. Two sisters and their grandmother celebrate a popular Chinese holiday with family. Their favorite part? Mooncakes, of course--along with Ah-ma's story of the ancient Chinese tale of Hou Yi, a brave young archer, and his wife, Chang'E. A long, long time ago, Hou Yi rescued the earth from the heat of ten suns. The Immortals rewarded him with a magic potion that could let him live in the sky with them forever. But when a thief tries to steal the potion, what will Chang'E do to keep it out of dangerous hands? The sisters are mesmerized by Ah-ma's retelling and the fact that the very mooncakes they enjoy each holiday are a symbol of this legend's bravest soul.

The Best Kind of Mooncake Pearl AuYeung, 2022-10-11 Once upon a morning in Hong Kong, in the alley of Tai Yuen Street, a girl is promised a mooncake with a double-yolk center—the best kind! The special mooncake seems like the only excitement on an otherwise boring day in the market where nothing changes... until an exhausted stranger falls to his knees right in the street! He ran through forests, swam through rivers, and even stowed away on a ship, all to get to Hong Kong. Now at the end of his journey, all he needs is a bite to eat, but no one seems willing to help—not even the girl, if it means giving up her prized treat. The girl's ultimate decision has surprising, far-reaching consequences in this mostly true story that reminds us that even the smallest acts of kindness hold the power to change lives, for the giver as much as the receiver.
