Across America By Motor-Cycle Charles Kenilworth Sheperd,2021-06-27 " ...When I arrived at New York I purchased a motor-cycle and set out to cross the continent to the Pacific, and I have it on the best authority that this was the first time an Englishman had ever accomplished the trip on a motor-cycle. In the following pages I have endeavoured to portray America and Americans exactly as I found them and as they appealed to me. If at times I perchance may give offence to any who are lovers of all and anything American, I do it without intent. Suffice it to say that before I went I had the highest opinion of anything that came from that worthy country, so that it cannot be claimed that I am one of those " Pro-British-every- time " individuals who delight in criticizing other countries and other peoples in order to gratify their own sense of national or other superiority." RAF Captain Charles Kenilworth Shepherd's account of riding his motorcycle across the U.S. in 1919.

ACROSS AMERICA BY A MOTOR CYCLE C. K. SHEPERD,2024-01-13 Embark on a thrilling cross-continental adventure with C. K. Shepherd as your guide in *Across America by a Motor Cycle*. This riveting travel memoir chronicles the exhilarating journey of a daring motorcyclist navigating the diverse landscapes of the United States. Shepherd's narrative, infused with the spirit of freedom and exploration, unfolds like the open road itself, revealing the pulse and rhythm of a nation on two wheels. From the bustling cityscapes to the serene expanses of nature, each page captures the essence of the American experience. The motorcyclist's perspective offers a unique lens, providing readers with a visceral connection to the ever-changing scenery. Through Shepherd's vivid storytelling, the journey becomes more than a physical expedition; it transforms into a cultural exploration, unveiling the heartbeat of America. Whether you're a motorcycle enthusiast or an armchair traveler, *Across America by a Motor Cycle* promises an exhilarating ride through the vast landscapes and vibrant tapestry of the United States.

Across America by Motor-Cycle Mark Hunnibell,C. K. Shepherd,2019-02-18 A veteran of World War I, British RAF Captain C.K. Shepherd arrived in New York in June 1919, bought a top-of-the-line Henderson four-cylinder motorcycle, and headed west on a solo cross-country adventure to see America, arriving in San Francisco two months later. Having completed his voyage, he sold his beloved motorcycle, dubbed Lizzie, on the street in San Francisco and then made his way back to his home in Birmingham, England. Three years later, he wrote *Across America by Motor-Cycle*--a memoir and travelogue that has become a motorcycle history classic. This book is now in the public domain and has been reprinted and made electronically available by others. However, all other known print reproductions contain low-quality images from the original book and the electronic versions all have numerous typographical errors apparently caused by errors in optical character recognition.This print version has been painstakingly reset and proofread, and all images re-scanned from an original print of the book or the original photographs to present the original book as it was first published in the highest quality possible.The photograph on the cover is from C.K. Shepherd's personal collection. It was taken in front of the Henderson agent in Kansas City, Missouri, on July 11, 1919. Pictured is C.K. Shepherd and the Henderson agent, Arthur Stephens.For more information, please visit:<http://acrossamericabymotorcycle.com>Mark L. Hunnibell

Tom Swift and His Motor-Cycle Victor Appleton,2010 Reprint of the adventure novel originally published in 1910.

The Motor Cyclist's Handbook the Classic 1911 Guide to the Construction and Management of Motorcycles Charles S. Lake,2007-08 It has been said, with truth, that an inherent love of things mechanical finds a more or less definitive place in the character of every Englishman... So begins *The Motor Cyclist's Handbook*, a wonderful text from 1911 that describes in detail the operation of early motorcycles. Created by Charles S. Lake, who wrote weekly columns in *The Model Engineer* magazine, the book was an instant classic. Today it is just as readable. Lavishly illustrated, the book includes chapters on the engine, including two-stroke and four cylinder, compression, carburetor, ignition, transmission, lubrication, accessories, and so on. Some of the bikes featured include the Rudge, Triumph, Hudson, Indian, Scott, and others. It's a delightful trip back in time for any biker - from the collector to the weekend rider. This easy-to- read reprint of this exceptionally rare book is presented in 8.5x11 format, slightly larger than the original. Care has been taken to preserve the integrity of the text.

Across America by Motor-Cycle C. K. Shepherd,2014-01 *Across America by Motor-cycle*By C. K. Shepherd

Early Days in the British Motor Cycle Industry - A Brief History of the Years Before the Arrival of the Motor Cycle Press Eric W. Walford,2016-09-06 Originally published in 1931. A well illustrated history of the British Motor Cycle Industry. Detailed chapters include: The Era of the Pioneers – The Era of Financial Adventurers – The Era of the Motor Tricycle – The Era of the Motor Bicycle. Many of the earliest motoring books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Home Farm Books are republishing many of these classic works in affordable, high quality, modern editions, using the original text and artwork.

Across America by Motor-Cycle - Fully Annotated Centennial Edition Captian M. L. Hunnible,Mark Hunnibell,2019-04-15 In 1919, Charles Kenilworth (C.K.) Shepherd--a veteran of World War I and former British Royal Air Force Captain--took some time off after his service. He traveled to the United States to trot 'round America on a brand new, top-of-the-line Henderson 4-cylinder motorcycle he dubbed Lizzie. Just eleven days after arriving in the States, Shepherd and Lizzie headed west on a pioneer adventure. He journeyed to California on America's highways, which he soon realized consisted of dirt roads--several of which were impassable. After arriving in San Francisco two months later, he sold his motorcycle on the street. In 1922, he memorialized this

journey for eternity in his book *Across America by Motor-Cycle*. Shepherd's tale is an informative and engaging reflection of the trials and tribulations of an Englishman's solo adventure across the United States when there were no such things as interstate highways or even good street maps. His honest observations about America's roads, history, and culture--through the lens of a British observer--are revealing and often humorous. One hundred years later, Shepherd's book remains a classic. Mark Hunnibell--a former United States Air Force Captain--discovered Shepherd's book while beginning to restore his own basket case 1919 Henderson motorcycle that his father had given him decades earlier. Realizing it was the same make, model, and year owned by Shepherd, Hunnibell imagined retracing Shepherd's journey. But Hunnibell realized such a major feat would go well beyond mechanical restoration. He had to get the old Henderson functioning like new to contemplate such an arduous expedition, but he also had to deduce Shepherd's path when the British adventurer had not included a map or specific itinerary. Hunnibell set about analyzing the book word-by-word in a bold attempt to discover, document, and reverse-engineer the smallest details of Shepherd's ride. As the research progressed, revelations of Shepherd's route and other amazing details emerged while Hunnibell also became fascinated by C.K.'s cultural reflections. Hunnibell also realized that the British explorer had an occasional tendency to embellish, apparently hoping it would make his book even more appealing. It occurred to Hunnibell that readers of C.K.'s 1922 book--and even new ones--would be even more inspired and entertained by the journey if they had the benefit of a complete and accurate explanation of as many details as possible. He sought to answer fundamental questions such as: Who was C.K. Shepherd and what was his background? Why did he embark on this trip? Whatever happened to him? This Fully Annotated Centennial Edition contains nearly 1,000 exhaustively researched notes, original photographs (many previously unpublished that had been taken by Shepherd himself), illustrations, and rich period details and explanations. It also contains a foreword by C.K.'s son, Dr. Charles Drury Shaw, who has graciously supported this celebration. Although some details of Shepherd's journey will forever remain a mystery, this Fully Annotated Centennial Edition--which includes the complete text of the original book--stands as the definitive work on the subject.

Across America by Motor-cycle C. K. Shepherd, 2022-09-04 DigiCat Publishing presents to you this special edition of *Across America by Motor-cycle* by C. K. Shepherd.
