You have also no interest to spend hours in file sharing networks, like KaZaA, Bit Torrent and eDonkey to getting your stuff somewhere and somehow? You don't want to take the risk anymore to be always visible, during any kind of download you do? You don't want to share any files to get the kind of files you like? You want to have your files in no time and absolutely non traceable? With this Download Guide your file sharing dreams will come true immediately. The Solution: I wrote this eBook, because I was so tired of so many called File Sharing experts and Usenet Providers. Most of them taking a lot of fees and offer you only 30% of that what is possible for you. With this eBook you are holding the ultimate master key in your hands to download EVERYTHING! Yes you read right! Everything! The only boundaries are in your head. What you can think of it, what you want to have, now you can get it. Fast, Secure and Anonymously! With this guide you will learn within short time, where you can find the stuff of your wishes and how you can download them in minutes. And the best thing is: NON TRACEABLE!! Yes my friend, nobody can see what you have downloaded at all. The only thing what you have to decide for yourself, how to handle this genie as soon as he is out of the bottle. Do you use it to get legal and free stuff from him, or do you move over to the dark side. Take what you can get (Movies, Music, Software...), knowing that you are breaking laws, even if you have the guarantee that nobody will notice any of it? However at the end it is your choice. I only give you the knowledge to boost your way to handle the internet for your benefit. So what do you think? Are you ready to let the genie out of the bottle?

Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.
