**Speedo Down: The Record, Book 3** Winnie Winkle,2021-08-16 Book 3 of this funny, paranormal urban fantasy series keeps you laughing and makes you think! Winnie's powerhouse narration style and plots full of twists and turns make every page jump. ~~~ 5.0 out of 5 stars So Much FUN! Reviewed in the United States on September 5, 2021 Verified Purchase I am laughing and loving this series. Snarky, quirky, attitude, humor, a god in a speedo, a protecting cat that grows in size and ferocious fairies - what more do you need? This is a series that you need to start at the first one and work your way through. There is so much to enjoy here. Once again Patra is up to her cute butt in issues, bars and a few werewolves (ok it helps that they are hot!). Her best witchy friend is dealing with some new feelings and trying to lead her coven with a rogue witch and her ever-amusing mom (I know there is more to this mom as we keep getting glimpses of her incredible life). Wait - I forgot to mention - DRAGONS! This series manages to present a good story and food for thought at the same time keeps you reading because it is just FUN! ~~~ I had a handle on things, then the dragons showed up. On the average day, I juggle the human and magical worlds with a reasonable amount of skill. Based on the dude exhaling sparks in front of me, today isn't most days. I'm Cleopatra O'Keefe, a one jigger juggernaut holding the line between the worlds while slinging drinks and using a symbiont book to help me parse these human, magical, and omnipotent miscreants. I'm just one woman, people. Reality much? Dragon-human hookups are impossible, but Sparky is as real as I am. Poseidon and his ratty red speedo are MIA, and the incoming info all points to the dragons. My question is, are dragons the bad guys or are Olympians pulling my chain? Their track record kinda sucks. The Speedo is down. Crud. Day 6,935 of the weirdest job on the planet.

*Boogie Beach: The Record, Book 1* Winnie Winkle,2021-06-21 A funny, paranormal urban fantasy book that keeps you laughing and makes you think! Winnie's powerhouse narration style and plots full of twists and turns make every page jump. 5.0 out of 5 stars Thrilled to find such a well written and interesting book! Reviewed in the United States on April 3, 2022 Verified Purchase Beautifully written with a fresh take on an interaction with the pantheon. It grabbed me and wrenched emotions from me one after another. Loved it! And the best part is that there are more books in the series to read. Now please excuse me as I dive into the next one. ~~~ Two bars, one magical and one human, lie in the exact same space. That should work. It'd better; I run those joints and we're under attack. I live a pretty weird life—as in gods in speedos, powerful witches with little patience for mere humans, and shifters whose vibrations make my guts quake. Plus, an oceanside bar and a magical book run my existence. Beach life and eccentric are besties. The record picked me, Cleopatra O'Keefe, to be the

next Keeper. I took over the book and started chronicling the intersection and occasional asininity of the human and magical worlds. That’s when eccentric plunked its butt on the deck next to mine and we careened into the world of funky oddities seasoned with occasional mayhem. I’ve juggled the two worlds for almost twenty years, but my pier is under attack from the one entity feared by gods and magicals alike. Between slinging drinks, writing the history, and trying to keep the worlds in balance, I’m discovering that the Keeper’s job has way more depth than the magicals told me. Who’s lying? Which bits are truth? I’m at a crossroads and it’s time to make a choice. Toe the line and live, or save the world and die? Typical Tuesday.
