It creates uncontrollable

aggression and hunger which is focused solely on their species. They want human flesh! In effect, he creates a mindless cannibal that is stronger, faster, and impervious to pain. As the problem manifests, read how each drastically different town, with varying law enforcement resources attempts to deal with, and contain the problem. What would you do if 911 was busy? Written as a novel, the premise has turned out to be prophetic as evidenced in recent news headlines. They blame bath salts. However, one of the main ingredients is methylenedioxypyrovalerone (MDPV.) The key is the first four letters..Meth. This drug when mixed with a number of other chemicals can produce unimaginable effects on the hypothalamus part of the brain. Ever wonder why an anti-depressant can have the contradictory side effect of suicide? Simply because dousing the hypothalamus with chemicals can be unpredictable, and a known fact in the pharmaceutical and medical communities. So the human behavior I describe has already occurred when a man ate another mans face in Miami, then cannibalism in Canada, then Louisiana. So who is next? Did you ever wonder what could be more horrifying then a zombie? Reality!

Vitaphone Films Roy Liebman,2015-05-20 The headline of the Variety extra on October 27, 1926, proclaimed “Vitaphone1 Thrills L.A.!” Vitaphone, a subsidiary of Warner Bros. formed in association with Western Electric, was one of the major producers of talkies, even though its sound-on-disc technology barely lasted four years. The Vitaphone features and shorts that have survived intact, or that have been so carefully restored, preserve much of the show business history that might otherwise have been lost with the industry’s fast-paced advances in movie making. This book is a catalogue of Vitaphone features and shorts. The first section lists the features and shorts by release number. The New York productions (1926–1940) are listed first, followed by the West Coast productions (1927–1970). For shorts, the following particulars, if known and if applicable, are given: title, alternate title(s), instrumental and vocal selections performed on screen, composer(s) and performers of instrumental and vocal selections, release date and synopsis of the film, names of major cast members and directors, set information if two or fewer sets were used, and the amount paid to early performers. For features, entries list release dates, genre, and major cast members. The section on performers includes only those who appeared in shorts, listing dates and places of birth when known.
