Movies (And Other Things) Shea Serrano, 2019-10-08 INSTANT #1 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER BARNES & NOBLE BESTSELLER AMAZON BESTSELLER Paging through Serrano's *Movies (and Other Things)* is like taking a long drive at night with a friend; there's that warmth and familiarity where the chat is more important than the fastest route from Point A to Point B...It's like a textbook gone right; your attention couldn't wander if it tried. -- Elisabeth Egan, New York Times Book Review

Shea Serrano is back, and his new book, *Movies (And Other Things)*, combines the fury of a John Wick shootout, the sly brilliance of Regina George holding court at a cafeteria table, and the sheer power of a Denzel monologue, all into one. *Movies (And Other Things)* is a book about, quite frankly, movies (and other things). One of the chapters, for example, answers which race Kevin Costner was able to white savior the best, because did you know that he white saviors Mexicans in *McFarland, USA*, and white saviors Native Americans in *Dances with Wolves*, and white saviors Black people in *Black or White*, and white saviors the Cleveland Browns in *Draft Day*? Another of the chapters, for a second example, answers what other high school movie characters would be in Regina George's circle of friends if we opened up the *Mean Girls* universe to include other movies (Johnny Lawrence is temporarily in, Claire from *The Breakfast Club* is in, Ferris Bueller is out, Isis from *Bring It On* is out...). Another of the chapters, for a third example, creates a special version of the Academy Awards specifically for rom-coms, the most underrated movie genre of all. And another of the chapters, for a final example, is actually a triple chapter that serves as an NBA-style draft of the very best and most memorable moments in gangster movies.

Many, many things happen in Movies (And Other Things), some of which funny, others of which are sad, a few of which are insightful, and all of which are handled with the type of care and dedication to the smallest details and pockets of pop culture that only a book by Shea Serrano can provide.

From Fred Astaire, whom she adores, to *La La Land*, which she deplores, Basinger examines a dazzling array of stars, strategies, talents, and innovations in the history of musical cinema. With extensive portraits of everyone from Al Jolson, the *Jazz Singer*; to Doris Day, whose iconic sunniness has overshadowed her dramatic talents; from Deanna Durbin, that lovable teen-star of the '30s and '40s; to Shirley T. and Judy G.; from Bing to Frank to Elvis; from Ann Miller to Ann-Margret; from *Disney* to *Chicago* . . . focusing on many beloved, iconic films (*Top Hat*; *Singin' in the Rain*; *Meet Me in St. Louis*; *The Sound of Music*) as well as unduly obscure gems (*Eddie Cantor's Whoopee!*; *Murder at the Vanities*; *Sun Valley Serenade*; *One from the Heart*), this book is astute, informative, and pure pleasure to read.

Max Perkins A. Scott Berg,2016 Traces the life of the influential book editor who worked with Ernest Hemingway, Thomas Wolfe, and F. Scott Fitzgerald.

Same Kind of Different as Me Ron Hall,Denver Moore,2010 The co-author relates how he was held under plantation-style slavery until he fled in the 1960s and suffered homelessness for an additional eighteen years before the wife of the other co-author, an art dealer accustomed to privilege, intervened.

The History of Television, 1942 to 2000 Albert Abramson,2007-09-29 Albert Abramson published (with McFarland) in 1987 a landmark volume titled *The History of Television, 1880-1941* (massive...research--Library Journal; voluminous documentation--Choice; many striking old photos--The TV Collector). At last he has produced the follow-up volume; the reader may be assured there is no other book in any language that is remotely comparable to it. Together, these two volumes provide the definitive technical history of the medium. Upon the development in the mid-1940s of new cameras and picture tubes that made commercial television possible worldwide, the medium rose rapidly to prominence. Perhaps even more important was the invention of the video tape recorder in 1956, allowing editing, re-shooting and rebroadcasting. This second volume, 1942 to 2000 covers these significant developments and much more. Chapters are devoted to television during World War II and the postwar era, the development of color television, Ampex Corporation's contributions, television in Europe, the change from helical to high band technology, solid state cameras, the television coverage of Apollo II, the rise of electronic journalism, television entering the studios, the introduction

of the camcorder, the demise of RCA at the hands of GE, the domination of Sony and Matsushita, and the future of television in e-cinema and the 1080 P24 format. The book is heavily illustrated (as is the first volume).

The Way Of The Master Ray Comfort, 2006-04-12 Jesus was not afraid to shake people up. He spoke openly of their sinful nature and the righteousness of God. He forced people to confront their sin head-on, and He brought them face-to-face with their need for salvation — because He loved them. Who do you know who isn't saved? If they died tonight, where would they spend eternity? Do...

As Dead as it Gets Katie Alender, 2012-05-15 It's been three months since Alexis helplessly witnessed Lydia Small's violent death, and all she wants is for her life to return to normal. But normal people don't see decaying bodies haunting photographs. Normal people don't have to deal with regular intrusions from Lydia's angry ghost, sometimes escalating to terrifying attacks. At first, it seems that Lydia wants revenge on Alexis alone. But a girl from school disappears one night, and Alexis spots one of Lydia's signature yellow roses lying on the girl's dresser the next day. Soon, it becomes clear that several of Alexis's friends are in danger, and that she's the only person who can save them. But as she tries to intervene, Alexis realizes that her

enemy is a much more powerful ghost than she's ever faced before . . . and that its fate is tied to hers in ways she couldn't possibly imagine. Not even in her worst nightmares.

If He Had Been with Me Laura Nowlin,2013-04-02 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Scientific Facts in the Bible Ray Comfort,2001 That man lived his life as a pauper when he could have lived in luxury, simply because of his prejudice. He thought he knew what the Bible contained.

Broadcast Engineering ,1981

Hell's Best Kept Secret Ray Comfort,2004-07-01 How many souls have you won to Christ? How many are still walking with the Lord? All, some, a few? The facts are: Evangelical success is at an all-time low. We're producing more backsliders than true converts. The fall-away rate—from large crusades to local churches—is between 80 to 90 percent. Why are so many unbelievers turning away from the message of the gospel? Doesn't the Bible tell us how to bring sinners to true repentance? If so, where have we missed it? The answer may surprise you. One hundred years ago, Satan buried the crucial key needed to unlock the unbeliever's heart. Now Ray Comfort boldly breaks away from modern tradition and calls for a return to biblical evangelism. If you're experiencing evangelical frustration over lost souls, unrepentant sinners, and backslidden "believers," then look no further. This radical approach could be the missing dimension needed

to win our generation to Christ.
