Heavy Metal Movies Mike McPadden,2014 Wherever heavy metal has gone, heavy metal movies have followed, blazing ferocious new celluloid trails; from concert movies and trippy midnight flicks at the dawn of heaviosity through inspirational depictions of ancient times and future apocalypses to the raw hand-held video productions of today. Heavy Metal Movies rounds up, reviews, and canonizes all known incidents of the heavy metal in motion pictures, from performance films, feature documentaries, occult rock 'n' roll horror, and headbanger characters to soundtrack standouts, namesake inspirations, lyrical references, aesthetic archetypes, and more. As brash, irreverent, and visceral as both the music and the movies themselves, Heavy Metal Movies is the ultimate guidebook to the complete molten musical cinema experience.

The Fifth Vital Mike Majlak,Riley J. Ford,2021-05-05 USA TODAY BESTSELLING BOOK! Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is his story.

Silent Hill 2 Mike Drucker,2021-01-26 A troubled man travels to a mysterious town from his past after receiving a letter from his wife... who's been dead for years. And while our hero explores dark corridors and battles countless disturbing enemies, his journey offers more psychological horror than survival horror. Welcome to Silent Hill, where the monster is you. Silent Hill 2 doubles down on what made the first game so compelling: The feeling of being lost in a foggy, upside-down town as unsettling as it is familiar. Nearly two decades after first experiencing Silent Hill 2, writer and comedian Mike Drucker returns to its dark depths to explore how this bold video game delivers an experience that is tense, nightmarish, and anything but fun. With an in-depth and highly personal study of its tragic cast of characters, and a critical examination of developer Konami's world design and uneven marketing strategy, Drucker examines how Silent Hill 2 forces its players to grapple with the fact that very real-world terrors of trauma, abuse, shame, and guilt are far more threatening than any pyramid-headed monster could ever be.

Profit First Mike Michalowicz,2017-02-21 Author of cult classics The Pumpkin Plan and The Toilet Paper Entrepreneur offers a simple, counterintuitive cash management solution that will help small

businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that: · Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances. · A small, profitable business can be worth much more than a large business surviving on its top line. · Businesses that attain early and sustained profitability have a better shot at achieving long-term growth. With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.

Mike Nelson's Movie Megacheese Michael J. Nelson, 2000-06-20 You might think that after ten seasons on the Peabody Award-winning TV series *Mystery Science Theater 3000*, Mike Nelson has seen enough bad movies for one lifetime. As the guys at *Cahiers du Cinema* say, *au contraire!* Hollywood's spigot of stupidity shows no sign of slowing, and cheesy films continue to flood our multiplexes and gunk up our home entertainment centers at an alarming rate. This dire situation calls for a specialist. A professional. An expert in wading through motion pictures so vile that they aren't released; they escape. We need Mike Nelson! Hey, settle down there, pal--you got him! In more than sixty laugh-out-loud reviews and essays featuring his unique combination of erudite wit and shameless clowning, this screenscarred veteran takes us deep into the recesses of cinematic cheese. He examines legendary showbiz families like Culkin, Baldwin, and Estevez; uncovers an ancient quatrain in which Nostradamus foretells the coming of David Hasselhoff; makes the case for the Food Network and the Three Stooges; and skewers all kinds of movies, including *Lost in Space*, *Twister*, *Anaconda*, *The Postman*, *Spring Break*, *My Best Friend's Wedding*, *The Bridges of Madison County*, *The Blair Witch Project*, and many, many more. Here is a film critic for the rest of us: the outrageous, hilarious Mike Nelson.

The Message Behind the Movie—The Reboot Douglas Beaumont, 2022-04-11 When it comes to movies, people of faith often focus on negative assessments of the film industry and certain style elements that they find objectionable, such as violence, nudity, or harsh language. While these criticisms are important, they are not the whole story. A film's message and its method are not always the same thing. By discussing the cinematic techniques and the genre considerations filmmakers use to communicate their ideas, this book helps Catholics and other Christians to become informed viewers. Douglas Beaumont shows how to evaluate the stories that movies tell and how to discern what they say about reality, God, and what it means to be human. At the same time, he illustrates how movie watchers can engage in thoughtful, lively discussions about not only film but also the big questions in life.

Marxism Goes to the Movies Mike Wayne, 2019-11-28 Introducing the key concepts and thinkers within the Marxist tradition, *Marxism Goes to the Movies* demonstrates their relevance to film theory and practice past and present. Author Mike Wayne argues that Marxist filmmaking has engaged with and transformed this popular medium, developing its potential for stimulating revolutionary consciousness. As the crisis of capitalism deepens, this history and these resources are vital for a better future. Marxism is one of the few approaches that can bring together political, economic, formal and cultural analysis into a unified approach of studying film, and how films in turn can help us understand and even critically interrogate

these forces. The book examines how filmmakers, who have been influenced by Marxism, have made some of the most significant contributions to film culture globally, and provides historical perspective on the development of Marxism and film. Each chapter covers a broad theme that is broken down into sections that are cross-referenced throughout, providing helpful navigation of the material. Clear and concise in its arguments, this is an ideal introduction for students of Marxism and film, inviting readers to deepen their knowledge and understanding of the subject.

Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Road Movie Book Steven Cohan, Ina Rae Hark, 2002-01-04 The Road Movie Book is the first comprehensive study of an enduring but ever-changing Hollywood genre, its place in American culture, and its legacy to world cinema. The road and the cinema both flourished in the twentieth century, as technological advances brought motion pictures to a mass audience and the mass produced automobile opened up the road to the ordinary American. When Jean Baudrillard equated modern American culture with 'space, speed, cinema, technology' he could just as easily have added that the road movie is its supreme emblem. The contributors explore how the road movie has confronted and represented issues of nationhood, sexuality, gender, class and race. They map the generic terrain of the road movie, trace its evolution on American television as well as on the big screen from the 1930s through the 1980s, and, finally, consider road movies that go off the road, departing from the US landscape or travelling on the margins of contemporary American culture. Movies discussed include: * Road classics such as *It Happened One Night*, *The Grapes of Wrath*, *The Wizard of Oz* and the Bob Hope-Bing Crosby Road to films * 1960's reworkings of the road movie in *Easy Rider* and *Bonnie and Clyde* * Russ Meyer's road movies: from *Motorpsycho!* to *Faster Pussycat! Kill! Kill!* * Contemporary hits such as *Paris Texas*, *Rain Man*, *Natural Born Killers* and *Thelma and Louise* * The road movie, Australian style, from *Mad Max* to the *Adventures of Priscilla, Queen of the Desert*.

Mike Nichols Mark Harris,2022-02-01 One of The Hollywood Reporter's 100 Greatest Film Books of All Time • A National Book Critics Circle finalist • One of People's top 10 books of 2021 • An instant New York Times bestseller • Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history, a life of dazzling highs and vertiginous plunges—some of the worst largely unknown until now—by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind: while still in his twenties, he was half of a hit improv duo with Elaine May that was the talk of the country. Next he directed four consecutive hit plays, won back-to-back Tonys, ushered in a new era of Hollywood moviemaking with *Who's Afraid of Virginia Woolf?*, and followed it with *The Graduate*, which won him an Oscar and became the third-highest-grossing movie ever. At thirty-five, he lived in a three-story Central Park West penthouse, drove a Rolls-Royce, collected Arabian horses, and counted Jacqueline Kennedy, Elizabeth Taylor, Leonard Bernstein, and Richard Avedon as friends. Where he arrived is even more astonishing given where he had begun: born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he was sent along with his younger brother to America on a ship in 1939. The young immigrant boy caught very few breaks. He was bullied and ostracized--an allergic reaction had rendered him permanently hairless--and his father died when he was just twelve, leaving his mother alone and overwhelmed. The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe--the acute powers of observation that first made him famous; the nourishment he drew from his creative partnerships, most enduringly with May; his unquenchable drive; his hunger for security and status; and the depressions and self-medications that brought him to terrible lows. It would take decades for him to come to grips with his demons. In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood, Mark Harris explores, with brilliantly vivid detail and insight, the life, work, struggle, and passion of an artist and man in constant motion. Among the 250 people Harris interviewed: Elaine May, Meryl Streep, Stephen Sondheim, Robert Redford, Glenn Close, Tom Hanks, Candice Bergen, Emma Thompson, Annette Bening, Natalie Portman, Julia Roberts, Lorne Michaels, and Gloria Steinem. Mark Harris gives an intimate and evenhanded accounting of success and failure alike; the portrait is not always flattering, but its ultimate impact is to present the full story of one of the most richly interesting, complicated, and consequential figures the worlds of theater and motion pictures have ever seen. It is a triumph of the biographer's art.

Mad Movies with the LA Connection Mike White, Shirley Temple possessed by demons? Danny Kaye singing like Michael Jackson? Are the characters in *Night of the Living Dead* planning a party? There's nothing wrong with your television set. It's *Mad Movies with the L.A. Connection*, the television show that ran from 1985-1989 in the wee hours of the night. Founded in 1977, The L.A. Connection is still going strong with sketch comedy, improv and "mock dubbing" of movies and television. Author Mike White (Impossibly Funky: A Cashiers du Cinemart Collection) looks at the history of The L.A. Connection and their many projects from *Flicke of the Night* to *Reefer Madness II*, to *Blobermouth*, and beyond. "... a slim yet incredibly informative chronicle of how improve comedy troupe The L.A. Connection transformed a popular stage routine – redubbing old films for a live crowd – into one of '80s TV's 'best kept secrets.' Premiering in 1985, airing on independent stations across the country (as well as later reruns on Nick At Night) and lasting 26 episodes, the show edited hoary feature-length films down to easy-to-digest, half-hour chunks, then gave 'em all-new, wacky dialogue. In addition to reminiscences from L.A. Connection founder Kent Skov and colleagues, who recall the creative energy and technical work that went into making this outlandish show, Mike White fills out his 122-page softcover with a brief history of 'mock dub' cinema, the birth of the L.A. Connection, an episode guide, rare photos, plus the group's other film-dubbing projects." - Shock Cinema

Traveling Around the World with Mike and Barbara Bivona Mike Bivona, 2013-11-01 Mike and Barbara Bivona have danced their way around the world, embracing the colorful rhythms of each country and culture in their travels. Now, Mike, the author of *Dancing Around the World with Mike and Barbara Bivona*, returns to share more of their globe-trotting adventures in part one of a new travel memoir series. While cruising the islands, they witnessed lava flowing into the surf off the shores of Hawaii and danced on a nightclub floor that once saw the white-uniformed officers of the warships anchored at the naval station in Pearl Harbor. Mike describes the thrill and challenge of learning the intricate steps of the Argentine tango in Buenos Aires and, more importantly, absorbing its proper attitude from master dancers. The brimstone fumes wreathing the slopes of Mt. Vesuvius transported them back in time, as the frozen bodies of the unlucky residents of Pompeii and Herculaneumas well as the evidence of Romans lively erotic imagination left on walls and sculptured into clay inspired numerous colorful conversations. Mike and Barbaras shared passion for art and history has led them to seek out the haunts of other lovers of adventure Columbus, Ponce de Leon, General Custer, circus impresario John Ringling, and the elderly jazz musicians in New Orleans. Part memoir and part travelogue, this volume offers you a trip around the world with the Bivonas without ever leaving your chair. *Traveling Around the World with Mike and Barbara Bivona* by Michael Bivona CPA, published by IUniverse, was a winner in the Annual Eric Hoffer Awards for Short Prose and Independent Books 2014 for eBooks nonfiction The US Review of Books reviewed by Barbara Bamberger Scott.
